

CRAWFORD COUNTY 4-H RECORDS/AWARD GUIDE

Record-keeping is an important part of 4-H. By completing records of what you have learned and accomplished during your year and the 4-H Fair. Your member portfolio shows your growth through your entire 4-H career. You have done the work, now let's work on getting rewarded for those accomplishments! Records are available online, at the Crawford County Extension Office, or from your 4-H Leader.

Follow these easy steps to complete your records:

1. **RECOMMENDED**- Fill out the [“Crawford County 4-H Member Portfolio”](#). This will serve as a permanent record throughout the 4-Her's career, showing ALL of your involvement in 4-H and community activities. *This record REALLY helps when you are older and filling out college applications and scholarships!*
2. **REQUIRED YEARLY**-Fill out the **“4-H Experience Checklist”** below. All of this information you will have after completing your Member Portfolio. It's that EASY! This is what is required for any recognition at Achievement Night.
3. Submit the above records to your 4-H Leader, the date to be announced each year. Applications must be signed by the 4-H'er, parent/guardian, and 4-H Leader before being turned in to the Extension Office.

What do the Ribbons mean at the Fair?

The judging process has two phases. The first part is non-competitive, and everyone receives a ribbon/rating based on their own project's individual merits. A blue ribbon means the project met the standards; a red ribbon means the project met most of the standards but needed some improvement, and a white ribbon means the project did not meet the standards and needs much improvement. A participation ribbon will be given if a project is entered late or doesn't follow the exhibit requirements stated in the fair book.

The second phase of judging is the competitive phase. In the competitive phase, projects are judged against each other. A class champion ribbon means that the project was the best in its class. A Champion ribbon means it was the best overall project in a class or group of classes. A Reserve Champion ribbon means it was the second-best overall project in a class or group of classes. A State Fair Delegate ribbon means that this project was selected to represent Crawford County at the Illinois State Fair. A State Fair Alternate ribbon means that the project can go to the Illinois State Fair if the selected delegate chooses not to participate.
