

Illinois Extension Office Perennial Garden

321 W 2nd
Ave. Milan, IL
61264

Year-Round Beauty, Texture, and Variety

Step into a world of color and tranquility at the Illinois Extension office in Milan, where our stunning perennial garden offers year-round beauty. Located at the front of the office, this vibrant garden is home to a diverse array of perennials that bloom from spring through fall, featuring award-winning varieties, ornamental grasses, and lush hostas. The garden is beautifully shaded by a blossoming cherry tree, creating a serene and inviting atmosphere perfect for relaxation and inspiration.

For over a dozen years, this garden has been lovingly maintained by a dedicated team of Master Gardeners, whose commitment and expertise are evident in every corner. Whether you're seeking gardening ideas or simply a peaceful place to unwind, visit us to experience the garden's ever-changing colors and textures throughout the seasons.

Illinois Extension
UNIVERSITY OF ILLINOIS URBANA-CHAMPAIGN

College of Agricultural, Consumer and Environmental Sciences

University of Illinois, U.S. Department of Agriculture, and local Extension councils cooperating.
University of Illinois Extension provides equal opportunities in programs and employment.
