Illinois Extension

UNIVERSITY OF ILLINOIS URBANA-CHAMPAIGN

University of Illinois * US Department of Agriculture * Local Extension Councils Cooperating
College of Agricultural, Consumers, and Environmental Sciences

University of Illinois Extension provides equal opportunities in programs and employment.

If you need reasonable accommodation to participate in this program, please contact your local Extension Office. Early requests are strongly encouraged to allow sufficient time for meeting your access needs.

Overview:

This is an all-summer, self-paced 4-H event involving all 4-H families in our five-county unit: Coles, Cumberland, Douglas, Moultrie, and Shelby counties. There is a list of tourist destinations in these counties for members to visit throughout the summer. There is so much that happens in the summer in our area that we should celebrate! Members would need to visit at least 25 places to receive the top tier prize level. Once per month (June, July, and August), there will be a workshop held at one of these locations. This would allow the members to attend a multi-county event while also working towards visiting 25 places and all 5 counties. There are prize levels for each member who completes the different levels of visits as well as those who visit the different counties. The awards will be given at the end of the summer. 4-H families will keep track of places visited by submitting pictures of the different locations.

Objectives:

- 4-H families explore destinations in our unit where they can learn about their community while also having fun
- Promote inter-county relationships amongst 4-H families, Extension, organizations, and businesses in our unit
- Help Extension establish relationships with local community organizations
- Increase 4-H members own community awareness
- Increase multi-county workshop offerings for youth

Recording Places Visited:

- To record each place you visit, **you will take a picture of you at the place visited.**
- Then you will upload it at the links below with:
 - Your name, your county, and the location.
- This will help us keep track of how many places you visited. This can be done straight from your phone. Just access the link and select the appropriate picture.

Coles County 4-H members use this link when uploading pictures:

WHERE: Toledo Rez

TIME: 6 PM

August - Moultrie-Douglas Counties

WHEN: August 6

WHAT: String Art Workshop

WHERE: Moultrie-Douglas Extension Office

TIME: 10 AM - Noon

Plan your trip

- Be aware of business hours for a location. Don't just drive there without seeing if they are open!
 - If you see an asterisk (*) beside a location below, it identifies the location as a place you need to go inside to visit
- Be respectful. These places are part of our communities. Throw away your trash. Don't leave messes behind.
- Identify yourself as a 4-H member (if the place you are visiting has employees). Some businesses may have something special for our 4-H members.
- Have a way to take your picture so you can record you were there.
- Check out to see if there are any events happening at the location you want to attend.
- Invite a friend or family member. Exploring what our five counties have to offer can be done with others.
- Educate. Explore. Enjoy.
