### Darker material

lighter material

A special logo for **embroidery** and absolutely nothing else

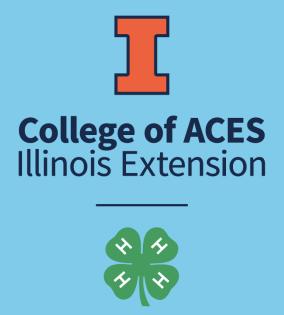

The wordmark has too many small details to be sewn in a loom

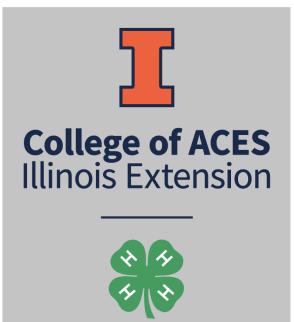

# Clear Space

clear space equal to the height of the I on all sides

clear space equal to the height of the bar of the I on all sides

clear space equal to the height of the I on all sides

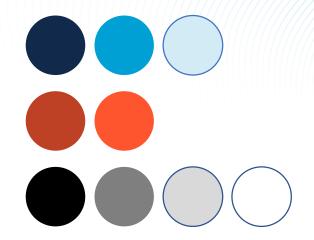

Small merchandise like pens or buttons can cram elements together to fit the space and use a single color to save money

Larger merchandise like shirts must keep trademarked Block I **isolated** on sleeve or back of neck

**Proximity on Merchandise** 

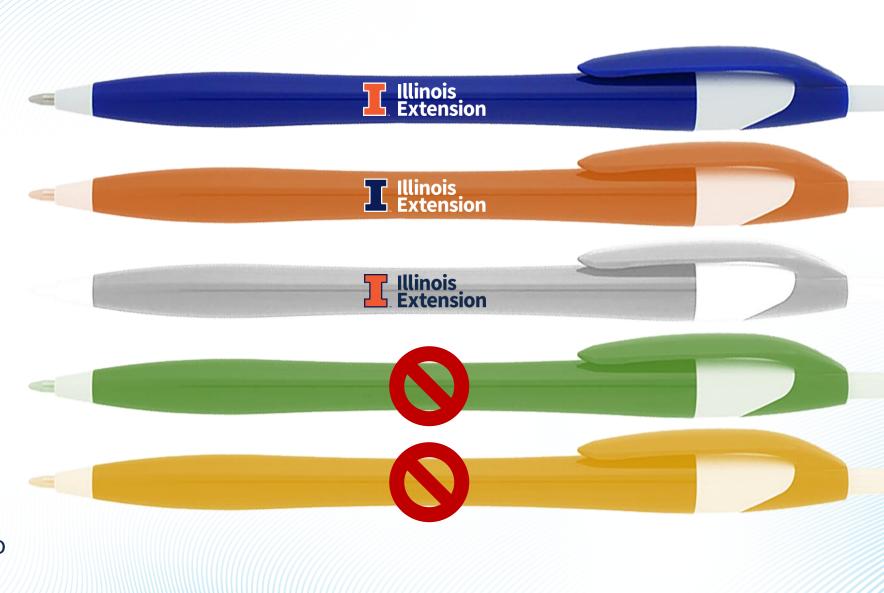

Merchandise must also be shades of blue, orange, greys, black, or white

Canvas bags are OK too

## Single Color Wordmark and Block I

When multiple color printing isn't available or you are trying to save money, solid versions of the trademarked Block I and Wordmark are available.

## FOUR SEASONS | 2021 Summer GARDENING | Webinar Series

University of Illinois Extension's Four Seasons Gardening program focuses on environmental stewardship, home gardening, and backyard food production.

Attend online from wherever you have internet access.

#### Top 9 Vegetable Garden Insects

Learn nine of the most common and destructive insect pests in your vegetable garden and how to control them. Join University of Illinois Extension Horticulture Educator Kelly Allsup as she shares tips on identification, scouting, prevention and organic methods of eradication. Whether you are new to gardening or a master you will walk away with tips to make the gardening season a greater success.

#### Themed Gardens: Design with Kids in Mind

Foster the love of gardening with the youth in your life by creating theme gardens. Join University of Illinois Extension Horticulture Educator Brittnay Haag as she shares ideas and tips for creating a special place for your young, hands-on learner to grow, explore and be creative. Whether it's at a school, community garden, or your backyard, theme gardens use plants and design elements inspired by a specific topic, such as favorite books, colors, foods, animals, or even places to visit-the possibilities are endless!

#### End of Summer Planted Fall Vegetables

Fall harvested vegetables tend to be sweeter as they finish growing as the temperatures are cooling and fall approaches. Join University of Illinois Extension Horticulture Educator Bruce J. Black as he shares some tips for planting fall vegetables, which vegetables are better suited for a late summer planting, and some information about how to store fall harvested vegetables for their longest shelf or storage life.

## Print or Digital or Merch?

Extension wordmark

The first things that people see when they visit your page or business, and to give **more context** for new viewers

- typically print materials
- posters, flyers, signs, tablecloth
- social media page banner
- video bumper

Block I

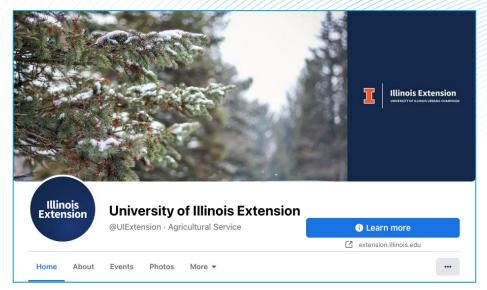

For content you've designed and posted on your network

- social media posts
- event banners
- not necessary for photos from events

Trademarked Block I

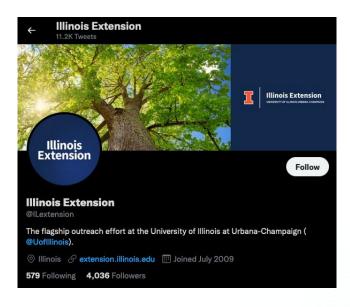

- shirts, hats, pens, buttons
- always use trademarked version on merchandise
- solid color available for saving money on ink colors
- Include words "Illinois Extension" within design
- keep Block I isolated, unless it's a tiny design like a pen
