

4-H Activity Allowance

Sponsored by Marshall-Putnam 4-H Federation

From funds raised at 4-H events such as the 4-H Food Stand, Silent Auction, Pie Auction, Plant Auction

The purpose of the Activity Allowances is to encourage and support 4-H involvement beyond the county level. Any active Marshall-Putnam 4-H'er is eligible to apply for an allowance.

Allowances are reimbursements after the 4-H'er has successfully participated in the 4-H event. Federation will decide the reimbursement amounts on an individual basis, for up to half of the event registration cost. The 4-H Activity Allowances will not cover extra expenses (not included with registration fee) such as meals, t-shirts, travel, and hotel.
