Two 4-H'ers can be selected in *Original* Chalk/Carbon/Pigment created on canvas, paper or glass. Two 4-H'ers can be selected in each of the following classes Scrapbooking, Food/Cake Decorating and Glass/Plastic.

******Exhibitors MUST be enrolled in the Visual Arts project category in which they are exhibiting.***

General Rules

1. Articles exhibited must have been made by the 4-H'er during the current 4-H year. Exhibitors are encouraged to date the project when it is made.
2. Members may enter a **total of 27** projects in the Visual Arts Department. (Members may not enter more than 3 projects per category. Mixed media items should be placed in categories of dominate media.) Members should not enter more than one item using a particular media. For example: A member may enter a watercolor, acrylic, or pencil drawing in the chalk/carbon/pigment class but shall not enter 3 watercolors. The members 3 entries per media could consist of 2 originals and 1 non-original or 3 originals and no non-originals.
3. Members in Food Decorating or Scrapbooking are allowed to enter only ONE level based on their experience.
4. 4-H'ers are limited to receive one premium per class exhibited in premium eligible projects. In visual arts if you exhibit 2 projects in Chalk/Carbon/Pigment you will only receive one premium. However, if you enter 1 project in Non-Original CCP and the other in Original CCP the 4-H'er would receive 2 premiums as these are separate classes.
5. Classification of Visual Arts projects can be confusing. If you have questions about how to properly register your project, please consult the Extension office.

6. All items must be properly prepared for exhibit. Items which are intended to be hung must be prepared for hanging with wire. The hanging device must be sturdy enough to support the weight of the object. Drawings and paintings should be matted and preferably framed under glass. Please refer to "Matting and Framing Requirements" below.
7. For both original and non-original work 4-H'ers should provide the source of their artwork if they use one (example: photo, picture, etc.)

Both original and non-original work are separated into the following media areas: Paper, Fiber, Clay, Wood, Chalk/Carbon/Pigment, Leather, Metal, Glass/Plastic, and Nature. Under each media area is a suggested list of work members may consider enter.

Original Work - is any project made without the use of commercial/store purchased pattern or design. The 4-H'er has developed, created & implemented the project. Articles in this category must be an original design created by the exhibitor. Kits and preformed molds are not considered original. **Crafts found online or on Pinterest are not considered original work. If you see something on Pinterest that you like, you can use that idea as your inspiration, however, create something which is fundamentally different. It MUST NOT BE AN EXACT REPLICA OF something the judge can search for and find on Pinterest.** Copyrighted or trademarked designs are not acceptable in this division. Team, school logos and/or characters from movies such as Mickey Mouse, Iron Man, etc. are not original. Combining parts of different patterns (pictures, photographs, images from the internet or a magazine) with the member's own ideas can result in an original design, but simply changing the color, pattern and/or size of a pattern does NOT make the design original. ***If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit. Be prepared to explain how and where you got the idea for this project. Photos used as a source should be taken by the artist.*** Be prepared to explain how and where you got the idea for this project.

Use of the 4-H Clover: Chartered 4-H clubs and enrolled 4-H members are authorized to use the 4-H Name and Emblem. This includes permission for an enrolled 4-H member to use the 4-H name and emblem in exhibits created for personal use and as part of 4-H sponsored events. This includes 4-H decorated cookies, a 4-H clover printed for use in a scrapbook or included as part of any other 4-H exhibit. Use of the green clover shaped image is not protected. The 4-H "emblem" is distinguished by the four H's that signify Head, Heart, Hands and Health. No creative rendering, changes in color or shape of the official 4-H emblem is allowed.

Quilts entered in Visual Arts should ONLY be entered in the Quilting Project area in either Level 1 *You Can Quilt* OR Level 2 *Quilting the Best Better*. All work on the quilt MUST be completed by the 4-H member. You cannot exhibit a quilt that was quilted by someone else.

Matting and Framing Requirements:

1. Drawings and paintings must be matted and framed, preferably under glass. (Oil and acrylic paintings do not require glass and are not required to be matted.) Watercolor, chalk, pen & ink, computer-generated art, etc. do require some protective covering. Gallery frames are acceptable. Canvas paintings that continue "over the edges" are acceptable without frames; however, the piece must still be prepared for hanging.

Assistant Superintendent: David Vandeburg

Appropriate attire is expected in the show ring and sale ring. Safety should be the issue for the attire. Suggested attire: hard shoes, long pants and a collared shirt. (No shorts, open toed shoes, or hats.)

A 4-H member must be the owner of the animals exhibited at the fair. Professional fitters **will not be allowed** to assist in the 4-H Show. 4-H'ers may be assisted with the fitting of the animal by an immediate family member (mother, father, siblings or legal guardian) or by another 4-H member of DeKalb County.

All youth showing a goat project are required to be certified in Youth for the Quality Care of Animals during the current year.

Decisions made by the superintendents will be final.

Illinois Health Requirements for Goats:

All animals, except as noted, shall be accompanied by a Certificate of Veterinary Inspection (CVI) which shows that the animal meets all health requirements for the State of Illinois. CVI's shall be made available to Bureau of Animal Health Personnel on request. If an official electronic CVI is utilized, the exhibitor should be able to log on and show Bureau of Animal Health Personnel the completed CVI.

CVI means a legible record made on an official form from the state of origin which has been issued, signed and dated by an accredited veterinarian and which shows the name and address of the animal's owner or exhibitor and the results of all required tests or vaccinations. A CVI shall list only one animal identification per line; shall be presented on the form on which it was initially issued; and shall not be corrected, changed or altered in any manner.

All animals shall be officially identified. The animal(s) official identification shall be recorded on the CVI.

Identification

- Individual identification of each animal shall be by an ear tattoo or official metal or plastic tag. A microchip ID is acceptable if the owner provides the reader.
- Tattoos may be used when a registration certificate, listing the tattoo number, accompanies the animal.
- When using ear tags, the tag must indicate the premises ID and state of origin. The tag number must be assigned by a state or APHIS representative and recorded in the Scrapie Record Database.
- Ears should be used for tattooing when possible. If there is no space in the ear, the flank or tail fold may be used.

Illinois Goats

1. Goats originating from a herd that has previously been classified as either an infected or source herd can be exhibited in Illinois upon the completion of an approved herd plan.
2. The CVI must include the flock of birth and the flock of origin, if different.
3. CVIs for Illinois-origin livestock shall be void 90 days after issuance.

NEW THIS YEAR: These poultry exhibition requirements DO APPLY TO ALL poultry shows including 1-day shows where the entries are taken to the show and returned home the same day.

1. Appropriate attire is expected at the show table and in the sale ring. Safety should be considered – long sleeves are recommended.
2. **Due to the possibility of poultry overheating, exhibitors are to bring water dishes so their animals will have water available at all times.**
3. Poultry exhibits should be in the 4-H's possession as of **June 1** of the current year.

7. Both the Champion and Reserve Champion meat pen exhibits at the fair, and the Grand Champion Poultry of Show and the Reserve Grand Champion of Show will be eligible for the Blue Ribbon Livestock Auction, and they will retain ownership. *Photos of these Champion animals will be taken immediately following the poultry show in the back of the swine annex barn.*

This rule was established by the Agriculture Premium Fund.**
13. 4-H'ers uncertain of what class they should enter in should contact Superintendent Dale Sanderson at 815-751-6408
14. To control diseases such as avian influenza it is recommended that you isolate show birds for at least 2-4 weeks after returning from a fair so you can look for signs of the disease.

The Department of Agriculture shall use its best efforts to secure sufficient appropriations to fund premiums. In any year for which the General Assembly of the State of Illinois fails to make an appropriation sufficient to pay such premiums, premiums amounts may not be accurately reflected in this Premium Book.

A 4-H member must be the owner of the animals exhibited at the fair. Professional fitters **will not be allowed** to assist in the 4-H Show. 4-H'ers may be assisted with the fitting of the animal by an immediate family member (mother, father, siblings or legal guardian) or by another 4-H member of DeKalb County.

Illinois Health Requirements for Sheep:

All animals, except as noted, shall be accompanied by a Certificate of Veterinary Inspection (CVI) which shows that the animal meets all health requirements for the State of Illinois. CVI's shall be made available to Bureau of Animal Health Personnel on request. If an official electronic CVI is utilized, the exhibitor should be able to log on and show Bureau of Animal Health Personnel the completed CVI.

CVI means a legible record made on an official form from the state of origin which has been issued, signed and dated by an accredited veterinarian and which shows the name and address of the animal's owner or exhibitor and the results of all required tests or vaccinations. A CVI shall list only one animal identification per line; shall be presented on the form on which it was initially issued; and shall not be corrected, changed or altered in any manner.

All animals shall be officially identified. The animal(s) official identification shall be recorded on the CVI.

Individual identification of each animal shall be by an ear tattoo or official metal or plastic tag. A microchip ID is acceptable if the owner provides the reader.

Ear tattoos may be used when a registration certificate, listing the tattoo number, accompanies the animal.

When using ear tags, the tag must indicate the premises ID and state of origin. The tag number must be assigned by a state or APHIS representative and recorded in the Scrapie Record Database.

1. Entries are limited to 8 breeding stock with only two in each breeding age class regardless of breed, and 4 market lambs, for a total of 12 animals. 4-H'ers should however make special note of rule # 2 as this will affect their 4-H premiums.

Example: If a 4-H'er has 2 breeding sheep they exhibit in class 90 Black Face Ewe Lamb, the 4-H'er will only receive one premium for that class. The same would be true for youth that have market lambs that end up in the same weight class. This rule was established by the Agriculture Premium Fund.***

SWINE - DEPARTMENT G

Judged Saturday, August 5, 8:00 a.m.

Superintendent: Jeff Marco, Hayden Kuhn, Tina Kuhn and Grant Bend

Appropriate attire is expected in the show ring and sale ring. Safety should be the issue for the attire. Suggested attire: hard shoes, long pants and a collared shirt. (No shorts, open toed shoes, or hats.)

A 4-H member must be the owner of the animals exhibited at the fair. Professional fitters **will not be allowed** to assist in the 4-H Show. 4-H'ers may be assisted with the fitting of the animal by an immediate family member (mother, father, siblings or legal guardian) or by another 4-H member of DeKalb County.

All youth showing swine are required to be certified in Youth for the Quality Care of Animals during the current year.

Decisions made by the superintendents will be final.

Illinois Health Requirements for Swine:

All animals, except as noted, shall be accompanied by a Certificate of Veterinary Inspection (CVI) which shows that the animal meets all health requirements for the State of Illinois. CVI's shall be made available to Bureau of Animal Health Personnel on request. If an official electronic CVI is utilized, the exhibitor should be able to log on and show Bureau of Animal Health Personnel the completed CVI.

CVI means a legible record made on an official form from the state of origin which has been issued, signed and dated by an accredited veterinarian and which shows the name and address of the animal's owner or exhibitor and the results of all required tests or vaccinations. A CVI shall list only one animal identification per line; shall be presented on the form on which it was initially issued; and shall not be corrected, changed or altered in any manner.

All animals shall be officially identified. The animal(s) official identification shall be recorded on the CVI.

1. Swine shall be identified by an official ear tag, tattoo or recognized breed ear notch.
2. Ear notch identification is acceptable for barrows, crossbred gilts and breeding swine. (Note: Ear notch identification of crossbred swine does not satisfy USDA identification requirements for interstate movement of official testing.)

Beginning in 2025, individual identification of each animal shall be by a USDA official animal identification number ear tag, ("840"tag). The tag must be able to be read both visually and electronically.

Brucellosis

Brucellosis testing is not required for Illinois swine.

Pseudorabies

Pseudorabies testing is NOT required for Illinois swine.

4-H'ers leaving the fairgrounds before the completion of the livestock auction will forfeit auction premiums above floor/market price. All youth and animals are expected and required to remain on the fairgrounds until the completion of the auction.

RULES

1. Entries are limited to **3 market hogs** (any combination of sexes; however, pen of two animals must be of the same sex.)
2. Only swine officially nominated by **June 1** to the Extension office are eligible to be shown in the swine show. Nominations are limited to 15 swine per youth. Cross nominations within immediate families (ie brothers and/or sisters) will be permitted. For example, siblings may nominate the same animals on their nomination forms.
3. It is highly recommended that animals weigh **at least 240 pounds**.
4. All pigs exhibited must be farrowed on or after January 1, present year. March farrowed swine are quite small & lack finish, consequently, will rate low in the show.
5. Weight classes will be determined on Friday, August 2, 2024. For single market hog classes, 4-H members should register each hog they are planning to show in this class category. For example, if you have 3 hogs you would record class 116 single market hog 3 times on your entry form. In pen of two classes individuals may show either 2 gilts, or 2 barrows but may not show a combination of a barrow and a gilt. Exhibitors should enter each swine and entry under the appropriate premium numbers.
6. **Swine Superintendents and Assistants will be at the swine barns between 8:00 – 11:00 a.m. on Friday, August 2 as 4-H'ers unload their animals. All animals must be present and penned by 11:00 a.m. for weigh-ins beginning at noon.**
7. All hogs will be penned in the swine barn. **No hogs will be in the annex barn.**
8. Barrows and gilts will be weighed in starting at 12:00 noon by a committee. All swine need to be in the barns and penned prior to weigh-ins. No animals will be weighed from trucks/trailers. Barrows and gilts will be identified & entered into weight divisions, according to the results of this weighing. This year purebred classes will be offered in the swine show. Classes will be determined after weigh-ins on Friday, August 2. All questions arising as to weights will be referred to the initial weight record.
9. Purebred classes will not be divided by weights, unless there is a large number of hogs in a single breed. Purebred classes will only be shown in the single market hog classes.
10. **Registration papers must be presented at weigh-in and must be in the 4-H exhibitor's name.**
11. All pens will be determined by the combined weight of hogs.
12. All swine must be in possession of the 4-H'er by June 1, present year.
13. No show oils should be used on swine.
14. All youth showing swine are required to be certified in Youth for the Quality Care for Animals during the current year and have Premise ID number.
15. **Parents and supporters of our youth showing swine are asked to stay out of the show arena, unless they are working in the arena for the entire day of the show. Parents are also asked to avoid blocking doorways and isles next to the entrance of the arena during the show.**
16. 4-H Premiums paid will be using an X factor. Premium values will be:
Blue: 7X Red: 6X White: 5X
20. ***4-H members are limited to receive one premium per weight class exhibited in premium eligible projects. Example: If a 4-H'er has three market hogs and two of them end up in the same weight class, the 4-H'er will only receive one premium for that weight class. This rule was established by the Agriculture Premium Fund.***

SWINE AUCTION RULES

- A. The top pay-weight for swine consigned to the sale will be 275 pounds. Therefore 4-H'ers having a hog weighing 276+ pounds will only receive payment for 275 pounds if their hog is purchased for processing at Eickman's.

- B All swine need to be in the barns and **penned by 11:00 a.m. on Friday, prior to weigh-ins** beginning at 12:00 noon. Swine Superintendents and Assistants will be at the swine barns between 8:00 – 11:00 a.m. **No animals will be weighed from trucks/trailers.** If you can't make it by 11:00 call Jeff Marco at (815) 751-1020 or Hayden Kuhn at 815-315-7866.
- C. All youth showing swine are required to be certified in Youth for the Quality Care of Animals (YQCA) during the current year.
- E. A Certificate of Veterinary Inspection is required on all swine exhibits. Please make note that for Illinois pseudorabies testing is not required

4-H MARKET HOG CLASSES

****For 2024 showmanship will start the swine show.**

116 MARKET HOG (list this number 3 times on your entry form if you have 3 market hogs)
Market Hog classes will be further divided into multiple weight classes.

120 PEN OF TWO MARKET HOGS (must be two hogs of the same sex)
Pen of Two Market Hog classes will be further divided into multiple weight classes.

(Classes 116 and 120 will be further divided by gilts and barrows and by breeds. Each class division will start with gilts first and then barrows.)

Champions for each weight division (light, medium and heavy crossbreds) will be selected in the Market Hog Classes and the Pen of Two Market Hog Classes. Purebred classes will only be offered in the single market hog classes, and they will not be divided by weights unless there is a large number of hogs in a single breed. Purebred breed class winners will compete against the champion crossbred for the Grand Champion Market Barrow and Grand Champion Market Gilt.

121 BORN & RAISED IN DEKALB COUNTY

The DeKalb Area Pork Producers is sponsoring a class for locally bred and raised swine. To be eligible for this class, hogs must be locally raised by a member of the DeKalb Area Pork Producers. Swine also must be nominated by the person who bred and farrowed the animal. Each 4-H member is only allowed 1 nomination. Nomination forms will be available at weigh-in on Friday night of the fair. These forms must be filled-out with a nomination fee of \$10 per animal, to be paid by the breeder of the animal. Premiums will be prorated according to the number of participants in each class. The Pork Producers will supervise this class and will provide the recognition of the top individuals.

SWINE SHOWMANSHIP

1. Showmanship Judging will be based on: Appearance of Animal 40%; Appearance of Exhibitor 10%; and Showing Animal in Ring 50%. The showmanship class will take place at the end of the swine show.
2. There will be three divisions: Junior Division (members 11 years & under as of Sept. 1, 2023); Intermediate Division (members 12-14 years old as of Sept. 1, 2023); Senior Division (members 15 years & older as of Sept. 1, 2023).
3. Participants will always compete in their age appropriate division, and there is no limit to the number of times they may win their age division.
4. The winner in the senior division is eligible to compete in the Showmanship Sweepstakes, which will be held on Sunday, August 4, 2024 at 10:00 a.m. in the swine arena.
5. Classes are open to all who are interested.

6. An exhibitor entering showmanship competition is required to show his/her own animal fitted by himself/herself.
7. The judge will select a top winner from each age group. Awards for this contest are sponsored by both 4-H and the DeKalb Area Pork Producers. **4-H premiums will not be paid.**
