2. **Illustrated Speeches** (4-8 mins) may be used to inform, persuade, or motivate the audience while using a visual

aid. Visual aids may be two dimensional, three-dimensional, or digital. Youth may include audience participation.

3. **Original works** (4-8 mins) must be written entirely by the presenter. It may be presented as an individual or a two-person team entry. Manuscripts must be sent in advance to the contest. Presentations may be designed for TV, radio, or online media and must be presented live.
4. **Oral Interpretation** (4-8 mins) must be published works, and manuscripts or transcripts must be submitted prior to the event. They may be presented as an individual or a two-person team entry.

HORSE SPEECHES - *Horse Project members may earn points towards the 2020 Horse Master Competition*

I am a 4-H Alumni. I was in 4-H for 8 years. Majority of my 4-H years was with Hebron Helping Hands. I also have been a 4-H judge for a couple of years. I am working as a school social worker providing social work services online during this crisis as well as teaching social emotional lessons. I miss seeing the kids, helping them in their difficult times, and helping them reach their goals. I have three other family members who are McHenry County 4-H alumni as well that have been dedicating their "hands for larger service" as well. Two school staff and one that works for the police department. Teaching and protecting the community during this crazy time. We love 4-H and we love being there for our community.

Jennifer Wittum 4/19/2020

Today's highlight is 4-H Alumni, Jennifer (Jacobs) Wittum. Jennifer has been a teacher at Big Hollow Middle School in Ingleside, Illinois for 17 years. She misses seeing her students in person every day. She stays in touch with them through emails, phone calls, zoom meetings and texts. Jennifer and her students are and looking forward to being back at school so they can continue the great year they were having. Throughout all of this, Jennifer feels very fortunate to be at home with my two 4-H sons. They are very lucky to have their livestock animals and have enjoyed some extra time with them lately. Jennifer is a third generation McHenry County 4-H alumni, where she is leader and 11 year member of Busy Three 4H club. Jennifer has volunteered on the beef committee for 20ish years and is currently beef superintendent, overall 4-H Livestock Superintendent and secretary of the livestock auction committee. We thank Jennifer and ALL teachers for their continued devotion to learn students!
