Reminder to Large Livestock Families

Large Livestock families,

We wanted to give you a heads up and plenty of time to prepare for this new requirement for cattle and swine. (I've included sheep and goat families just in case) **Beginning in 2025, individual identification of each animal shall be by a USDA official animal identification number ear tag, ("840" tag). The tag must be able to be read both visually and electronically.**

Producers can order tags directly, including through the free tag program with the Department, or utilize their veterinarians. The Department has tried to provide producers with ample time to prepare by pushing the notice out more than a year in advance and offering the free tag program, for which we have partnered with organizations to have on site distribution events. Here is a link to the information on ordering tags through the department of both producers and veterinarians: [Animal Disease Traceability \(illinois.gov\)](https://agr.illinois.gov/animals/animalhealth/fair-exhibition-requirements.html).

<https://agr.illinois.gov/animals/animalhealth/fair-exhibition-requirements.html> The second link is 2024 County Fair Health Requirements. If you open it, changes for 2025 are in red. The big thing is cattle and swine must have 840 tags. **If you are producing your own on your farm, to get 840 tags, you have to get premise id.** Calves under 6 months do not require a CVI. Depending on your 4-H show date, early January calves could be required on the CVI.

So in short, if you raise and produce your own stock then you will need to get a premise id and order 840 tags for your cattle and swine herd. This will need to be done before the 2025 weigh ins (Cattle Feb. 1, Swine Mar. 22, Sheep/Goat May 3). If you purchase your livestock from someone else you will need to make sure they have registered 840 tags already tagged or you will need to do this with yours before weigh in. This is MANDATORY by the state so if not done then you will not be allowed to show at the 2025 White County 4-H Livestock Show!
