# Illinois 4-H Experience Award

The Experience Award offers recognition for members who participate in activities and events. There are always lots of activities you can do as a 4-H member ranging from club to national events.

The new county Experience Award was based on four dimensions of experience: Participation, Community Service, Leadership and Project learning.

The Bronze level award required members meet all 5 experiences listed which included exhibiting at the fair, giving a talk, participating in a community service project and attending one county activity. The Silver level award required members meet 4 out of 7 experiences listed. The Gold level award required members to complete 7 out of 12 experiences.

This is the eighth year Shelby County 4-H members have participated in this awards program. In past years, we have had approximately 40 members submit an Experience Award. With the revised user-friendly form, we are awarding 96 4-H'ers with medals this year, which is 50+ more than in past years. There are three pending 3 pending state approval.
