

# 2025 LOGAN COUNTY

## 4-H Achievement Recognition

## Logan County Award Selection Criteria

### 4-H Records

Completing your **4-H Records** is the annual process of tracking what you accomplished through the year. Your Records include two sections:

- Activity Lists - lists of project learning, community service, leadership, and participation you completed in the past 3 years.
- My 4-H Story - a story about what you learned, challenges you faced, and what you plan to do in the future.

### Why should I do 4-H Records?

- Celebrate your accomplishments and earn prizes!
- Practice organizational skills
- Be ready for future college, scholarship, and job applications.

### How do I get started?

Keep notes about what you do throughout the year to help you remember everything. You may want to fill out a Records Tracking Sheet every month and keep them all in one place.

### What happens next?

At the end of the 4-H year (August 31), use your notes to complete a Records Form and turn it in to your club leader. Records are reviewed at the county level, and you will be given feedback. The reviewers are more interested in what you learned than what you did, so focus on the things that are most relevant and leave out things that are less important.

It's completely fine if your Records are small your first year. It's never too late to get started, and your accomplishments will grow every year!

### How are 4-H Records judged?

The age of the 4-H member and years in the program will determine how they will be scored. Age categories include 8-10, 11-13 and 14-19. Cloverbud records are eligible for participation awards, only.

The scoring rubric looks at personal information, 4-H meeting attendance, award areas, 4-H project learning, community service, leadership, participation, and 4-H story content. Judges will assign a number for each category based on the age and rubric guidelines set forth in each of the categories. Those who score 38-31 points will be receiving an excellent standing and are deemed a top award winner; those who receive a score of 30-23 will be receiving a standing of very good; a score of 22-15 receives a good standing; a score that is 14 or below will receive a standing of fair.

More information about 4-H records can be found at <https://extension.illinois.edu/lms>

**Atlanta Ag 4-H Club**
