GENERAL INFORMATION

GENERAL SHOW RULES

1. 4-H show dates are set in the winter and posted in the 4-H newsletter. 4-H exhibitors should check the show schedule carefully to find the date, time, and place for judging of each of the projects in which they are enrolled.
2. Exhibitors in a 4-H Show must be enrolled in ZSuite for the current 4-H year and must be an active 4-H member in good standing. "**Active**" means **fulfilling club expectations**. Members with inactive status are not eligible to exhibit or receive 4-H premiums.
3. Entries for the 4-H Show must be made at <http://mason4-hfair.fairentry.com> **ALL ENTRIES ARE DUE BY MIDNIGHT ON JULY 1, 2025.**
4. **All general 4-H projects MUST be made by the member during the current 4-H year, which runs September 1, 2024 – August 31, 2025, and MUST be dated as to when they were made.** All livestock must be owned and cared for by the 4-H member.
5. Members must exhibit their project requirement at the appropriate county 4-H show to receive premium money. **There will only be one premium paid for each project area in which the member is enrolled.** (See projects listed on page 3) If the member wishes to show more than one item, such as multiple Visual Arts media projects or more than one type of Consumer Education exhibit, they will receive no additional premiums, but will receive a ribbon and the chance to be chosen for State Fair or Best of Show. The premium will be paid on the highest rating if more than one item is exhibited for a project.
6. If a member brings a project exhibit to the show for which he or she is not enrolled, the project will be judged but no premium will be paid and no best of show or state fair advancement will be allowed.
7. **Exhibits not following requirements will be marked down one level.**
8. **Project Manuals:** Some projects require a project manual, book, workbook, or guide. These are indicated with a book icon. 
9. The following projects have a January 3, 2025 enrollment deadline. All other project enrollments and changes are due May 1. They will not be accepted after this date. Projects with a January 3 deadline are: Beef, Goat, Sheep, and Swine. A young person may join 4-H at any time of the year, but to show at the 4-H Shows members must adhere to the above deadlines.
10. Each 4-H entry will be judged on its own merit and not against another 4-H member's project. Exhibitors will be interviewed by a project expert about their project.
11. Members required to be present during judging. If a member is unable to be present, a written report is required to be included with their exhibit. Call Joli at the Extension office prior to the show to obtain guidelines for the report. **Exhibitors MUST be present for judging to be considered for selection to exhibit at State Fair.**
12. Exhibit requirements are not necessarily the same as the project requirements.
13. **INNOVATION CLASSES** are open to all 4-H members in the project areas listed. Members choosing to exhibit in the Innovation class may be enrolled in any level of the project they are studying. Members choosing to exhibit in the Innovation class decide the best way to show off their project mastery and knowledge for the year in that project category. Some suggestions are provided for each category, but members may choose any method they want for demonstrating project learning as long as it does not fit in any other class in that category. Only selected projects categories have an Innovation option.
14. Showmanship awards and/or Best of Show rosettes will be awarded in all project areas.
15. State Fair selections (non-livestock categories) will be made during the 4-H judging, at the **judges'** discretion.
16. Space is limited. See specific requirements with each project. Floor exhibits are not limited **unless** indicated in a specific project section.
17. Extension Staff reserve the right to make final interpretation on any controversies, covered or not covered in

the 4-H Show Book.

18. Judging Standards sometimes change from year to year, based on state requirements. Judging sheets are updated yearly. Copies of the most current judging sheets can be obtained at the Extension office.
19. For most 4-H projects, the standard scoring system is:
 - a. Blue = Very Good, Exceeds Standards
 - b. Red = Standard
 - c. White = Needs Improvement
20. If you are a person who needs a reasonable accommodation to participate in any 4-H Show or the Fair, contact University of Illinois Extension, Mason County office, at 309-543-3308, at least two weeks prior to the event.
21. University of Illinois Extension personnel or volunteer helpers will not be held responsible for damaged or stolen projects at any of the 4-H shows.
22. All 4-H ribbons, tags, and judging sheets **must** be removed from projects, or the project removed at 3 p.m. on Monday, July 21, 2025. The Extension office will not be responsible for projects left after the release time.

**State Fair Conference Judging scheduled
for Mason County 4-H Members General Projects**

SATURDAY, AUGUST 9

4-H PREMIUMS

1. All exhibits in the Mason County 4-H Shows will be judged on the Danish Judging System. Each completed exhibit meeting the project show requirement will receive either a Blue, Red, or White award ribbon.

A = Blue = Superior (3X)

B = Red = Good (2X)

C = White = Fair (1X)

The dollar value of X will be determined after the county shows, depending on the number of exhibits and the amount of money allotted for Mason County 4-H Shows. This amount is based on the number of enrolled 4-H members and paid from funds received from the State of Illinois (*see disclaimer). An exhibitor can claim only **one premium per project** as listed below. (See Gen. Show Rule #5)

2. 4-H premium checks will be mailed to members. There will be an insert that will list projects exhibited, ratings, and premium money. If there is an error, the 4-H member must present his/her ribbon as proof of exhibiting to the Extension office. No additional premiums will be paid without the ribbon as proof of rating. **This rule makes it vital that you keep your ribbons!**
3. **Tax implications for prizes, gifts, or awards-** Program participants (including minors) will be required to provide their social security number or foreign national tax ID number prior to receiving a prize, gift, or award of \$100 or more to ensure proper IRS reporting as required by law. This sensitive information is kept confidential and handled through security protected software (PEAR). Participants will not be eligible for prize, gift, or award if social security or foreign national tax ID information is not provided.
4. 4-H projects are shown at 4-H shows and paid premiums. 4-H activities are not shown at 4-H shows and are not paid premiums. These activities will add credit to 4-H recognition awards applications due at the Extension Office August 29, 2025.

* "The Department of Agriculture shall use its best efforts to secure sufficient appropriations to fund premiums. In any year for which the General Assembly of the State of Illinois fails to make an appropriation sufficient to pay such premiums, premium amounts may not be accurately reflected in this Premium Book."

This will allow fairgoers to view the exhibits on display. There will be TV monitors at the exhibit table for viewing videos so exhibitors will NOT need to bring a laptop or device for viewing at the State Fair. However, at the county level, you need to bring your own device (including a way for your judge to hear your video) for viewing.

Articles exhibited must be an original design created by the exhibitor (except in Heritage Arts, which may follow a pattern, AND Fiber-Non-Original Ages 8-10 ONLY). *Copyrighted or trademarked designs are not acceptable; this includes team, school logos and/or characters from movies such as Mickey Mouse, Iron Man, etc. Kits and preformed molds are not considered original and are not acceptable in any Visual Arts Class.* Combining parts of different patterns (pictures, photographs, images from the internet or a magazine) with the member's own ideas can result in an original design, but simply changing the color, pattern and/or size of a pattern does NOT make the design original. This also applies for ideas found on a site such as Pinterest. If you see something on Pinterest that you like, you can use that idea as your inspiration, however, create something which is fundamentally different. It **MUST NOT BE AN EXACT REPLICA OF** something the judge can search for and find on Pinterest. The exhibit may combine parts of different patterns and/or ideas with the concepts of the member, however changing the color or changing the size of the item or pattern used does NOT make it original. If you

create an exact replica of what you see somewhere else, it is not your original design. If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit. Be prepared to explain how and where you got the idea for this project.

Use of the 4-H Clover: Chartered 4-H clubs and enrolled 4-H members are authorized to use the 4-H Name and Emblem. This includes permission for an enrolled 4-H member to use the 4-H name and emblem in exhibits created for personal use and as part of 4-H sponsored events. This includes 4-H decorated cookies, a 4-H clover printed for use in a scrapbook or included as part of any other 4-H exhibit. Use of the green clover shaped image is not protected. The 4-H “emblem” is distinguished by the four H’s that signify Head, Heart, Hands and Health. **No creative rendering, changes in color or shape of the official 4-H emblem is allowed.**

NOTE – Any use of the 4-H name and emblem on items intended as **gifts or for sale locally** requires prior permission from your local Extension office. Your Extension office will be able to provide you with the form which must be signed by the Extension County Director. Any uses of the 4-H name and emblem for sale or promotion **online, and/or in statewide events** should be signed by the Illinois 4-H Program Leader (Illinois4H@illinois.edu).

Copyright Guidelines: A Tip Sheet for Preparing Your 4-H Project Exhibit

Important Reminder: While creative expression is important and valued, it is illegal to reproduce a trademark or likeness you do not own or have not received permission to use. This is called copyright protection. It is similarly illegal for youth to use an image or brand that someone else owns as part of their 4-H project exhibit without the permission of the copyright/trademark holder.

Use of the 4-H Name and Emblem

Chartered 4-H clubs and enrolled 4-H members are authorized to use the 4-H Name and Emblem. This includes permission for an enrolled 4-H member to use the 4-H name and emblem in exhibits you create for personal use and as part of 4-H sponsored events. This includes 4-H decorated cookies, a 4-H clover printed for use in a scrapbook, etc.

Please note: Any use of the 4-H name and emblem on items intended as gifts or for sale require prior permission using [the form linked here](#). This should be signed by the Extension Director in your county. Any uses of the 4-H name and emblem for sale or promotion online, and/or in statewide events should be signed by the Illinois 4-H Director (Illinois4H@illinois.edu)

Use of the green clover shaped image is not protected. The 4-H “emblem” is distinguished by the four H’s that signify Head, Heart, Hands and Health. No creative rendering, change in color or shape of the official 4-H emblem is allowed. Approved 4-H emblem and details can be found at <https://go.illinois.edu/CloverResources>

Use of other copyright materials

- Youth cannot feature a trademarked character, image, logo in their art without permission from the owner. Everything that is current or popular is trademarked. Examples include:
 - No Mickey Mouse ears or popular characters as cake decorations
 - No painting of school logos (except with written permission) on wood items
 - No company logos, etc. embroidered or quilted on fabric
- Youth CAN use legally sourced branded items as part of their exhibit. Youth **may NOT** replicate a company’s logo, character, branding as part of their exhibit. Huh?
 - They can use Disney art embellishments in their scrapbook project if they purchased the embellishments from a licensed source; they cannot create their own
 - They could use the tailgate of a Ford pickup as part of their woodworking project because the truck was legally created by Ford; they could NOT paint the same logo on the woodworking project.
 - They could add plastic characters they bought on a cake, but they could not recreate the same character with fondant.
- Even military emblems are protected by copyright. Some are allowed; others not. <https://dod.defense.gov/Portals/1/Documents/Trademarks/DOD%20Guide%20about%20use%20of%20seals%20logos%20insignia%20medals-16%20Oct%2015F.PDF>

Frequently Asked Questions:

Question: Can I create fan art depicting copyrighted characters drawn as illustrated (example Mickey Mouse in a scene from Fantasia)?

Answer: This is never allowed without permission of the trademark owner (Disney, Marvel, etc)

Question: Can I create fan art depicting copyrighted characters in imagined scenes (Black Panther doing something but it’s not a movie scene)?

Answer: No, this is never allowed without permission of the trademark owner (Marvel) regardless of the real or imagined scene. There would have to be substantial “transformation” of the character to be allowed.

Question: What does “substantial transformation” mean?

Answer: This is where your creativity can shine! This means while you draw inspiration from a copyrighted work, you also change the purpose, look and/or feel. An example from above could mean taking the scene of Mickey Mouse in Fantasia and recreating it as a mosaic. Or reimagining Black Panther in an Impressionist look and feel.

Try asking yourself, “did I *recreate/reproduce* the original work to illustrate my skill, or was I *inspired* by the original work to create something new and different?”

Question: Can I create depictions of famous people (an art depiction of Mariah Carey for example)?

Answer: The exhibitor would need permission of the copyright owner of the PHOTO they used to paint Mariah. This is the main hang-up in using a celebrity’s image. The private use of their own photo of Mariah is allowed if they are not profiting from its use, the likeness does not negatively impact the celebrity, their privacy was not violated to get the photo.

More Information About Showmanship

The definition of showman in the Merriam-Webster dictionary is a person having a special skill for presenting something in a dramatic way. Showmanship is the skill or ability of a showman, so when we think about understanding the basics of showmanship when showing animals, we must think about the person doing the showing.

Showmanship is about the person handling the animal, presenting and showing the animal to the best of a person’s ability. It is about making sure the showman is always looking at the judge. Showmanship is really about how hard a person has worked, prepared and presents their animal to the judge.

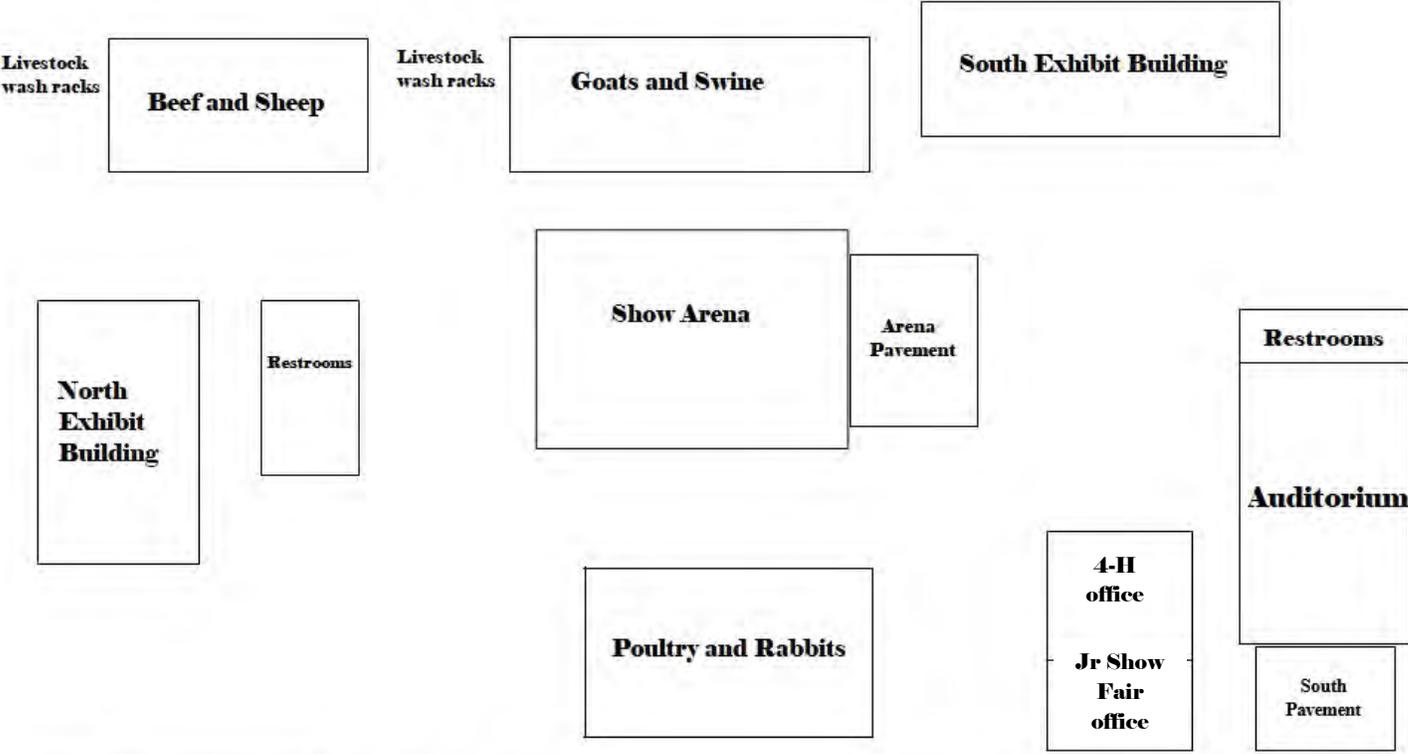

Judges may be looking at your animals to evaluate them, but in showmanship they are evaluating the showman and how he or she is working with their animal and handling themselves. Showmanship is about teamwork, an important life skill, where the youth and animal learn to work together and demonstrate their hard work for a judge.

Here are some important things to know about showmanship.

- **Parts of the animal.** During showmanship, many judges will ask participants about different body parts. A showman should know their animal and where the different body parts are. Younger youth should learn the basics, but older youth should know all the parts. Before a show, practice identifying all the body parts.
- **Position of the animal.** The judge wants to see the animal, so during showmanship the judge should always see you and the animal. Each species has different ways of being presented for the judge, so know how to position your species for the show. Most of the time, you want to keep the animal between you and the judge.
- **Keep an eye on the judge.** One of the most important things in showmanship is knowing where the judge is and always keeping an eye on them. If the judge signals you to do something or tells you to stop, it is important to be paying attention.

Judges will also be asking questions of you to gauge the knowledge you have gained about your project. Be prepared to answer questions about the care of your animal.
