

Plant a Tree on: **Saturday, April 27** **9-11 AM** **Afton Forest Preserve** **(located at 13600 Crego** **Rd. DeKalb)**

Illinois once held 14 million acres of trees but that number has dropped to 5 million due to modern development practices. Illinois 4-H is helping to turn the tide by planting 25 oak trees in DeKalb County and 43 other counties in Illinois.

Along with planting trees we will also do fun hands-on activities about trees and go for a spring time hike.

This is a joint project between the IASWCD Forestry Committee , Illinois 4-H and the DeKalb County Forest Preserve with funds granted from the Illinois Forestry Development Council and Illinois 4-H Foundation.
