WE TRANSFORM LIVES
Everything we do is designed to improve the quality of life of the people in the state of Illinois, across the nation, and around the world. We discover, develop, translate, and disseminate knowledge to address societal concerns and train the next generation of experts and leaders in a way that empowers them to expand the boundaries of science to higher levels of understanding and influence.

Be a part of our story. Through learning partnerships that extend knowledge and change lives, University of Illinois Extension provides educational programs aimed at making life better, healthier, safer, and more profitable for individuals and their communities. Illinois Extension has operated continuously for more than 100 years connecting the citizens of Illinois to their land-grant university by providing educational programming around the state. University of Illinois Extension is based in the College of ACES and works with all colleges and units of the University of Illinois at Urbana-Champaign.

The Extension Educator serves as a regular, full time, 12 month academic professional with primary responsibility for the development, delivery, and evaluation of educational programs supporting the mission of the University of Illinois Extension. Extension Educators support one of the four core Extension program areas and within that program area may focus on one or more of the following interdisciplinary initiatives: Community, Environment, Economy, Food, and Health. Programmatic objectives of Extension Educators will be consistent with national and statewide initiatives considered of significant importance to residents of the state of Illinois.

Extension Educators will be expected to deliver research-based educational programs and to work within team settings that may consist of other Extension Educators, community professionals, and faculty within and outside of the College of ACES. The establishment of professional networks as well as the development of relationships with key stakeholder groups is vital to the success of Extension Educators. Extension Educators will be expected to deliver educational programs not only within their assigned multi-county unit, but as requested, to clientele within other units.

The Extension Educator, 4-H Youth Development is expected to concentrate programmatically as a Multi-County Unit Educator. This programmatic concentration includes: Educate youth about critical youth development issues. Provide overall leadership to the entire 4-H Youth Development Program in a multi-county unit, focusing on 4-H Clubs, 4-H Groups, and Youth Education Initiatives. Ensure program planning, program monitoring, and program evaluation are consistent with local needs and statewide priorities. Implement organizational systems and programs by teaming with Program Coordinators, Community Workers, and Volunteers who assist with program management functions and teaching roles when appropriate. Guide all program expansion and program quality processes. Create higher ed, business and community partnerships to expand and support 4-H youth development program initiatives. Teach and provide training and support to skilled volunteers who teach and work with youth. Have expertise in youth development; youth program development; volunteerism; equity, access, and opportunity; partnerships; and organizational systems which is shared with others through volunteer trainings and professional development for staff.
