Hello 4-H Families,

Happy April Fool's Day! I'm excited to see the calendar roll over to April this year, as I'm sure you are too! The flowers are blooming outside my office and the night's are staying lighter longer! Summer is around the corner! Please take a moment tonight and make sure you are enrolled in the projects you want. Tonight is the deadline to add any projects. Today is also our new member enrollment deadline. I want to welcome 4 new families to our county 4-H:

Elena Tuten- German Valley Golden Eagles

Liesl Jones- Lena Lucky Clovers

Jesse & Parker Marsh- Lena Lucky Clovers

Colbie Roberts- Lena Lucky Clovers

Please feel free to ask as many questions you may have to either myself, your leader, or other families in 4-H. We really are a 4-H family around here, and are more than happy to help answer any questions!

I have added another date for the YQCA In-Person training. If the first date wasn't good for you, hopefully you can make the 2nd one. You only need to attend one or the other, NOT both.

I hope you and your family have a blessed Easter!

Happy Easter,

~ Brenda Heimann

Stephenson County 4-H News

4-H UNIVERSITY APP- The State 4-H Office has launched a free app for all androids and iPhones called “4-H University.” Currently, this app will feature “Cooking 101” material, pro-ject manual for the “Technology: Drone” project and material for the new “Maker” project. You may find this app on the Apple Store and Google Play Store.

Manuals: The next set of manuals have been sorted and are being picked up by leaders! If you ordered some recently they should be getting handed out at your next 4-H meeting. I will order one more batch of manuals on April 2nd. After this date no more manuals will be ordered for this 4-H year. The link to order is: [https://](https://illinoisaces.co1.qualtrics.com/jfe/form/SV_bKHndI7TOo9t51T)

illinoisaces.co1.qualtrics.com/jfe/form/SV_bKHndI7TOo9t51T

PUBLIC PRESENTATION CONTEST IS BEING HELD:

April 20th, 2021

At the Highland Community College Campus-
Building N-Rm 107

At 6:30p.m.

Online registration is open NOW—April 15th.

If you signed up for this project area you should have received an email from the Extension office giving you more information.

Due to Covid-19 restrictions we are limiting our audience this year to **ONLY** the member and 2 spectators.

Quality Assurance and Ethics Training— The Quality Assurance and Ethics training is required for all youth that enroll in **horse, rabbit, poultry, dog, cavy (guinea pigs), and cat**. Members must take the training whether they own a live animal or not. It is advised that they complete this one time as soon as they are enrolled in the project area.

Counties will monitor completion of this. Failure to complete QA&E will result in the member's animal science project enrollment being cancelled and they will be ineligible to exhibit at county fairs. The website is open year round @ <http://web.extension.illinois.edu/qaec/>.

The deadline to complete this training is June 1, 2021.

HORSE LEASE/OWNERSHIP PAPERWORK— All horse paperwork is due on May 1 in the Extension Office. This means you must own a horse or have one leased by this date. All horse show exhibitors must have completed the QAEC at least once in their career. You must turn in the ownership/lease form, must have a lifetime liability waiver on file, medical release, and your guidelines and policies forms. You must take NEW pictures. Pictures from previous years have been discarded. I will email these to you!

Please keep in mind that you are NOT required to turn in your Coggins at this time. You will be required to have it “in hand” for the 4-H fair or any show/clinic that you participate in, however.

4-H ONLINE:

4-H families and leaders are now able to log in to 4-H Online and view their projects. If you want to add or delete a project— you can do that now as well! All new projects must be added by April 1.

SUMMER SHOWS: 4-H staff across Illinois are excited about the possibility of stepping back into face-to-face judging this summer. Stephenson County 4-H is planning for in-person Summer Shows. Although I do not have all the answers at this time, I can say with certainty that things will look different. The decisions that will be made in the upcoming months will be based on local conditions and will reflect the requirements of the Illinois Department of Public Health and University of Illinois event guidelines. These mitigation protocols may also be modified to reflect any requirements of the local public health department (based on local conditions at the time of the event).

This is an evolving situation. Please keep in mind that Illinois 4-H reserves the right to adjust or cancel events in the case of identified risk, such as changes in local COVID conditions or known instances of non-compliance with safety guidelines. I will be sending more information in the upcoming months. You will be responsible for reading, understanding, and complying with all guidelines. Here are some dates for you to begin thinking about (keep in mind these may change).

TENTATIVE:

4-H Clothing & Textiles, Candy Making,

Cake Decorating & Flower Arranging— Friday, June 25th

General Projects Day - Wednesday, July 7th

June 25

Sheep Ewes & Rams

STEPHENSON COUNTY 4-H INFORMATION:

Program Book Cover Contest– Winner

Addison Tiesman– Lena Lucky Clovers

STEPHENSON COUNTY 4-H INFORMATION:

It's that time of year again! If you are a 4-H Member showing: sheep, swine, dairy, goats, or beef you will need to do your Youth for the Quality Care of Animals (YQCA) training again BEFORE the June 1st deadline. This is for all members ages 8-18 showing livestock for a 4-H show. There are two ways you can get the training:

- 1) You can take the online training (there is a test at the end) and the cost is \$12, per student. The link to do that is <https://yqca.learn-grow.io/> You **MUST** use your 4-H Online information to create an account and gain access to the course. **DO NOT** use the FFA/ Independent sign-in. Once completed please print 2 copies of your certificate– 1 needs to be given to the Extension office before June 1st, and the other one travels with the 4-H member to the shows.
- 2) **Instructor-led training– this is being held at the Farm Bureau Building April 10th OR April 24th from 9:30-11 a.m. Pre-registration is required!** Go to: <https://yqca.learn-grow.io/> and select the in-person training (**LIMITED Seating– so SIGN up Early**) Cost is \$3, per student and **MUST** be paid at the time of registration. **You only need to attend 1 of these in-person trainings.**

REMINDER—

If you are showing any other livestock than the 5 listed above, you will need to complete the QAEC once in your lifetime. This is a free training completed online at <https://web.extension.illinois.edu/qaec/>. If you are showing one from each area, you will need to complete both. For example, if you are showing beef and a rabbit, you will need to complete both the QAEC and the annual YQCA.

Any Questions: you can reach Brenda at bheimann@illinois.edu

or 815-235-4125

4-H Dog SPIN Club Schedule 2021

University of Illinois Extension provides educational programs and research-based information to help Illinois residents improve their quality of life, develop skills and solve problems. If you need a reasonable accommodation to participate in this program, please call the U of I Extension office. Early requests are strongly encouraged to allow sufficient time for meeting your access needs. University of Illinois Extension provides equal opportunities in programs and employment. University of Illinois College of Agricultural, Consumer and Environmental Sciences - United States Department of Agriculture - Local Extension Councils Cooperating.

Life at 4-H Camp

We are very thrilled to announce that we will be hosting 4-H Camp - day camps this year! While we are unable to host an overnight due to COVID policies, we are excited to host three days of 4-H Day camp. These three days will give campers a similar experience to past 4-H camp without the overnight. We will again be attending Rock River Christian Camp, in Polo, Illinois. 4-H Day Camp will offer a variety of safely-led activities such as: archery, crate stacking, arts and crafts, hiking, zip-line, team building and large group games, as well as end each day with a camp evening program.

4-H Camp is open to a total of 75 youth each day that are between the ages 8-14 by June 15, 2021. Campers do not have to be a 4-H member to attend 4-H Camp. Youth may choose to attend, one, two or all three days for 4-H day camp. Camp runs from 9:00 a.m. to 8:00 p.m. with check-in and check-out procedures.

Camp Location

4-H Camp is at Rock River Christian Camp in Polo, IL. Rock River Christian Camp has 94 acres that have been transformed over the years into a beautiful facility for youth and adults.

Staff at RRCC are certified in First Aid, CPR and AED. There is a qualified first aid person at camp at all times. Campers select their own activities, and are supervised at all times. 4-H Youth Development staff extensively train all camp counselors. We strive to maintain an environment that both encourages personal growth and creates an unforgettable summer experience.

Junior Livestock Conference: Come join the State 4-H Livestock Ambassador

Team and get hands-on experience at this year's Junior Livestock Conference! This year's theme is "Making Your Mark" – There are so many ways to Make Your Mark in the livestock industry. Whether you are identifying a disease, branding a steer, developing a new feed ration, or being a leader in the industry – you can Make Your Mark in all things you do! In order to hold this event in person, number of participants has been reduced and the format of the conference has changed to a one-day conference. The conference will be offered on Saturday, April 24 and repeated on Sunday, April 25. Participants will choose one of those dates to attend. Registration is limited to 26 youth each day and spots are on a first come, first served basis. Note that maximum capacity for this event is often reached before the registration deadline.

- Options to Attend: Saturday, April 24 OR Sunday, April 25
- Open to any youth currently in 7th, 8th, and 9th grades
- Registration Link: go.illinois.edu/2021JuniorLivestock
- Registration Open: March 3, 2021
- Registration Closes: April 12, 2021

Participants will rotate through all workshops :

Poultry, Egg Judging, and Breed I.D.

Which came first – the chicken or the egg? From candling to egg judging, join us to understand the “egg”citing world of poultry. Not only will you learn to evaluate fertility in an egg, but you can preserve your knowledge by taking home a chick embryo.

Mastitis Testing, Milking a Cow

Come join us and try your hand at milking our mechanical cow and put your “Mark” of approval on a sam-ple of milk before it heads to the fridge!

Making Rope Halters, Saddle Fitting, Livestock Knots

By using the power of your own two hands, you can saddle up and lead the way to making your mark in your species by learning how to make temporary halters and how to tie safe and proper knots.

Livestock I.D. (branding, tagging, notching, etc.)

Make your mark by learning a wide variety of identification techniques utilized in livestock over time. This workshop will teach the importance of permanent identification, and offer hands-on experience of many methods including ear notching, tagging, tattooing, hot and cold branding, EID, microchipping and DNA tagging.

Junior Livestock Conference Cont'd

Nutrition Experiments, Feed I.D., Hay Judging

Join us in taking a closer look at ruminant and non-ruminant nutrition and the raw materials that go into these rations. Participants will engage in hands-on feed I.D., formulation, and digestion experiments.

Hoof Trimming, Bandaging, Wound Care

This station incorporates live animals for your hands-on bandaging, wrapping, and wound care practice. Hoof trimming will be explained and demonstrated by instructors.

Magna Wave Laser Therapy

Watch a live demonstration and learn various uses for magna wave laser therapy.

SIGN up today! Don't miss out!

ILLINOIS 4-H INFORMATION:

**TRY
SOMETHING
NEW!**

Career Sparks Series (Not a Summer Program)

Career Sparks is a unique opportunity for teens to **explore career paths** by connecting with highly successful young professionals in diverse industries.

We are looking for (3) youth who are highly energetic and interested in being in front of a camera to interview a young professional. Please contact Cindy Ogwal at cowusu@illinois.edu for additional information.

Discovering STEM in ACES

The pre-college summer programs have officially launched and wish to invite you to share with students grades 9-11 in your units. Many of you have known of the Research Apprentice Program (RAP) is held in person in campus. Due to Covid-19 pandemic we have decided to move forward this summer virtually. We have renamed the program to **Discovering STEM in ACES**. You can access more information at <https://aces.illinois.edu/academics/diversity/discovering-stem>.

Discovering STEM in ACES is a two-week virtual experience, July 11- 23, 2021, via Zoom from the University of Illinois. It is designed to help the students explore STEM programs dealing with food, environment, and human sciences. Students are selected based on grades, stated interest in STEM areas, letter of recommendation, and a final zoom interview. The application deadline is Friday-March 19,2021.

For students interested in exploring opportunities associated with becoming a veterinarian and working with wildlife, there is a program offered through the USDA called Ag Discovery Program. This program is also virtual via Zoom, July 11-30, 2021. The deadline to apply is Thursday- March 25, 2021. See the link to access the application: <https://academics.aces.illinois.edu/diversity/ag-discovery>

Both programs are **FREE!** We are available to visit your school or community organization virtually to talk more about both programs.

Please contact: Chicago area: Diana Rodriguez, 773-540-1990, drodrz1@illinois.edu, Other Illinois area: Dr. Jesse Thompson, 217-333-3380, jthomps5@illinois.edu

I hope that your students will seek to experience these STEM opportunities here on the University of Illinois campus. The graduation rate for this program is 96%, and 37% went on for graduate and professional degrees.

ILLINOIS 4-H INFORMATION:

If you do gardening with kids or have them do service projects such as bring food to food pantries, you might see something on our NDSU Extension webinar list you want to attend.

<https://ndsu.us8.list-manage.com/subscribe?u=b303ec77430a20180bc6a4b92&id=502444b486>

Sign up below to register for the Field to Fork Weekly Webinars from NDSU. Depending on your state, you might see some familiar names!

The free webinars will be held each **Wednesday from 2 to 3 p.m. Central time February 10 through April 21**. They will be archived for later viewing; however, participating in the “live” webinar allows you to interact with the presenter.

When you sign up, you'll receive two reminder emails, a link to an evaluation survey, and a message about how to access the recording for each of the 11 webinars below:

- Feb. 10: Shopping in a Garden Center: Tips for Customers and Managers - Don Kinzler, NDSU Extension agent - horticulture, Cass County
- Feb. 17: Growing Safe Produce for Distribution to Food Pantries - Barbara Ingham, professor and Extension food science specialist, University of Wisconsin-Madison
- Feb. 24: Hot Topics in Food Preservation - Karen Blakeslee, Extension associate, Kansas State University
- March 3: High Tunnel Cut Flower Production - Esther McGinnis, associate professor and Extension horticulturist, NDSU
- March 10: The Best Vegetable Varieties for 2021 - Tom Kalb, Extension horticulturist, NDSU
- March 17: Weed Control in the Home Garden - Randy Nelson, Extension home horticulture and agriculture production systems educator, University of Minnesota
- March 24: The “Good” Creepy Crawlers in Your Garden - Janet Knodel, professor and Extension entomologist, NDSU
- March 31: Maple Syrup Production - Joe Zeleznik, Extension forester, NDSU
- April 7: Hot Topics in Nutrition: Why Eat Fruits and Vegetables, Anyway? - Julie Garden-Robinson, professor and food and nutrition specialist, NDSU
- April 14: Tips for Selling Food Safely at Farmers Markets - Londa Nwadike, food safety specialist, Kansas State University and the University of Missouri
- April 21: How to Start a New Food Business - Amy Illg, program administrator, North Dakota Department of Health, Division of Food and Lodging

Illinois Extension to Offer Get Growing Webinar Series

Join Grant McCarty, Illinois Extension Local Foods and Small Farms Educator, for the Get Growing Webinar Series. The series will be held on Thursday evenings beginning April 22 and going through May 13. The presentations will be from 6:00 to 7:30 p.m. each evening and will be held via the Zoom platform. You must pre-register to receive the Zoom link to join the presentation. The series is being held free of charge, but donations are being accepted to help offset the cost of Extension programming. To register or for more information visit us online at go.illinois.edu/jsw or call us at 815-235-4125.

April 22: Growing Perennial Vegetables (Rhubarb, Asparagus, Horseradish)

April 29: Raspberry and Blackberry Production for the Backyard

May 6: Raised Bed and Container Vegetable Gardening

May 13: Weed Management in the Vegetable Garden
