Illinois 4-H outlines safety requirements for in-person events

We're looking forward to the 2021 season! As Illinois 4-H staff plan for the 2021 show and event season, our top priority will continue to be the safety of all involved, combined with a commitment to creating positive youth development experiences for our 4-H members.

We are preparing for the possibility of returning to in-person events, based on local conditions at that time and in conjunction with current IDPH guidelines.

If current local conditions are conducive to in-person events, the opportunity for face-to-face judging for Shelby County will require that all participants, spectators, and volunteers adhere to Illinois 4-H event guidelines. We are counting on our 4-H members, their families, and our staff and volunteers to do their part to help make our upcoming events as safe as possible, whatever format they take.

The following COVID-19 social distancing and safety practices reflect requirements of the Illinois Department of Public Health and University of Illinois event guidelines. These mitigation protocols also may be modified to reflect any requirements of the local public health department based on local conditions at the time of the event.

- Face coverings are required for all youth, spectators, volunteers, and staff when within the defined 4-H event space (inside or outside)
- Everyone in attendance will practice social distancing during the event, including maintaining six feet of separation (both indoors and outdoors) from those who are not in their households. To allow for social distancing, building and spectator capacity may be limited based on current public health department guidelines.
- Handwashing and sanitizing stations will be provided throughout the venue.
- Anyone who has experienced COVID-19 symptoms within the previous seven days is asked to stay home. COVID-19 symptoms include fever, cough, loss of taste or smell, or shortness of breath.

If any of these guidelines presents a challenge for you, please contact us directly at 217-774-9546. We are happy to discuss what accommodations are possible so that we can look for ways that all youth can safely participate in this event.

As excited as we are about the possibility of stepping back into face-to-face judging, we also recognize that this is a continually evolving situation. Illinois 4-H reserves the right to adjust or cancel events in the case of identified risk, such as changes in local COVID conditions or known instances of non-compliance with safety guidelines.

We truly are stronger together. With your help, we look forward to a safe and successful summer!

Welcome

Dear Friends,

Welcome to the Shelby County 4-H and Junior Fair – a tradition that, thanks to you, continues to bring together family and friends each year. The fair has been a part of the community for over 60 years. Over the decades the fair has been held, countless community volunteers and local businesses have worked together to bring you closer to our county's youth. The youth are involved with agriculture, natural sciences and family and consumer sciences. It is important to take the time to appreciate the hard work and dedication of our youth. Their exhibits here represent many hours of preparation and represent the best of Shelby County.

It requires many dedicated individuals and a lot of hard work to produce a successful fair. I am so proud of our youth for their dedication and to the many adult volunteers who make this fair possible each year. Please take a moment to say "Thank You". So, to the many individuals and businesses who have made financial donations to keep the fair alive, Thank You.

Safety is our #1 priority therefore while we are taking extra precautions to ensure your safety you should make sure to take the extra care to be safe as well!

I look forward to a wonderful 2021 county fair!!

Sincerely,
Don Telgmann
Shelby County Junior Fair Board President

4-H VISUAL ARTS

Judging – Tuesday, July 20 See project area for judging time.

Exhibits must be checked in between 4:00-8:00 p.m., Sunday, July 18

**4-H'er must be present for judging.
Exhibitor limited to one entry per class.**

**ALL projects must have been checked in with superintendent by 9:00 a.m. on Tuesday.
The Superintendent will have your exhibitor tags.**

Exhibitors must be enrolled in the Visual Arts project category in which they are exhibiting. Articles must have been made **during the current 4-H year** which started September 1, 2020.

Exhibitors are encouraged to date the project when it is made. All visual arts exhibits are evaluated using a visual arts rubric which takes into account correct use of design elements; craftsmanship; and creativity.

Articles exhibited must be an original design created by the exhibitor (except in heritage arts which may follow a pattern AND Fiber-Non Original Ages 8-10 ONLY). Copyrighted or trademarked designs are not acceptable; this includes Team or School logos. Kits and preformed molds are not considered original and are not acceptable in any Visual Arts Class. Combining parts of different patterns (pictures, photographs, images from the internet or a magazine) with the member's own ideas can result in an original design, but simply changing the color, pattern and/or size of a pattern does NOT make the design original. This also applies for ideas found on a site such as Pinterest. If you see something on Pinterest that you like, use the concept and create something different using the concept; however it MUST NOT look exactly like something the judge can search for and find on Pinterest. The exhibit must combine parts of different patterns and/or ideas with the concepts of the member, however changing the color or changing the size of the item or pattern used does NOT make it original. If you create a replica of what you see somewhere else, it is not your original design. If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit. Be prepared to explain how and where you found the idea for this project.

Members wishing to exhibit quilts made from a pattern may enter it in Heritage Arts. Quilts exhibited in the Visual Arts – Heritage Arts area will be evaluated using a visual arts rubric which takes into account correct use of design elements; craftsmanship; and creativity. All work on the quilt MUST be completed by the 4-H member. You cannot exhibit a quilt that was quilted by someone else.

All items must be properly prepared for exhibit. Items which are intended to be hung must be prepared for hanging. The hanging device must be sturdy enough to support the weight of the object. Framed items not intended to be hung should be noted as such on the exhibit tag and a photo of the artwork being displayed should be included.
