Illinois Extension office suspends regular office hours: McHenry and Lake Counties

As the University of Illinois continues to address the impacts of COVID-19, the safety and well-being of our staff and communities remain our top priorities. Following [Centers for Disease Control and Prevention \(CDC\) guidelines](#), campus leadership has implemented social-distancing protocols that include most faculty and staff working remotely, effective March 17, 2020.

What does this mean in our community?

- University of Illinois Extension has suspended normal office hours at our office located in Woodstock and Grayslake. While our staff will still be working, they will largely be doing so remotely, in most cases from their homes.
- ALL face-to-face events organized by Illinois Extension have been cancelled, suspended, or transitioned to online delivery. This will apply to all events previously scheduled through May 31, 2020. Please check our event calendar at <https://extension.illinois.edu/lm/events> to learn more about the status of any of our events. (See below for 4-H events.)

We will do our best to address your needs in a timely manner. We appreciate your patience and understanding as we manage through these challenging times. If you have a question about a 4-H event/program listed below, contact Michele Aavang at maavang@illinois.edu. If you have an urgent situation, please contact James Reaves at jereaves@illinois.edu.

Illinois Extension event cancellation notice: McHenry County 4-H

- Effective immediately, ALL face-to-face events organized by Illinois Extension have been cancelled, suspended, or transitioned to online delivery. This means that all 4-H club meetings are cancelled through May 31, 2020 unless otherwise notified.
- During this time, we are committed to supporting you in your continued 4-H project experience at home. Right now, we are preparing a series of statewide 4-H Online engagement opportunities through our Facebook page (Illinois 4-H). Please check there for updates. As additional resources are identified, we will share through social media and e-newsletters.
- We know that you may also have questions and concerns about summer events. We will be actively monitoring the situation and providing updates as they are available. We know that you have put a lot of work into your 4-H projects. Be assured that we are exploring all possibilities for providing continued judging, exhibit, and showcase opportunities.

Program Coordinator, 4-H and Youth Development

The following message is from the MCHENRY COUNTY 4-H YOUTH FOUNDATION:

Your continued support of our McHenry County 4-H Youth is sincerely appreciated. In light of the coronavirus (COVID-19) situation and in respect of our youth, supporters and communities health and well-being, we are postponing our annual String Tie Affair event currently scheduled for Saturday April 18, 2020 at Jameson's in Huntley, IL. The new date for the String Tie Affair year 2020 is yet to be determined. We will advise as more information unfolds.

The String Tie Affair is the primary fundraising event held to support our McHenry County 4-H Youth program. This events success acts as each year's financial catapult for the foundations support of extension, youth scholarships and other funding.

Any monetary donations continuing during this turbulent historic time are very much appreciated.

- *Via check, mail to; McHenry County 4-H Youth Foundation, P.O. Box 1430, Woodstock, IL 60098*
- *Via electronic, donate on; <https://mc4hfoundation.wixsite.com/mysite>*
- *Kindly hold on to your silent auction basket donations until further notice as we will need and appreciate them for the new String Tie date.*

Thank you for being a part of our McHenry County 4-H Youth support team.

Stay well.

McHenry County 4-H Youth Foundation

To 4-H youth and families,

I hope you are all studying hard at home and enjoying some good quality family time! (*Parents, that goes for you too!*) If you are feeling isolated, don't hesitate to reach out. I might not be in the office but I am still working online from home.

While everyone is going to be spending time at home, I thought maybe we could come up with some positive, creative ideas to keep our 4-H community informed and participating in 4-H. While clubs may not be meeting for a while, maybe we could do some things to keep everyone's spirits up while capturing some 4-H activities to post virtually. We could also help to educate the public and shine some light on what we do in 4-H for those that don't know much about us.

I am looking for ideas (beyond my own thoughts) so I am calling on YOU! This is YOUR program, what do YOU think we can do to keep 4-H families involved?

Here are just a few things I was thinking... We could post some videos or photo stories from the "field" (*wherever you are*) about true Ag Education from first-hand experience. If you have livestock, are getting ready for planting season, hatching eggs, planting seeds for you garden or anything other projects you are working on, this could be a great opportunity to capture your story. We could showcase other projects that emphasis the 4-H is not just agriculture but so much more! Sewing, knitting, robotics, electricity, welding, hiking, wildlife, drawing, beekeeping, woodworking, staining, or whatever your interests are, we want to hear from YOU! Send in pictures of your favorite past projects, from previous fairs or activities so we can show you in action!

These are the platforms we have to work with so far:

Instagram:

https://www.instagram.com/mchenry_county_4h/

Facebook @4HMcHenryCounty

Short 2-3 minute videos of a tour of your farm, a 4-H project activity or teaching a skill would be a great place to start. Send a link to a video or a file (if it's not too big) to me by email or share it to the Facebook page. If you don't want to make a video, send us some pictures with captions or a short write-up about what you are doing. Or just one photo with a short caption for an Instagram post. Be sure that if you are sending in a picture of yourself, you and your parents MUST have agreed to the Photo Release in 4HOnline. *Login and review if you are unsure.*

If you have a suggestion, please let me know and we will *Make It Happen!*

I want to send a HUGE Thank you to those that have been sending some things in over the past week! WE appreciate your call to action! Keep watch on our Instagram & Facebook pages for your post. Quincy has been working very hard to keep up with all the activities. The two of us will be coordinating an effort to highlight everything we receive.

- Sign in begins 9:00am. Presentations begin 9:15am.
- Members must be enrolled in Communications: Public presentation OR Horse projects in **4HOnline**

One of the most important skills that 4-H members can learn is to speak in front of a group. In 4-H, members have many opportunities to practice this skill. Besides doing presentations at the club meetings, members have the opportunity to participate in the Public Presentation contest.

This contest is open to all youth interested in presenting in the following categories: formal speech, illustrated speech, oral interpretation, or an original work.

Horse project members are eligible to participate in Horse Speeches for points toward Horse Master.

COMMUNICATIONS: PUBLIC PRESENTATIONS

1. **Formal Speeches** (4-8 mins) share the presenter's own unique view and are intended to motivate, persuade, or inform an audience and may include a call to action. Youth deliver a speech on any topic they wish (Original Oratory), or choose one of the four topics on which to speak (Topical Response)
2. **Illustrated Speeches** (4-8 mins) may be used to inform, persuade, or motivate the audience while using a visual aid. Visual aids may be two dimensional, three-dimensional, or digital. Youth may include audience participation.
3. **Original works** (4-8 mins) must be written entirely by the presenter. It may be presented as an individual or a two-person team entry. Manuscripts must be sent in advance to the contest. Presentations may be designed for TV, radio, or online media and must be presented live.
4. **Oral Interpretation** (4-8 mins) must be published works, and manuscripts or transcripts must be submitted prior to the event. They may be presented as an individual or a two-person team entry.

HORSE SPEECHES - *Horse Project members may earn points towards the 2020 Horse Master Competition*

1. **Original individual formal speech** - *Junior 5-10 minutes, Senior 7-10 minutes*
2. **Original individual presentation:** *9-12 mins. either demonstration (step by step process) or illustrated talk on an idea or topic; both use visual aids.*

3. **Original team presentation:** 10-15 mins. either demonstration (step by step process) or illustrated talk on an idea or topic; both using visual aids.
4. **Interpretive Reading** 3-5 mins is the art of reading aloud from a printed page. The reading must be published works that are horse-related. They may be prose, poetry, short stories, play cuttings, narratives, book or review, or theatrical.
