Assistant Director
Region 2

WE TRANSFORM LIVES

Everything we do is designed to improve the quality of life of the people in the state of Illinois, across the nation, and around the world. We discover, develop, translate, and disseminate knowledge to address societal concerns and train the next generation of experts and leaders in a way that empowers them to expand the boundaries of science to higher levels of understanding and influence.

Be a part of our story. Through learning partnerships that extend knowledge and change lives, University of Illinois Extension provides educational programs aimed at making life better, healthier, safer, and more profitable for individuals and their communities. Illinois Extension has operated continuously for more than 100 years connecting the citizens of Illinois to their land-grant university by providing educational programming around the state. University of Illinois Extension is based in the College of ACES and works with all colleges and units of the University of Illinois at Urbana-Champaign.

The Assistant Director, Region 2 will be located in Sangamon County - Springfield, IL and serves as a regular, full time, 12 month academic professional staff member with primary responsibility for providing leadership and vision for alignment of resources and partners to support the development and delivery of statewide educational initiatives. This Assistant Director is responsible for management of field operations in an assigned geographic area within the state. The successful Assistant Director for Region 2 implements policies and procedures of the organization, determines state and regional strategic programming priorities and facilitates alignment of organizational resources to support mission-critical statewide educational activities and initiatives. The individual supports County Directors, academic and program staff, including interns, in the respective region. This Assistant Director initiates and leads stakeholder engagement and fundraising initiatives within the region. Responsibilities include coordination with other members of the Extension leadership team and County Directors.

The Assistant Director, Region 2, will be located in a geographical area within the state that is appropriate for leading this region for Illinois Extension. The incumbent will report to the Associate Dean and Director of Extension and Outreach and will be available to all of Illinois Extension and Outreach.

One full-time position is available.

Location: Position will be housed within Sangamon County - Springfield, IL

Position Overview
Program/Project Development, Delivery, Impact and Reporting

• Collaborate in strategic direction and policy for University of Illinois Extension regarding statewide educational programs/projects; implement policies and procedures regarding educational programs/projects for the organization.
• Develop an innovative statewide program of work through a participatory approach in response to local, regional, and state needs and issues regarding educational programs/projects.
• Provide clear direction and partnership to encourage adoption of national needs and high priority program/project efforts by working and coordinating with the Associate Dean, Assistant Deans/Program Leaders, Assistant Directors for Regions, County Directors, Educators, and state and campus Specialists to advance individual and interdisciplinary programming.
• Collaborate on management and leadership of education and research centers and initiatives within the region in coordination with County Directors of respective units.
• Address urban and rural needs for educational programs, projects and services by collaborating as a member of the Extension leadership team to create and implement initiatives.
• Facilitate program/project delivery such that educational needs of diverse populations are served; coordinate efforts with County Directors and Assistant Deans/Program Leaders to serve new and underserved initiatives.
• Facilitate effective communication between field staff and campus professionals to implement and evaluate high priority programs/projects, services and initiatives and improve program efficiency and effectiveness.
• Ensure program/project accomplishments, outcomes, and impacts are reported to stakeholders and utilized in state and national reports.
• Prepare written reports on high impact programs/projects with suitable detail to allow for development of reports to legislators and constituents.
• Copy edit all Unit reports generated by Units within Region 2; collaborate with the Extension Communications team as appropriate.
• Support the online reporting system by working with the Director of Program Planning and Assessment to gather critical information to determine program/project outreach efforts and accomplishments.
• Coordinate the process of systematic methods to collect and appropriately document data to ensure nondiscrimination in programs, projects, services and initiatives.
• Participate in Region 2 Units’ Civil Rights Reviews, including annual update of data collection and methods of collection to comply with United States Department of Agriculture-National Institute of Food and Agriculture requirements.
• Prepare monthly article/report regarding Region 2 activities for Extension’s “FYI” newsletter.
• Participate in professional improvement opportunities when appropriate for the role of Assistant Director.

Personnel Management
• Collaborate as a member of the Extension leadership team to determine statewide position priorities and staffing plans; coordinate with the Assistant Director for Workforce Development and County Directors as appropriate.
• Participate in recruitment, hiring, retention, and on-going training of high quality academic professional staff with full consideration of the goals of affirmation action and equal employment opportunities.
• Provide support and guidance as needed to ensure field staff achieve the parameters of their job descriptions.
• Manage personnel complaints, grievances, and actions in coordination with direct supervisors and reporting lines; liaise with Assistant Director for Workforce Development for resolutions.
• Supervise, guide and mentor County Directors on organizational goals, leadership development, fiscal policies, personnel management and building relationships with stakeholders, county boards, state and national legislators and volunteers.
• Provide support for educational plans of work for multi-county/county units within Region 2.
• Where appropriate, provide counsel, insight and support with local programming and personnel issues in coordination with Assistant Deans/Program Leaders and Extension leadership team as needed.
• Conduct performance evaluation for County Directors in Region 2 based on mutually agreeable, realistic and attainable performance goals.
• Provide recommendations to the Associate Dean regarding salary, promotions and other personnel actions.
• Resolve, and/or where appropriate recommend to the Director solutions for, programming issues or conflicts regarding programs/projects among County Directors and Assistant Deans/Program Leaders.
• Collaborate as a member of the Extension leadership team to identify staff in-service education needs to enhance subject competence in content and delivery of field staff; coordinate with the Assistant Director for Workforce Development and County Directors as appropriate.
• Supervise regional office personnel.
• Support efforts to make continuous progress in employment of a diverse workforce within Illinois Extension in coordination with the Assistant Director for Workforce Development and Assistant Director for Diversity, Equity, Inclusion and Access (DEIA).
• Implement Americans with Disabilities Act compliance of University of Illinois Extension offices/facilities in Region 2 to achieve compliance.

The University of Illinois conducts criminal background checks on all job candidates upon acceptance of a contingent offer. Convictions are not a bar to employment. The University of Illinois System requires candidates selected for hire to disclose any documented finding of sexual misconduct or sexual harassment and to authorize inquiries to current and former employers regarding findings of sexual misconduct or sexual harassment. For more information, visit Policy on Consideration of Sexual Misconduct in Prior Employment. The University of Illinois must also comply with applicable federal export control laws and regulations and, as such, reserves the right to employ restricted party screening procedures for applicants.

As a qualifying federal contractor, the University of Illinois System uses E-Verify to verify employment eligibility.

The University of Illinois is an Equal Opportunity, Affirmative Action employer that recruits and hires qualified candidates without regard to race, color, religion, sex, sexual orientation, gender identity, age, national origin, disability or veteran status.
