COLLEGE OF AGRICULTURAL, CONSUMER & ENVIRONMENTAL SCIENCES

County Extension Director

POSITION OVERVIEW

The County Extension Director serves as a regular, full time, 12 month academic professional staff member with primary responsibility for providing leadership to and communicating the educational mission of the local multi-county unit and University of Illinois Extension. The primary responsibilities of the County Extension Director are local program management, personnel management, interpersonal effectiveness, organizational leadership and development, fiscal management and facilities management. The County Extension Director is the local representative of University of Illinois Extension and is responsible for facilitating and establishing relationships with diverse audiences, and collaborating and partnering with people to improve the lives of individuals and the communities in which they live. The County Extension Director is also responsible for marketing and promoting University of Illinois Extension and its educational programs. The County Extension Director fosters sensitivity to the needs of diverse audiences while working with the local leadership in program planning. This position will demonstrate behaviors that reflect high levels of performance, a strong work ethic, and a commitment to continuing education and the letter and intent of University of Illinois Extension's mission.

One full time position is available.

Location: Unit 22 – Madison, Monroe, and St. Clair Counties

(Position will be housed in Monroe County - Waterloo, IL)

Additional positions may become available in other locations

This is a security-sensitive position. Comprehensive background checks, including but not limited to a criminal conviction information check, a CANTS check, and a review of the Registered Sex Offender list, will be conducted.

RESPONSIBILITIES

Personnel Management:

- Provide administrative supervision of all unit staff including educators and civil service employees.
- Ensure that job descriptions are developed and that annual performance appraisals of academic and non-academic staff in the unit are held and documented. Performance evaluations of academic staff will be a shared responsibility with Regional Directors and/or Program Leaders.
- Participate in the County Director professional development program offerings and seek additional opportunities to maintain professional competence.
- Facilitate the professional development of all staff in the unit.
- Assist and collaborate with unit staff to develop a plan for recruitment, training, support and recognition of volunteers.
- Implement and comply with University of Illinois and Extension policies and rules, federal and state personnel regulations, and labor contracts.
- Ensure compliance with University of Illinois Extension Civil Rights, Affirmative Action Plan and Equal Employment Opportunity Program.
- Ensure onboarding of all new staff in the unit.
- Conduct staff and unit team meetings as appropriate to enhance team performance.

Fiscal Management:

- Prepare budget, operate within budget guidelines, assure funds are distributed in accordance with fiscal policies and requirements and oversee all grants to the unit.
- Maintain official records and documents, and ensure compliance with University of Illinois and Extension policies and reporting requirements.

APPLICATION DUE

November 15, 2019

ILLINOIS

Extension

COLLEGE OF AGRICULTURAL, CONSUMER & ENVIRONMENTAL SCIENCES

County Extension Director

- Work with the Extension Council, other volunteers and local entities to educate stakeholders of the value of University of Illinois Extension's programs in order to secure financial resources for the unit.
- Ensure that adequate funds are available to meet the financial and human resource goals of the unit.

Facilities Management:

- Provide leadership in securing adequate field office facilities, including off-site facilities as necessary.
- Ensure Extension offices and program delivery sites meet ADA requirements and other related guidelines.
- Manage the unit office facilities, including relations with the lessor and lease negotiation.
- Procure and maintain equipment inventory and supplies.

Interpersonal Effectiveness:

- Determine appropriate networks and legislative contacts to build effective communications about Extension's mission with key individuals and groups within the unit.
- Communicate and identify in-service needs for all employee groups in the unit and make recommendations to the Regional Director for appropriate training.
- Effectively communicate program initiative concerns to Program Leaders and Regional Directors.
- Communicate to the Regional Director the success of unit leadership and the challenges within the unit.
- Effectively work to resolve conflicts constructively and implement positive solutions to challenges.
- Maintain effective communication about the unit regarding program, fiscal and personnel management with the Regional Director.
- Respond to all forms of communication in a timely manner.

Program Management:

- Work with staff and stakeholders to assess local needs and identify program priorities within the unit using data.
- Ensure inclusion of new and diverse audiences to achieve parity while strengthening relationships with existing clientele.
- Demonstrate support of statewide initiatives by working with Program Leaders and unit staff in needs assessment, program planning, implementation and evaluation.
- Work with Regional Directors, Program Leaders and unit staff to develop new unit level programs and improve existing programs.
- Provide initiatives and opportunities to further interdisciplinary program planning and development in the unit.
- Provide program impact results to local groups, decision makers and administration in an Annual Report.
- Market and promote University of Illinois Extension and its educational programs.
- Assist and orientate staff and Extension Councils to their respective roles in the program development process.

Organizational Leadership and Development:

- Participate on regional, state, or national committees and initiatives.
- Engage in teamwork with other unit or regional staff.
- Ensure completion of documents and reporting deadlines as required in the organization.
- Communicate administrative policies and procedures to the Extension staff and Extension Council leadership and assist with their implementation.
- Establish and maintain effective collaborations to enhance program partnerships.
- Engage local community groups, informing them of University of Illinois Extension's positive impact.
- Provide leadership to unit staff through clear communication and articulation of unit direction and vision.
- Initiate and take leadership on projects that move Extension forward.

The University of Illinois conducts criminal background checks on all job candidates upon acceptance of a contingent offer.

The University of Illinois is an Equal Opportunity, Affirmative Action employer. Minorities, women, veterans, and individuals with disabilities are encouraged to apply. For more information, visit go.illinois.edu/EEO.
