

## Helping Hands Award Nomination Form

In 2013 club leader Wes Pourchot asked for a special award for two young men who had worked very hard in Bond County over the past several years and were always there to lend a hand at almost every 4-H event. The “Helping Hands” award was created and recognized those two young men. It was then decided that this would carry on as an annual award. Every year since then we have recognized a special 4-H member who goes above and beyond and may sometimes be the person behind the scenes keeping things going. Since Wes created this award he is asked each year to help with choosing the recipient. All leaders are given a chance to nominate members. This award is for a 4-H member who really steps up and pitches in.
