I ILLINOIS Extension

**COLLEGE OF AGRICULTURAL, CONSUMER
& ENVIRONMENTAL SCIENCES**

The Illinois 4-H program is administered by University of Illinois Extension, which provides local staff consisting of professionals, coordinators, and adult and teen volunteers.

The overall mission of 4-H is to assist youth in acquiring knowledge, developing life skills and forming attitudes that will enable them to become self-directing, productive and contributing members of society.

4-H is for all youth, rural and urban, with programs conducted in all Illinois counties. Projects and activities may vary from county to county.

ILLINOIS STATE FAIR

Mission

The University of Illinois Extension 4-H Youth Development Program helps youth acquire skills for living. Participation in 4-H programs is a privilege and participants are expected to show respect to the 4-H leaders and other participants.

Policies

Illinois 4-H policies are established to maintain uniform implementation of the 4-H programs. As University of Illinois Extension employees and volunteers, it is our responsibility to carry out these policies in accordance with the mission and educational goals of 4-H. Generally speaking, counties/units and clubs/groups retain the right to establish rules and policies that govern their respective 4-H events. Such rules and policies may not supersede State and National 4-H policies.

The 4-H Year

Policy 1. The 4-H year begins September 1 and ends on the following August 31.

Example: September 1, 2014 to August 31, 2015 is one 4-H Year.

Member Policy

Any youth who participates in a program, which is planned, organized, delivered, and evaluated by University of Illinois Extension is referred to as a 4-H youth participant or 4-H member.

Policy 1. Any person, regardless of race, color, religion, gender, national origin, ancestry, marital status, familial status, sexual orientation, or disability may participate in 4-H programs. Youth who are eight (8) years of age and have not reached their nineteenth (19) birthday on or before September 1 of the current 4-H year may enroll in a 4-H club.

Policy 2. Persons considered to be mentally challenged and are older than the eligibility age for 4-H club membership may participate fully in 4-H.

Policy 3. Extension units may allow 4-H enrollments by boys and girls who are five, six, or seven years of age on or before September 1 of the current 4-H year. This is a unit decision. If 4-H enrollment is offered to 5-7 year olds, they must be enrolled as a 4-H Cloverbud member.

Policy 4. A youth may enroll and/or participate in programs in multiple 4-H clubs and groups within a county.

Policy 5. Youth should be enrolled in 4-H in the county sponsoring the 4-H club/group, even though they may live outside of the county.

Policy 6. After a member's initial enrollment in 4-H, a member must re-enroll in the program on an annual basis to retain an active 4-H member status.

Policy 7. A youth may enroll in 4-H clubs, special interest groups, short-term programs as an individual at any time during the 4-H year.

Policy 8. A member may participate in 4-H under a shared membership arrangement with an-

other county or state; however, approval must be granted by both counties and states prior to enrollment. Members may not benefit economically from participating in multiple 4-H exhibitions, auctions, etc. in multiple counties. Members may apply for 4-H awards or recognition in only one county or state.

- Policy 9. Members may transfer their 4-H enrollments to a different 4-H club/group within or outside the county, or may transfer their enrollments from another state to Illinois 4-H. In cases of membership transfer, the original enrollment date will be used as a basis for determining eligibility for participation in 4-H programs and events.
- Policy 10. Tenure of membership refers to the cumulative number of '4-H years' in which the member is enrolled regardless of the location of that membership. Youth are recognized for their cumulative years of 4-H membership regardless of the intensity or duration of their 4-H participation, i.e., 4-H club, special interest group, or individual enrollment. Years of 4-H participation in another state, county, or club/group will be recognized for membership tenure in cases of membership transfers.
- Years of 4-H Cloverbud participation count in determining tenure in the 4-H Cloverbud program only.
- Policy 11. 4-H membership may not be terminated during the 4-H year without that member's knowledge. Termination of membership may not be based on attendance.
- Policy 12. A \$20/year 4-H Program Fee is applied to members who are part of a sustained 4-H experience. This includes youth enrolled in 4-H clubs, special interest groups (SPIN groups), Cloverbud groups and after-school clubs. No child will be denied the opportunity to participate in 4-H due to his/her inability to pay the 4-H Program Fee. Extension staff will confidentially handle any requests for assistance with the 4-H Program Fee. Discounts or scholarships are encouraged and are made available inasmuch as donors underwrite the 4-H Program Fee.
- Policy 13. Counties are under no obligation to accept 4-H members from any county that chooses not to fund its own University of Illinois Extension programs through the agreement process with the University of Illinois Extension.
- Policy 14. All youth who meet applicable qualifications may participate in state 4-H activities and events, including Citizenship Washington Focus, Illini Summer Academies, State 4-H Leadership Convention, international travel, and other programs regardless of the intensity and duration of their local club/group or county 4-H participation.
- Policy 15. Independent membership is available to post high school 4-H'ers living outside the county. It is designed for older teens that are living away from home while pursuing advanced education.

Project Enrollment

- Policy 1. All 4-H members must be enrolled in a minimum of one project or course of study.

- Policy 2. A member may add or delete project enrollments at any time during the 4-H year. However, Coles County 4-H'ers must be enrolled by April 3 of the current 4-H year to be eligible to participate in 4-H exhibit opportunities. **Members may not exhibit projects they are not enrolled in.**

4-H Exhibitions

- Policy 1. Coles County 4-H members must meet attendance requirements to exhibit in any project area, receive 4-H premiums or other 4-H awards and recognition. To meet attendance requirements, members must attend a majority (more than half) of their Coles County 4-H club's meetings and attend on county activity.

Attendance will be calculated based on the number of regularly scheduled club meetings starting September 1 and going through June 30 of the current 4-H year. Educational or community service activities sponsored by a club that occur in addition to regular club meetings may be counted for up to two club meetings. A 4-H member may make up a missed meeting by attending another club's meeting. The make-up meeting must occur within the month preceding, the month of, or the month following the member's absence. It is recommended members attend make-up meetings within Coles County.

Attendance requirements for new members will be determined according to their enrollment date.

- Policy 2. Conference judging is the preferred method of evaluation at a 4-H exhibit opportunity. This requires 4-H members to be present to share in the evaluation of their project work. Members not present on the established county judging date will not be eligible for State Fair in all non-livestock categories. Exception: Members involved with state, national or international 4-H programs that coincide with project show dates are eligible to be chosen champion and State Fair delegates. A written request for approved absence must be submitted with the 4-H show entry form.

- Policy 3. All 4-H show entries must be completed by the deadline announced in the 4-H newsletter. A **\$30 late fee** per member will be imposed for late entries. No fair entries will be accepted after 4:30 p.m. on the fifth business day from the deadline. **No fair entries will be accepted the day of the 4-H show.**

Premiums

The Agricultural Premium Fund is authorized under the Agricultural Fair Act and administered by the Illinois Department of Agriculture Bureau of County Fairs. State statutes govern state aid to agricultural and 4-H fairs. The Department of Agriculture shall use its best efforts to secure sufficient appropriations to fund premiums. In any year for which the General Assembly of the State of Illinois fails to make an appropriation sufficient to pay such premiums, premium amounts may not be accurately reflected.

- Policy 1. The eligibility base for calculating county 4-H premiums includes 4-H members enrolled in 4-H clubs, 4-H special interest groups and independent membership in 4-H who, on or before September 1, are eight years of age and not yet nineteen years of age, and persons with mental challenges.
- Policy 2. All enrolled members who participate in an exhibit opportunity are eligible to receive premiums. The amount of premiums paid is adjusted annually based on state aid received.

Policies

- Policy 3. Premium checks are mailed to members at the address listed in 4HOnline. 4-H'ers have **60 days**, from the date listed on the check, to cash the check. Checks will be null and void after the 60 days and will **not** be reissued.

Club Organizational and Fiscal Policies

- Policy 1. A 4-H club must have at least five members and one volunteer leader. The group must meet a minimum of six times during the year. Clubs should have a written constitution and by-laws, which list the club, name, standing committees and regular meeting time and date.
- Policy 2. Cloverbuds is a group of at least 5 members organized specifically for youth ages 5-7 years. Due to abilities and interests of this age group, it is suggested they meet two times a month for one hour each. They work on projects together at meetings instead of completing projects on their own. A Cloverbud group may have exhibitions at the fair. The exhibit is not judged. Premiums are not available for this age group.
- Policy 3. All 4-H clubs must complete a 'Financial Activity Statement' indicating plans for financial activity during the year. Clubs that hold no assets nor plan to conduct fund-raising activities must complete a statement as certification of no financial activity. The FAS is due in November (date announced) of the current 4-H year.
- Policy 4. All 4-H clubs that collect money or raise funds to maintain their club should deposit their monies in a financial institution. A treasurer, selected from the group membership, must be signatory on the club's bank account. A minimum of two designated adults will also be signatories on the account. Two signatures are required on all checks, that of the treasurer and of one adult. It is not recommended that members from the same family be co-signers. The club account and FEIN number must be recorded in the *Illinois 4-H Treasurer's Record Book*.
- Policy 5. Clubs must secure approval from the local Extension County Director prior to making a contribution of \$100 or more to any organization or charity.
- Policy 6. Each club which maintains a treasury or holds financial assets must annually submit to the local Extension office a statement of accounting which will consist of an audited *Illinois Treasurer's Record Book* for the year being reviewed. It must have been audited by three persons including a parent, leader and member of the club. (The auditors shall not be signatories on the bank account, nor shall they be related to those with signatory authority.) Receipt of the *Illinois Treasurer's Record Book* and confirmation of the audit shall be required for re-authorization of the club's use of the 4-H name and emblem for the following year. Clubs will not be re-enrolled until this requirement is met.
- Policy 7. When a 4-H club votes to disband or cease operations under the 4-H name, the club must provide the liquidation of the club assets. Funds raised under the 4-H name and emblem are funds belonging to 4-H. Funds shall be retained in the county where raised and used for other 4-H or youth purposes at the recommendation of the local Extension staff.

Cancellations & Resignations

- Policy 1. Leaders are asked to contact the Extension office at least 30 days prior to their resignation. Resignations should be submitted in writing.
- Policy 2. 4-H county scholarships paying for a portion of fees for an activity, event or program shall be reimbursed in full to the Extension office when a 4-H member cancels or cannot fully participate for the duration of the event.

4-H Awards & Recognition

YOUTH TRIPS/CONFERENCES

Most of these 4-H opportunities have county scholarships to help offset costs of registrations fees.

STATE OPPORTUNITIES

Illinois State Youth Leadership Team

The team is made up of 15-20 young adults, 16-21 years old, who are selected by application and interview. Terms are two years. The team plans, coordinates and evaluates the state Jr. Leadership Conference, represent Illinois 4-H at state and national events and provide leadership and public relations at statewide events.

Jr. Leadership Conference

A weekend conference for 7th and 8th graders. Participants have an action-packed weekend with fun, hands-on workshops and activities to develop leadership skills, learn about 4-H opportunities, and explore 4-H project areas. Usually held in February.

Teen Leadership Conference

This conference is open to any Illinois youth in High School. Learn more @ go.illinois.edu/4Hteens

4-H Day with the Cardinals

The Cardinals host 4-H members from Missouri and Illinois at the Busch Stadium.

Illini Summer Academies

Teens across Illinois gather to explore college curriculum, meet new friends, and get a taste of college life. Delegates spend four days with University of Illinois professors and graduate students while they try out college majors and learn about potential careers. Open to youth who have completed 8th through 12th grade. Learn more @ go/Illinois.edu/illini4H

4-H Memorial Camp

A great summer camp at scenic 4-H Memorial Camp near Monticello, IL for youth ages 8 - 16. Participants get to enjoy the outdoors with modern conveniences, have fun with new friends, swim, canoe, arts and crafts, campfires, climbing tower, skits, help out in the dining hall, friendly competitions and a dance.

Legislative Connection

Provides 4-H members a unique opportunity to learn about the state legislative process and meet with elected officials. Participants include members of the Illinois 4-H Youth Leadership Team and those members who have completed Speaking for Illinois 4-H Training.

Opportunities

State 4-H Judging Contests

Contests to test members judging skills against other 4-H youth are held in June on the University of Illinois campus. They are held in the areas of livestock, horses, dairy, horticulture, meats, forestry and poultry. Other events include a dairy quiz bowl, rocket launch, horticulture demonstrations and horticulture speaking contests. Winners from various contests may be selected for teams to compete on the national level. Members may NOT participate in more than one program area on a single day. No prior event qualification is necessary.

Youth Livestock Conference

This conference is open to members in 7th, 8th, & 9th grades and provides hands-on opportunity built around the science and disciplines of livestock production and exhibition.

NATIONAL/INTERNATIONAL OPPORTUNITIES

National 4-H Week

National 4-H is officially designated as the first full week in October. 4-H clubs may use this week to promote 4-H. The National 4-H Science Experiment is promoted during National 4-H Week.

Citizenship Washington Focus Trip

Travel to Washington, D.C. for one summer week filled with new experiences, new friends, and views of our nation's Capital, all while learning about our national governmental process. Delegates stay at the National 4-H Center. Citizenship Washington Focus is open to teens who are ages 14-18 by May 1 prior to the year of the trip.

National 4-H Conference

A working trip to Washington D.C. is offered each spring. Delegates from U.S., Canada, and Puerto Rico attend workshops and work on action plans for the national, state, and local levels. Some sight-seeing is included. First choice given to 4-H'ers on the State 4-H Youth Leadership Team and Speaking for Illinois 4-H Program.

International 4-H Youth Exchange (IFYE)

States' 4-H International's mission is to enhance world understanding and global citizenship, which we believe can be achieved through living with a local host family and immersing oneself in another culture. Travel the world. Learn new languages. Meet new people. Appreciate new cultures. States' 4-H Summer Outbound programs provide American 4-H youth with the opportunity to travel to foreign countries for a cultural immersion experience. Outbound delegates live with volunteer host families and engage in experiential learning about a new way of life. Delegates experience aspects of daily life that allow them to more deeply understand both their host culture and their own culture. Our network of like-minded international partners recruit host families and plan enrichment activities for the delegation. Open to ages 12-18 for Japan & South Korea and age 15-18 for Costa Rica & Finland from the first day to the last day of the exchange. 4-H FEDERATION

Federation is the banding together of youth from different clubs into one representative group. Leadership training, decision making, County or Unit event planning, and socialization are the focus of Federation members. Federation meetings are open to all 4-H'ers 13 years and older as of September 1 of the current year. Federation plans and sponsors many county activities such as county wide community service drives, the annual skating party, officer training, workshops, and much, much more. If you are interested in joining contact the Extension office to find out the date and time for the next meeting.

Illinois 4-H Pick Your Project Guide

Pick Your Project Guide is an annual publication that gives a snapshot of all 4-H projects, policies, awards and recognition, youth leadership opportunities, special events and service opportunities. It includes a section about 4-H volunteers and gives links to web site links for more information about Illinois 4-H. The *'Pick Your Project Guide'* can serve as 4-H promotional material to share with non-4-H friends. Free copies are available at the Extension office. 4-H projects are clustered by the three 4-H mission mandate areas that guide 4-H programs:

Science, Technology, Engineering, Art & Math (STEAM)
Citizenship & Leadership
Healthy Living

COLES COUNTY 4-H FAIR

GENERAL FAIR AND EXHIBIT RULES

DISCLAIMER - "The Department of Agriculture shall use its best efforts to secure sufficient appropriations to fund premiums. In any year for which the General Assembly of the State of Illinois fails to make an appropriation sufficient to pay such premiums, premium amounts may not be accurately reflected in this Premium Book."

If you need a reasonable accommodation to participate in the 4-H Show (fair), please contact the Extension office at the following phone number and/or address: University of Illinois Extension-Coles County, 809 Broadway Ave., Mattoon, IL 61938, (217) 345-7034. Early requests are strongly encouraged to allow sufficient time for meeting your access needs.

NOTE: *In addition to the general 4-H Requirements listed here, rules applying to specific divisions appear in the divisional listings.*

Note:

- **There are innovation classes in some of the General Projects. An exhibitor may bring only a class project or innovation project, but NOT BOTH.**
- **IRS Requirement—Program participants (including minors) will be required to provide their Social Security number or foreign national tax ID number prior to receiving a prize, gift or award to ensure IRS reporting as required by law. This sensitive information is kept confidential and handled through security protected software (PEAR). Participants will not be eligible for prize, gift or award if Social Security or foreign national tax ID information is not provided.**

Eligibility Requirements

1. To be eligible to exhibit at county 4-H shows and to receive premiums, a 4-H'er must have been enrolled in 4-H and their 4-H project(s) by the date set by the Extension Office.
2. The member must have met attendance requirements. (See 'Illinois and County 4-H Policies' –

Entry Requirements

- 4-H Exhibitions, p. 12 for more details.) Exceptions to this rule must be approved by Extension staff.
3. All projects must have been owned, personally cared for, and completed by the 4-H member within the current 4-H year.
 4. The member must have completed a talk or demonstration within their club, school, or other organization.
 5. Participate in at least one county activity.

Entry Requirements

1. The 2020 deadline to complete Fair entries into the Fair Entry system is **Monday, June 15, 4:30p.m.** This deadline must be met to be eligible to show. **No entries will be accepted the day of the show.** A **\$30 late fee** will be imposed for late entries. See policy 3, page.12.
2. Exhibitors are limited to one entry in any given class, unless otherwise stated.

Show Requirements

1. Exhibit tags will be provided on show day and must be securely fastened to all articles being exhibited.
2. Project manuals or record sheets are not required for all areas unless otherwise stated, but are recommended.
3. Use of page protectors is recommended for binder exhibits.
4. Parents, **leaders** and spectators are **strictly prohibited** from being in designated judging areas. A judge, show superintendent or Extension staff member may reserve the right to stop judging until parents and leaders are out of judging area.
5. Exhibitors will participate in conference judging during which exhibits are critiqued by the judge. Judges consider the knowledge exhibited by the member and the appearance of the exhibit when determining rating.
6. All projects will receive an "A" (blue ribbon), "B" (red ribbon), or "C" (white ribbon) rating. Rating accomplishments are: "A" – project met standards, "B" – project needs improvement, and "C" – project needs much improvement. **Grade levels will automatically be lowered if exhibit requirements are not met.** Only "A" ratings are eligible for champion selection. All judges' decisions are final.
7. Champion and Reserve Champion ribbons/recognition may be awarded in all project areas at the discretion of the judge. An exhibitor must be present at the time of judging to be eligible to be eligible for State Fair. Exception: if a 4-H'er is at another 4-H event, they are still eligible for State Fair by obtaining an excused absence prior to the 4-H show (see Illinois & Coles County Polices, 4-H Exhibitions, #2). If 4-H'er cannot be present, a written paragraph describing what was learned must be attached to the project.
8. All exhibits from General Projects judging are to remain in the exhibit building during County Fair. Projects may be picked up on Thursday of the Fair, 7:00 – 8:00 p.m. and on Friday, 9:00 - 10:00 a.m. Vegetable exhibits may be picked up the same day after **all** judging is complete. Pictures of the exhibit must then be displayed for the duration and must be in place prior to removal of the vegetables.

9. Club/Group exhibits are to include a 10-minute presentation by a minimum of 3 and not more than 5 club members. Group projects do not receive premiums and are not eligible for the Champion award. They may be selected for State Fair.

CODE OF CONDUCT FOR 4-H EVENTS & ACTIVITIES

The opportunity to participate in or attend 4-H activities is a privilege and not a right. All 4-H participants – youth, families, volunteers, and Extension staff – who participate in or attend any activity or event sponsored by the University of Illinois Extension 4-H Youth Development Program are expected to uphold the values of the Illinois 4-H program and conduct themselves according to the following standards. These standards also apply to online 4-H activity, including social media and internet presence.

Our first priority is to create a safe, inclusive space for learning, sharing and collaboration that is welcoming to people from diverse backgrounds, cultures, and perspectives. Diversity includes, but is not limited to: race, color, religion, political beliefs, national or ethnic origin, immigration or citizenship status, sex, gender identity and expression, transgender status, sexual orientation, age, marital or family status, educational level, learning style, pregnancy, physical appearance, body size, and individuals with disabilities.

Create a Welcoming Environment for All. Encourage everyone to fully participate in 4-H. Recognize that all people have skills and talents that can help others and improve the community. Though we will not always agree, we must disagree respectfully. When we disagree, try to understand why.

Bring Your Best Self. Conduct yourself in a manner that reflects honesty, integrity, self-control, and self-direction. Accept the results and outcomes of 4-H contests with grace and empathy for other participants. Accept the final opinions of judges and evaluators. Be open to new ideas, suggestions, and opinions of others.

Obey the Law. Commit no illegal acts. Do not possess, offer to others, or use alcohol, illegal drugs, or tobacco products. Do not possess or use weapons or firearms except as expressly permitted as part of supervised 4-H shooting sports programming. Do not attend 4-H activities under the influence of alcohol or illegal substances.

Honor Diversity – Yours and Others’. Respect and uphold the rights and dignity of all persons who participate in 4-H programs.

Create a Safe Environment. Do not carelessly or intentionally harm or intimidate anyone in any way (verbally, mentally, physically, or emotionally). Do not engage in romantic displays or sexual activities in either public or private situations. Be kind and compassionate toward others. Do not insult, harass, or bully others or engage in other hostile behaviors. Be considerate and courteous of all persons and their property.

Be a Team Player. Work cooperatively with all individuals involved in 4-H programs and activities. Be responsive to the reasonable requests of the person in charge. Respect the integrity of the group and the group’s decisions.

Participate Fully. Participate in and contribute to planned programs, be on time and follow through on assigned tasks/responsibilities in a manner that fosters the safety, well-being, and quality of the educational experience for self and others. Have fun!

Watch What You Wear. Use good judgment. Wear clothing suited for the activity in which you will participate. Dress in a manner that is respectful to yourself and others. Clothing that displays or promotes violence, obscenity, illegal activities, discrimination, or intimidation is prohibited. Do not wear revealing clothing, such as short skirts or shorts, midriff-baring tops, or anything showing undergarments.

Be a Positive Role Model. Act in a mature, responsible manner, recognizing you are role models for others and that you are representing both yourself and the University of Illinois Ex-

Code of Conduct

tension 4-H Youth Development Program. Be responsible for your behavior, use positive and affirming language, and uphold exemplary standards of conduct at all 4-H activities.

BEHAVIORS THAT MAY RESULT IN REMOVAL FROM ACTIVITY

The University of Illinois Extension reserves the right to restrict participation in future activities for those individuals who have been removed from an activity for any behavior outlined in Category 1 or 2. In all cases, the participant will be responsible for restitution of any damages incurred by his/her actions.

Category 1

- a) Possession, use, or distribution of alcohol and other drugs*, including tobacco products.
*Prescription drugs must be listed on an Emergency Medical Information form.
- b) Theft or destruction of public or private property.
- c) Involvement in sexual misconduct or harassment.
- d) Possession or use of dangerous weapons or materials (including fireworks).
- e) Fighting or other acts of violence, actual or implied, that endanger the safety of the participant or others.

Category 2

- a) Willfully breaking curfew.
- b) Unauthorized use of vehicles.
- c) Leaving the site of the event.
- d) Participation in gambling.
- e) Absence from the planned program.
- f) Intentionally interfering with or disrupting the event.
- g) Use of profane or abusive language.
- h) Disregard for public or personal property.
- i) Public displays of affection or inappropriate actions.
- j) Failure to comply with direction of Extension personnel, including designated adults acting within their duties and guidelines.

Member Behavior Guidelines

Policy 1. Participants may be removed from 4-H programs or activities for misconduct.

Policy 2. A 4-H volunteer is expected to consult with U of I Extension Unit staff before responding or taking action for misconduct as related to violations of *Illinois 4-H Behavior Guidelines* that result in removal from 4-H or a specific activity, except in an emergency. Whenever the health or safety of others is jeopardized by the actions of a 4-H participant, the volunteer is encouraged to take necessary actions to safeguard the well-being of the participants and/or volunteers, which may include: adjourning the meeting or activity immediately, and/or contacting appropriate law enforcement authorities. In cases of minor misconduct, the 4-H volunteer will normally warn the offender and/or provide the examples of misconduct along with a warning that continued misbehavior will result in specific consequences. Any emergency action taken by a 4-H volunteer should be reported immediately to the Unit staff.

Volunteer Behavior Guidelines

All 4-H volunteers are expected to abide by the following guidelines:

- Policy 1. Treat others in a courteous, respectful manner and demonstrate behaviors of a positive role model for youth.

- Policy 2. Obey the laws of the locality, state and nation and University of Illinois Extension policies and procedures.

- Policy 3. Make all reasonable effort to assure that 4-H youth programs are accessible to youth without regard to race, color, religion, gender, national origin, ancestry, marital status, familial status, sexual orientation, or disability.

- Policy 4. Recognize that verbal and/or physical abuse and/or neglect of youth is unacceptable in 4-H youth programs and report suspected abuse to the authorities.

- Policy 5. Do not condone neglect or abuse that happens outside the program to 4-H youth and report suspected abuse to the authorities.

- Policy 6. Treat animals humanely and teach 4-H youth to provide appropriate animal care.

- Policy 7. Operate motor vehicles (including machines or equipment) in a safe and reliable manner when working with 4-H youth, only with a valid operator's license and the legally required insurance coverage.

- Policy 8. Do not possess, consume or be under the influence of alcohol or illegal substances while responsible for youth in 4-H activities, nor allow 4-H youth participants under supervision to do so. All 4-H activities and events are to be alcohol and drug free.

4-H Ruling

The Coles County Extension staff, or a designated committee, reserves the right to interpret all 4-H rules. This interpretation shall be final. Complaints should be made in writing and signed. These complaints should be accompanied by the necessary proof to substantiate the complaint. All complaints will be reviewed. See p. 26 of for more information about protests.

Consequences:

University of Illinois Extension reserves the right to restrict participation in future activities for those individuals who have been removed from an activity for behavior, as outlined in Category 1 or Category 2. In all cases, the participant will be responsible for restitution of any damages incurred by his/her actions.

Category 1:

1. When notified of any of the actions listed under Category 1, the adult in charge, will ascertain the relevant facts, and, with concurrence from the U of I Extension staff, will notify the affected participant of the action and any supporting evidence. The participant will be allowed an opportunity to answer the allegations and, if necessary, law enforcement officials will be notified. While facts are being verified, the participant will be removed from the 4-H activity/event and be under direct supervision of an adult chaperon.

2. The parent or guardian will be notified of the actions of the participant, and upon finding the allegations to be true, must immediately remove the participant from the activity at the parent's or guardian's expense.

3. Documentation must be completed on an "Incident Report Form."

Policies

Category 2:

1. When notified of any of the actions listed under Category 2, the adult in charge, will ascertain the relevant facts, and, with concurrence from the U of I Extension staff, will notify the participant of the action and any supporting evidence. The participant will be allowed an opportunity to answer the allegations and, if necessary, law enforcement officials will be notified. While facts are being verified, the participant will be removed from the 4-H activity/event and be under direct supervision of an adult chaperon.
2. The parent or guardian of the participants who violate curfew, use vehicles without authorization or leave the site of the event (as outlined in Category 2, letters a, b, c) will be notified of the actions by the participant. The parent or guardian must immediately remove the participant from the activity, at the parent's or guardian's expense. Participants who willfully disobey conduct as described in Category 2, letters d-i, will receive a verbal and written warning (initialed by the adult and the participant).

Upon receiving a second warning, the parent or guardian will be notified of the behavior and must make arrangements for removal of the participant from the activity, at the parent's or guardian's expense.

Submitting 4-H fair entries indicates you have read the above and that you agree to the following:

"We understand and accept the responsibility for following the "Code of Conduct" for this 4-H event or activity. We further understand that failure to do so will result in disciplinary action as outlined above and forfeiture of any participant's fees."

Protests

A Protest Committee will be formed to determine eligibility of projects exhibited at the fair. The exhibitor must cooperate fully with the Committee in any action they might see fit to take. The Protest Committee shall consist of appropriate superintendents and three Extension Council members. The Protest Committee, at their discretion, may also bar an exhibitor from future exhibiting in the Department.

Filing a Protest

All protests of eligibility of exhibitors or animals entered in the Coles County 4-H Show must be filed in writing at least twelve hours before the department show begins or within twelve hours after the conclusion of said show. It must be signed by two parties.

If any questions arise that are not covered by the general rules, the 4-H superintendent of the division, Extension Council representatives and Extension staff shall make the decision. Exhibit rules for 4-H shows will be enforced by superintendents, Extension staff and Council representatives. Failure to conform to the rules may result in disqualification.

COLES COUNTY CLOVERBUDS

Age requirements:

- Youth who are 5 through 7 years of age on or before September 1, 2018 may enroll in 4-H Cloverbud groups. Membership eligibility for home schooled youth should be determined by age and not school grade.

Cloverbuds must be enrolled in projects recommended for their age as indicated in the *Pick Your Project Guide*. Cloverbuds should be learning as a group with other Cloverbuds.

Cloverbuds must pay the required program fee.

In order to exhibit/display projects at the fair, Cloverbuds must meet following county requirements:

- Cloverbud **MUST** attend three local 4-H club meetings;

Animals showing at the Illinois State Fair

1. Beef, Dairy, Dairy Beef, Goats, Sheep, Swine, Rabbits, Poultry, Horse & Pony, and Dogs are not shown the same day as the other county projects. Any 4-H member meeting the State Fair requirements in the above projects listed in the Illinois State Fair Junior Department Premium Book can exhibit their animal at the State Fair. Dogs must qualify during the dog show. Registration for horses is June 1 in the Extension Office and June 24 for all other livestock showing at State Fair. Illinois State Fair information can be accessed at the following website or by contacting the Extension Office. <https://www2.illinois.gov/statefair/competitions/Pages/default.aspx>
2. Completion of the Quality Assurance & Ethics Clinic (QAEC) is **required** for all State Fair exhibitors in the beef, cats, dogs, dairy, horse, sheep, small pets, swine, goat, rabbit, and poultry classes. 4-H and FFA members complete the Quality Assurance & Ethics Clinic online using this url: <http://web.extension.uiuc.edu/qaec/> by June 1.
3. Completion of Youth for the Quality Care of Animals is **required** for all State Fair exhibitors in dairy cattle, beef, swine, sheep, and goats. Complete the training online at <http://yqca.org> by June 1.
4. All 4-H members must follow the health guidelines of the Illinois Department of Agriculture Bureau of Animal Health and Welfare when exhibiting any livestock at county and state fairs in Illinois. Those guidelines are updated annually. The 2019 guidelines can be found at <https://4h.extension.illinois.edu/programs/animal-sciences/livestock-issues>

Horses showing at the Illinois State Fair

1. Copies of the ownership and/or lease papers and one set of the photos for horse/ponies exhibiting at the State Fair must be on file with the Coles County Extension Office by June 1. Any number of pictures with ownership/lease papers may be turned in by the June 1 deadline. No 4-H'er may show more than three (3) horse/pony combinations.
2. State Fair entry forms are due into the Coles County Extension Office by June 1.
3. No replacement animals will be allowed in the State Fair Junior Horse Show unless that animal has already been registered in the Extension Office by the June 1 deadline. Replacement animals may be allowed only with a vet certificate and if the exhibitor has pictures on file with the Extension Office. The replacement horse may only be exhibited for the same classes as the horse being replaced was signed up for.
4. Violations of the ownership/leasing rules will not be tolerated. Violations may result in disqualification from current and/or the following year's State Junior Horse Show and forfeiture of all premiums and awards.

2020 IDOA LIVESTOCK HEALTH REQUIREMENTS

VISIT: <https://www2.illinois.gov/sites/agr/Animals/AnimalHealth/Pages/fair-exhibition-requirements.aspx>

LIVESTOCK SECTION

DISCLAIMER - "The Department of Agriculture shall use its best efforts to secure sufficient appropriations to fund premiums. In any year for which the General Assembly of the State of Illinois fails to make an appropriation sufficient to pay such premiums, premium amounts may not be accurately reflected in this Premium Book."

4-H GENERAL LIVESTOCK SHOW RULES

1. A Certificate of Veterinary Inspection (CVI) is required and must accompany all cattle (except steers and calves under 6 months of age), swine, sheep and goats to the fairgrounds. CVI for Illinois-origin livestock shall be void ninety (90) days after issuance. CVI for out-of-state livestock shall be void thirty (30) days after issuance.
2. Exhibits will be given one of three grades by the judge: "A" (blue ribbon), "B" (red ribbon), "C" (white ribbon). Only "A" rated animals are eligible for Champion and Reserve Champion selection.
3. Animals must remain on the fairgrounds until released by the superintendent.
4. All animals must be exhibited by the owner or by another Coles County eligible 4-H member (with approval of the superintendent) if it is impossible for the owner to show. **In NO case will someone other than a Coles County 4-H member be allowed to show the animal.** Spectators and friends will not be allowed in the show ring during judging.
5. Purebred animals must be registered or have registration applied for in the member's name or immediate family member and 4-H'er's name as of date project started. (Immediate family includes, Mother, Father, Brother/Sister, or Legal Guardian) Any animal without registration papers will not be allowed to show in the Purebred Breeding Animal Classes. Registration papers may be checked at the show.
6. Animals or livestock must have been owned, personally cared for, and in possession of the exhibitor by the effective ownership date unless otherwise stated.
7. Exhibitors should wear appropriate clothing and closed toe footwear. An exhibitor may be asked to change attire if found inappropriate. Examples of inappropriate attire include halter tops, bare midriffs, spaghetti straps, tube tops, see-through clothing, flip-flops, short shorts, and sunglasses.
8. 4-H'ers must be totally involved with the grooming of their livestock projects for the 4-H Show. Grooming of animals for Coles County 4-H competition shall be limited to the 4-H member, their family and other Coles County 4-H members. Ethical practices must be used for grooming.
9. Pens, stalls, and alleys must be clean and sanitary at all times. Exhibitors must leave stalls and pens in a clean and orderly condition after the show.
10. All large and small animal exhibitors exhibiting at the State Fair are required to have completed the on-line Quality Assurance and Ethics Certification (QAEC) at <http://web.extension.illinois.edu/qaec/>. Deadline to complete QAEC is June 1.
11. **Blood Testing Provision** – Illinois Department of Ag personnel may collect blood, tissue or urine samples from any animal being exhibited to test for the presence of illegal drugs.
12. **Physical Abuse Statement** - All exhibitors of animals at any Illinois fair or exhibition shall comply with the provisions of the Illinois Humane Care for Animals Act. If violations are observed, the animals will be excused from exhibition and ordered to be removed from the grounds with all awards being forfeited. As determined by fair officials, superintendents, or veterinarians any practice or deviation from normal humane husbandry practices, including but not limited to artificial manipulations, physical abuse, withholding of feed or water, medical treatments or mechanical applications of any substance, other than

on the prescription of a licensed veterinarian, will constitute a violation of show rules and are subject to the above provisions. (The Illinois Humane Care for Animals Act is on file at the Extension Office.)

2020 COLES COUNTY FOUNDATION LIVESTOCK AUCTION

Sponsored by the Coles County Extension Foundation

SHOWMANSHIP CONTESTS

At the conclusion of the Sheep, Swine, Beef, Rabbit, Poultry, Horse, and Goat Shows, a showmanship contest will be held. The contests include a Junior Contest (ages 8-13) and a Senior Contest (ages 14-19). The following rules govern the livestock species showmanship contests:

1. Exhibitor must wear their exhibitor number.
2. The 4-H'ers age on the date of the show will be used to determine if he/she competes in the Jr. or Sr. division.
3. A Coles County 4-H'er may enter any species showmanship contest if he/she is exhibiting 4-H livestock projects at the current year's shows.
4. An individual may not win Jr. or Sr. division for two consecutive years in the same species.
5. Any Sr. division contestant in a swine, sheep or beef showmanship contest can win only in one species in the same year.
6. A Champion and Reserve Champion will be selected for both Jr. and Sr. Divisions. Champion and Reserve Champion of the Sr. Division will advance to Master Showmanship contest as equals.

MASTER SHOWMANSHIP CONTEST

The Master Showmanship contest is sponsored by the Young Leaders of Coles County Farm Bureau, The following rules govern the overall showmanship competition:

1. There will be two exhibitors selected in each of the beef, swine, and sheep species to participate in the Coles County Master Showmanship Contest.
2. The exhibitor must be fourteen (14) years of age or older at the time of the event.
3. The exhibitor must be enrolled in 4-H and be in good standing within their club.
4. To participate in the contest, the exhibitor must have all entry cards, and paperwork filled out correctly with required information. The contest organizers should prepare this information prior to the event.
5. Participants in the Contest must supply their own livestock for the competition. Each exhibitor must own or borrow each: a steer or heifer, a market or breeding lamb, and a market hog or breeding gilt. *The Coles County Young Leaders will NOT supply any animals for competition.* However if contestants cannot find their own livestock, we will assist in finding an animal.
6. Exhibitors will be given 15 minutes between species, to prepare each animal prior to coming into the ring. *NO Fitting will be done inside the show ring. NO paints or adhesives will be permitted on livestock.*
7. Exhibitor will be judged with same rules and methods of the Illinois State Fair Master Showmanship Contest.
8. Judges will be furnished through the Young Leaders.
9. One overall showmanship winner and one alternate will be selected. The winner will have the opportunity to represent the county at the State Fair Master Showmanship contest held in Springfield Illinois. If the winner is unable to participate, the alternate will be given the right to represent the county.
10. There will be no limit to the amount of times any individual may participate in the Master Showmanship contest.
11. Awards for the top two overall winners in the contest will be presented at the conclusion of the contest.
12. Contest organizers withhold the right to expel any individual who has violated any of the rules or regulations, or exhibits improper conduct that is unbecoming a 4-H member.
13. The contest will adhere to any and all guidelines in relation to the Coles County Fair issued by the Illinois Department of Agriculture.
14. The contest will be held at 6:00 p.m. on the Wednesday of the fair in the cattle show ring of the Fairgrounds.

4-H PREMIUMS

The Agricultural Premium Fund is authorized under the Agricultural Fair Act and administered by the Illinois Department of Agriculture Bureau of County Fairs. The 4-H portion of the Agricultural Premium Fund is administered by University of Illinois Extension. To be eligible to receive 4-H premiums

Premiums

(monetary award) 4-H members must be enrolled in a premium eligible project **and** exhibit their completed project during Coles County 4-H public exhibitions.

*Premiums will be provided based on available funds. **Disclaimer: "The Department of Agriculture shall use its best efforts to secure sufficient appropriations to fund premiums. In any year for which the General Assembly of the State of Illinois fails to make an appropriation sufficient to pay such premiums, premium amounts may not be accurately reflected in this Premium Book."***

There are two classifications of projects—Premium Eligible Projects and Non Premium Eligible Projects. Premium Eligible Projects are state approved projects with a public exhibit opportunity.

Coles County 4-H uses an X factor to calculate premiums. Each Premium Eligible Project is classified into one of two premium categories. Below is a table that shows the values of "Blue", "Red", and "White" ratings in each of the two categories.

Thus a "Blue" rating in Category II is worth three times as much as a "White" rating in that same category. A summary of what category projects are in is listed below. Every attempt has been made to place projects in appropriate categories. Any exclusions are simply an oversight.

Category I—Non Premium Eligible Projects—All county level projects, and Cloverbud exhibits.

Category II—Premium Eligible Projects—Aerospace, Animal Science, Bicycles, Civic Engagement, Clothing and Textiles, Communications, Computer Science, Consumer Education, Crops & Soils, Electricity, Entomology, Food and Nutrition, Forestry, Geology, Geospatial, Health, Horticulture, Intercultural, Intergenerational, Interior Design, Leadership, Natural Resources, Photography, Plants & Soils, Robotics, Small Engines, Small Pets, Theater Arts, Tractor, Veterinary Science, Video/Filmmaking, Visual Arts, Welding, Woodworking. Premium Eligible Group Projects—Citizenship Public Adventures, Passport to the World.

—Beef, Cats, Dairy Cattle, Dogs, Goats, Horse and Pony (all classes), Poultry, Rabbits, Sheep, Swine

Category	Rating		
	Blue	Red	White
Category I	0X	0X	0X
Category II	3X	2X	1X

NOTE: Only one premium is paid per class through the 4-H Ag Premium Fund to eligible 4-H'ers.

Tax Implications for Prizes, Gifts or Awards

Program Participants (including minors) will be required to provide their Social Security number or foreign national tax ID number prior to receiving a prize, gift or award to ensure proper IRS reporting as required by law. This sensitive information is kept confidential and handled through security protected software (PEAR). Participants will not be eligible for prize, gift or award if social security or foreign national tax ID information is not provided.

Checks

In years when premium checks are issued, 4-H'ers have 60 days, from the date listed on the check, to cash the check. Premium checks will be null and void after the 60 days and will not be reissued.

BEEF DIVISION

Tuesday, July 28

Judging will start at 10:00 a.m. in the Show Arena
Animals must be in place by 4:00 p.m. Sunday, July 26.

Superintendent – Mark Cox

Asst. Superintendent - Bryan Metzger, William Schilling

Note: See “General Livestock Rules” for rules that apply to all species, Pg. 28.

1. Entries in the Beef Division must have been owned and personally cared for in accordance with the following rules:
 - A. Beef cows and heifers must be owned before June 1 of the current year.
 - B. Beef market animals must be owned by February 1 of the current year.
2. All market steers and heifers will be tattooed in February on the announced date. Market Beef exhibited at the 4-H Show must match the tattoo given in February. **If a positive identification cannot be made, the market beef will not be allowed to show.**
3. Each exhibitor is limited to a maximum number of entries as follows:
Market beef classes to include Rate-of-Gain – **3 entries**
Breeding Class – **2 entries/class**
4. A Certificate of Veterinary Inspection must accompany **all** breeding stock and market heifers over six months old.
5. All purebred animals must be registered in the member’s or in an immediate family member’s name and 4-H’ers name. Registration papers **may** be checked. If no papers are available, animals will be shown in crossbred classes.
6. Market steers will be shown by the following breed breakdown: Angus, Hereford/Polled Hereford, Shorthorn, Simmental, All Other Breed and Crossbreeds.

Angus, Hereford/Polled Hereford, and Shorthorn Steers must be purebred. Simmental steers must be 1/2 blood or higher to show in the Simmental Class. The number of classes in each breed will be determined after the steers are weighed in.
7. Steers will be mouthed by the Beef Committee. Steers may have two temporary incisors out but show no evidence of eruption of permanent incisors. Regardless of age, steers not meeting these requirements cannot be exhibited.
8. Exhibitors are strongly encouraged to stall in the 4-H beef barn for the appearance of an active 4-H beef program.
9. Superintendents reserve the right to bar any animal from showing in the ring if the animal cannot be managed safely. However, it will be viewed by the judge and graded.
10. All cattle will be washed in the designated area that being the wash rack located east of the 4-H Show & Sale Arena.
11. Dying or artificially changing the color of an animal is prohibited. Coloring agents may **only** be used up to the hock (knee). Powders are not allowed on any part of the animal.

Cattle are to be shown in their natural conformation. The use of **false tail heads is prohibited**. The addition of hair, hemp or any similar substance to any part of an animal’s body is prohibited. No tail ties will be allowed for breeding or market classes. Excess adhesive on the legs beyond what is needed to groom the animal’s hair is grounds for disqualification. Exhibitors found breaking the above rules, either prior to entering the ring or while in the ring, will be asked to **immediately exit the show ring**.

State Ownership Requirements:

RATE-OF-GAIN SHOW

Monday, July 27

Judging will start at 4:00 p.m. in the Show Arena

Steers and market heifers of the Rate-of-Gain Show **will not** be shown in weight classes. Instead, all steers and market heifers will compete against each other according to the following formula:

Daily Gain – 60%

Quality Grade – 20%

Yield Grade – 20%

Each market animal will be evaluated upon leaving the scales at the weigh-in at the fair by a qualified person for quality grade (to the nearest 1/3 grade) and yield grade (to the nearest ½ or whole grade.) Each market animal will also be given a score according to his average daily gain since the initial weigh-in, in February.

The Rate-of-Gain Show will be divided into A, B, or C rating groups. In addition, the top 10 A-rated group of market animals will be required to parade in the show ring immediately prior to the selection of the Grand Champion Steer. These will be the top ten ranked market animals of the group and each will be briefly discussed regarding their performance and grades.

All steers and market heifers weighed in February will be entered in the Rate-of-Gain Class.

Show Classes

HORSE AND PONY
Friday, July 31

Judging will start at 9:00 a.m. in the Horse Arena.
Animals must be in place by scheduled time.

Superintendent - Scott & Carrie Gossett

Ownership/Lease

Horse and ponies must be owned or leased by the 4-H member and must be part of the member’s project. Current proof of ownership must be on file by **June 1** of the exhibit year at the county Extension office. 4-H’ers should include papers for all animals that the member may plan to exhibit at the State Junior Horse Show and the 4-H County Show. This is mandatory for all horses and ponies, grade and registered animals.

All papers are kept on file until the 4-H member removes them. Exhibitor does NOT need to re-submit proof of ownership papers every year. The exhibitor should keep all ownership papers on file current. For example, if a horse/pony has not been shown previously, its papers must be added to the exhibitor’s file.

Proof of ownership requirements are:

- Non-registered horses: ownership forms are available at the office.
- Leased horses: lease agreement forms available at the office. If the leased horse is the same as previous year, **a new form must be submitted.**
- Two photos of the horse/pony – one photo of each side. If horse/pony has previously been shown at IL Jr. Horse show, original photos were sent with entries and new photos must be submitted to exhibitor’s ownership file.
- Registered horses: copy of registration papers

1. Horses and ponies must be on the grounds by the scheduled time. Show will begin promptly at designated time.
2. Exhibitors must present a negative Coggins test certificate for each animal. You can bring it the day of the show OR prior to the horse show, you can put a copy in your file at the office.
3. Entries in the “Age of Exhibitor” classes (13 and under), (14 and over) are to be made using the exhibitor’s age as of September 1 of the current 4-H year.
4. An exhibitor (inexperienced rider) entering the “Walk and Trot” class may not enter the following classes: pleasure, equitation and horsemanship.
5. Ponies in the 56” and under classes are subject to measurement. No ponies 56” and under will be allowed in the over 56” classes. Miniature horses must measure no greater than 34” for the miniatures classes.
6. Superintendents reserve the right to bar any animal from showing in the ring if the animal cannot be managed safely. However, it will be viewed by the judge and graded.
7. Exhibitors with unsportsmanlike conduct will be excused from the class.
8. An animal may be shown by more than one exhibitor from the same family but not in the same class. (i.e. two sisters may show the same horse, one showing in the pole bending

class and the other in the flag race. They may not both show the same horse in the Pole Bending class.)

9. For safety reasons, the exhibitor will be required to wear boots, preferably with some kind of heel, while exhibiting. It is suggested that the exhibitor wear a long sleeved shirt.
10. **Equine Headgear:** All 4-H members are required to wear a properly fitted ASTM or SEI standard F1163 (or above) certified equestrian helmet whenever mounted or driving at all 4-H horse and pony events, shows, activities, or practices.
11. Exhibitor must wear proper attire for English Class which requires helmet.
12. Gaming classes must be run in Western attire and tack. A stock type saddle must be used and it must fit the horse and the rider. Open toed stirrups are required and tapaderos will not be allowed. Any half-breed, snaffle, curb, or spade bit may be used with split reins or romal. Curb chains must be at least ½" wide and be flat against the jaws of the horse. All curb chains must meet with the judge's approval. No wire, bosals, martingales and draw or side reins will be allowed. Rope and slicker are optional and hobbles are recommended with the use of a romal. Silver equipment may be used but shall not be given preference over good working equipment.
13. Halter classes will be shown in halter or as breed requires. Showmanship at halter can be Western or English.
14. There will be a five minute time limit for tack changes.
15. Current AQHA rules will apply in all cases where 4-H rules do not apply.

Clarifications for 4-H General Projects for 2020

- **Definition of a display** - The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances or posters which you have made. Choose whatever method best shows what you've learned. The 4-H'er must furnish any equipment needed for the exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.
- **Ready4Life Challenge (Career & Entrepreneurship Exploration)**
 - Must be enrolled in the specific Ready4Life project to exhibit.
 - Open to ages 11 to 18 year-olds.

Exhibits in this category must include the following:

- A physical representation of the career or business product such as a model, prototype or display/portfolio that includes images of accomplished work.
- Verbal or written explanations that demonstrate knowledge of the related career or business fields, potential careers, and the appropriate requirements for achievement in those fields.
- The judging criteria for this class values thoroughness of career and/or business exploration and pursuit above the workmanship of the physical specimen on display.
- **Maker Class**

Exhibits in this category are designed to be multi-disciplinary in nature, innovative, and must not fit into any other exhibit category. To qualify for this category, your project **MUST** abide by the following guidelines:

- Exhibits must be an object or device that has an intended purpose and uses technology in either a mechanical way, digital (computer) way, or combination of the two.
- The device must be something that can be used in everyday life by multiple people (a target audience), and **MUST** be manufactured/built by the exhibitor (if not fully manufactured by the exhibitor, the device **MUST** be modified structurally or be reprogrammed to perform a different function other than what it was designed to do).
- Exhibit **MUST** be able to interact with the outside world. (e.g. an on off switch, input sensors, feedback, etc.)
- Exhibit **MUST** include a detailed build log with instructions on how to make or build the exhibit, **AND** contain either a 3D rendering or detailed and labeled sketches or the device/product.
- All parts and software used in the design/build **MUST** be listed in a detailed Bill of Materials including cost per item and total cost. Total time spent on the build must be documented in your build log.

In addition, exhibitors are **HIGHLY** encouraged to use tools such as 3-D printers, laser cutters, routers and/or other hand/power tools to help in the manufacturing process.

(NOTE: Simply 3-D printing or laser cutting an object without the other specifications does not qualify as a Maker Project). It is also **HIGHLY** encouraged that exhibits use Open Source Software and/or Hardware in the build.

Sign up for this class in FairEntry under the Maker class, not the project area class.

What is the Maker Movement?

The Maker Movement is a technology based social movement focused on individuals creating new and useful devices in a DIY manner. The Maker Movement utilizes the power of collaboration on a global scale to create and share ideas, software and hardware that is continuously improved on by anyone willing to contribute. The software and hardware that arise from these global communities is commonly known as open source technologies. The Maker Class empowers those with the creativity and desire to create useful devices or gadgets that have implications beyond this project, and can be useful in the real world.

Who can exhibit in this class?

Any youth that is enrolled in ANY 4-H project area can exhibit in the maker class.

Does the youth have to build a device or can they just design it?

All exhibits must be **MUST** be manufactured/built by the exhibitor (If not fully manufactured by the exhibitor, the device **MUST** be modified structurally or be reprogrammed to perform a different function other than what it was designed to do.

What is Open Source, and does the project have to include open source technologies?

Open Source technologies are software or hardware that is created and shared openly by an individual maker or group. With open source software, the source code of the program or app is freely available to download, use and modify to your needs. This is in contrast to a closed source program or app that cost money and can only be used but not modified. Open source hardware may have a fee associated with it, but the plans and specs are available for makers to modify the hardware to their needs. Projects do not necessarily need to use open source technologies, however must be accompanied by detailed build logs and a bill of materials which will make them a part of the open source universe.

What qualifies as a maker project?

Exhibits must be an object or device that has an intended purpose and uses technology in either a mechanical way, digital (computer) way, or combination of the two. The device must be something that can be used in everyday life by multiple people (a target audience), and **MUST** be manufactured/built by the exhibitor (If not fully manufactured by the exhibitor, the device **MUST** be modified structurally or be reprogrammed to perform a different function other than what it was designed to do. Exhibit **MUST** be able to interact with the outside world. (e.g. an on off switch, input sensors, feedback, etc.) and **MUST** include a detailed build log and bill of materials. A 3D printed or laser cut object alone does not qualify for this class. Projects will be judged on originality, real world applications and market viability, ability to explain design process and concepts, as well as the appearance and build log/bill of materials.

Examples include:

- A weather station that updates a farmer on current weather conditions
- A Raspberry Pi based device that keeps track of animals on a farm
- A device that recognizes friends that come over for sleep overs
- A new design for a mechanical blender
- A light up shirt for night time bike riders
- A homemade videogame arcade that uses open source software as the operating system.
- A handheld device used for identifying insects on freshly picked fruit

AEROSPACE

Judging—Thursday, June 25

Judging will start at **5:30** p.m.

4-H'er must be present for judging.

Rockets will be launched after judging is completed.
(approximately 7:30 p.m.)

Exhibitor limited to one entry per class.

There is no maximum size limit for exhibits. Please choose a display size which is most appropriate for the exhibit you are bringing. Larger does not always mean better; use good judgment in creating your exhibit.

- **Model Rocketry 2, 3, 4:** Exhibit one model rocket assembled by the member. The exhibit will be a static display. The model rocket should be in good flying condition. DO NOT include the rocket engine with your exhibit. **Attach a printed copy of directions for construction of the rocket and display in a sheet protector. Judging will be based on how well you follow the instructions.** Balsa fins are preferred. No plastic fins. No RTF (ready to fly models). Bring a low power engine if planning on launching.
- **Aerospace Display 2, 3, 4:** Prepare a display related to the aerospace project which does not fit in the model rocketry class. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. See page 49 for the full definition of what could be included in a display.
- **Ready4Life Challenge:** See page 49 for the full list of requirements Ready4Life Challenge Projects.
- **Maker Class:** See page 49 for the full list of requirements for Maker Projects.

CLOTHING & TEXTILES

Judging - Tuesday, July 7

Judging will start at 4:30 p.m. at the Cross County Mall, Mattoon

Exhibits must be in place by 4:00 p.m.

4-H'er must be present for judging.

Exhibitor limited to one entry per project area.

Exhibitors bringing garments should not wear their garments when they arrive for judging, the garment will be reviewed by the judges for construction first. Exhibitors will be asked to change into the garment as the second step of the judging process. If the garment was constructed for another individual, that individual must be present to wear the garment for the judge. (Only the exhibitor who made the garment is eligible for ribbon and premium.) Construction and appearance will both be considered during judging. **If a pattern was used to make the item, the pattern instructions, either written or electronic, are to be included with the exhibit.** Exhibit tags should be attached to the garment, not to the hanger.

Members wishing to exhibit knitted items should enroll in Visual Arts and exhibit in Fiber (if original) or Heritage Arts (if made from a pattern). Members who enroll in Clothing & Textiles with the intent of pursuing quilting can exhibit in the non-clothing exhibit category in STEAM Clothing 1—FUNDamentals. Quilts exhibited in the Clothing & Textiles area will be judged using a rubric that evaluates the sewing skills and construction of the item. All work on the quilt **MUST** be completed by the 4-H member. You cannot exhibit a quilt that was quilted by someone else. Quilts can be hand OR machine quilted as long as ALL work is completed by the exhibitor.

Exhibit tags should be attached to the GARMENT, not to the hanger.

Exhibitors may bring computer equipment for demonstration purposes. Computers will not be furnished. The Extension staff are not responsible for the safety or security of any computer equipment. Internet connections are not available for use by exhibitors. Any member found to be using computer software in a manner that infringes on copyright laws will be disqualified.

----- **Beginning Visual Programming: *NOT ELIGIBLE FOR STATE FAIR* (Open to youth in Visual Based Programming)** Exhibit a simple program using Scratch (or other simple graphic programming language). The program should include 8 different commands including looping and getting input from the keyboard and mouse. All exhibits must include something visual, such as a poster or printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

----- **Intermediate Visual Programming: (Open to youth in Visual Based Programming)** Exhibit a program using Scratch (or other simple graphic programming) that you have downloaded from the internet and modified. Compare the two programs and demonstrate the changes you made to the original program; **OR** create an animated storybook using Scratch (or other simple graphical programming language). All exhibits must include something visual, such as a poster or printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

----- **Advance Visual Programming: (Open to youth in Visual Based Programming)** Exhibit a video game you have created in Scratch (or other simple graphic programming). All exhibits must include something visual, such as a poster or printed copy of

a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

----- **Website Design (Open to youth in Computer Science Visual or Text Based Programming)** Exhibit an original website that you have designed. Internet access will not be provided, so exhibitors must supply their own internet hot spot or the website must be hosted on the exhibitor's computer). All exhibits must include something visual, such as a poster or printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

----- **Computer Open Source/Innovation CS: (Open to youth enrolled in Computer Science Text Based Programming or Robotics project)** Demonstrate the skills and knowledge you have gained through the Computer project. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. Exhibits in this class may also demonstrate successful application of open source (publicly available) computing software and/or hardware, such as Raspberry Pi and Linux, to accomplish a task. All exhibits must include something visual, such as a poster or printed copy of a digital presentation or programming flowchart, which will remain on display during the exhibition. Exhibits in this area will be judged on the computer science programming. Youth enrolled in a robotics project should choose this class if you want the exhibit to be judged on the programming of the robot. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

----- **My Financial Future – Beginner:** Develop a Financial Planning portfolio which includes the items listed below. This project can be completed all in one year; or a member may take several years to explore each of the activities and develop a more detailed financial plan. The original OR photocopies of the completed activities from the project manual should be included in the portfolio. Each year enrolled in the project should build on previous year experiences.

First Year – Complete a minimum of Activities 1-6 from the My Financial Future – Beginner project manual which includes: Who Needs This?; Let's get SMART; Bringing Home the Bacon; Managing Your Money Flow; My Money Personality; and Money Decisions.

Second Year and Beyond – Complete a minimum of Activities 7-11 from the My

Financial Future – Beginner project manual which includes: Banking your \$\$\$\$; Charging it Up; Check it Out; Better than a Piggy Bank!; and My Work; My Future.

----- **My Financial Future 2 Advanced:** Building on your previous work in My Financial Future – Beginner project, continue adding to your Financial Planning portfolio which includes the items listed below. Members are encouraged to spend more than one year involved in this project so they have time to thoroughly explore the learning modules and develop a greater understanding of financial literacy, planning for their future, and develop a comprehensive career and financial planning portfolio. The original OR photocopies of the completed activities from the project manual should be included in the portfolio. Each year enrolled in the project should build on previous year’s learning experiences.

First Year – Complete a minimum of two activities from Module 1: Earning Income and Career Planning and Module 2: Organizing Your Flow.

Second Year – Complete all activities not previously completed in Module 1: Earning Income and Career Planning and Module 2: Organizing Your Flow; AND a minimum of two the activities from Module 3: Working with Banks and Credit Unions: Bank on It and Module 4: Making Your \$ Work 4 U.

Third Year and beyond – Complete all activities not previously completed in Module 3: Working with Banks and Credit Unions: Bank on It and Module 4: Making Your \$ Work 4 U; AND a minimum of two activities from Module 5: Credit and Consumer Breadcrumbs.

----- **Be the EI** – ***Not eligible for State Fair***: Exhibit a binder portfolio or display that includes the results of at least two completed activities from each year exhibitor has been enrolled in the project. Completed activities from previous years should be included. Use of page protectors is recommended.

CROPS

Judging – Saturday, July 18

Judging will start at 9:00 a.m. at the 4-H Center/Arts Hall

4-H'er must be present for judging.

Exhibitor limited to one entry per crop group.

All Crops exhibited must have been grown and cared for by the exhibitor as part of their current 4-H Crops project.

REMINDER - Include the member’s crop records with the exhibit, such as the 4-H Crop record found online @ <https://4h.extension.illinois.edu/sites/4h.extension.illinois.edu/files/projects/documents/STEM/crops-and-soils-record-form-2016.pdf>, a FFA crops record or similar information. **Crop records should be displayed in a sheet protector.**

----- **Soybeans** - Exhibit five fresh plants (include root system that is washed) that are representative of member’s 4-H project field. Include the 4-H Crop Record. **OR** exhibit an experimental or educational project related to one experience from your project. Include explanation of the project in a report for public understanding.

----- **Corn** - Exhibit two fresh plants of field corn (include root system that is washed), that is representative of member’s 4-H project field. Include the 4-H Crop Record. **OR** exhibit an experimental or educational project related to one experience from your project. Include explanation of the project in a report for public understanding.

- **Small Grains** - Exhibit one gallon of the current year's crop of oats, wheat, rye, or barley that is representative of the member's 4-H project field. Include the 4-H Crop Record. **OR** exhibit an experimental or educational project related to one experience from your project. Include explanation of the project in a report for public understanding.

- **Crops Innovation Class: (Open to youth enrolled in any Crops project.)**
Demonstrate the skills and knowledge you have gained through the Crops project. This could be related to, but not limited to crop production, crop utilization or topics of interest to the member related to agronomy. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. It is strongly suggested that members use recommended construction details including proper color coding provided by the Energy Education Council (EEC) that have been provided on the EEC 4-H website; <http://www.energyeducation.org/4-H.html>

- **Electricity 1:** (May only be battery-powered projects using battery components and wiring). Exhibit a momentary switch, simple switch, basic circuit, electromagnet, galvanometer, **OR** an electric motor. All projects must include a report explaining how the project was constructed and the principles demonstrated. Recommendations can be found on the website. Projects using paper clips, cardboard, thumbtacks, & brads are not eligible for state fair exhibits in electricity. Members wishing to exhibit these types of projects should consider exhibiting in Junkdrawer Robotics 1 or 2.

- **Electricity 2:** (May only be battery-powered projects using battery components and wiring) Exhibit a circuit board demonstrating parallel and series switches, including a circuit diagram; 3-way or 4-way switch circuit using DC/battery; **OR** a basic electrical device (examples: rocket launcher, burglar alarm, etc). All projects must include a report explaining how the project was constructed and the principles demonstrated. Recommendations can be found on the website. Projects using paper clips, cardboard, thumbtacks, & brads are not eligible for state fair exhibits in electricity. Members wishing to exhibit these types of projects should consider exhibiting in Junkdrawer Robotics 1 or 2.

- **Electricity 3:** Exhibit a 120V lighting fixture or other appliance which uses a switch; **OR** two electrical household circuits using 120V materials to comply with National Electrical Code, one with a simple on/off switch to control bulb, and one using

3-way switches to control light from two locations; **OR** other project which demonstrates principles in the *Wired for Power* book. All electricity projects must include a report, explaining how the project was constructed, and principles for its operation. Recommendations can be found on the website.

----- **Electricity 4 *Not eligible for State Fair*:** Exhibit any electronic or solid state appliance. Exhibitor must be able to explain how the project was constructed, how it is to be used and how it works. When project is being constructed, general safety and workmanship should be considered. All projects must include a report explaining how the project was constructed and the principles demonstrated.

ENTOMOLOGY

Judging – Saturday, July 18

Judging will start at 9:00 a.m. in the 4-H Center/Arts Hall

4-H'er must be present for judging.

Exhibitor limited to one entry.

Size and number of exhibit cases should relate appropriately to the number of insects being displayed for a specified class. Cases should be no deeper than 4". Exhibitors should note that Entomology exhibits may be placed UPRIGHT for display. **All paperwork should be displayed in a sheet protector.**

----- **Entomology 1:** Exhibit 15 or more species representing four or more orders. Collection must be accurately labeled. Exhibitors must also include the Entomology 1 project manual, *Teaming With Insects 1*, with at least one completed activity for each year enrolled. The project manual must be included. Rules for pinning and labeling insects are available from your local Extension office.

----- **Entomology 2:** Exhibit 30 or more species representing eight or more orders. Collection must be accurately labeled. Exhibitors must also include the Entomology 2 project manual, *Teaming With Insects 2*, with at least one completed activity for each year enrolled. The project manual must be included. Rules for pinning and labeling insects are available from your local Extension office.

----- **Entomology 3:** Exhibit 60 or more species representing twelve or more orders. Collection must be accurately labeled. Exhibitors must also include the Entomology 3 project manual, with at least one completed activity for each year enrolled. The project manual must be included. Rules for pinning and labeling insects are available from your local Extension office.

----- **Entomology Display, Other** – Exhibit any activity or display from the Entomology project books that does not fit into Entomology 1, 2 or 3 above. See page 49 for the full definition of what could be included in a display.

----- **Ready4Life Challenge:** See page 49 for the full list of requirements Ready4Life Challenge Projects.

----- **Maker Class:** See page 49 for the full list of requirements for Maker Projects.

ENTOMOLOGY BEEKEEPING

Create an exhibit that shows the public what you learned in the beekeeping project this year. **Note:** No bee hives may be exhibited. (Honey moisture content will be measured.) Fill level: the honey should be filled to the jar shoulder, not over, nor under. Chunk honey should go in a wide-mouth jar, preferably one specially made for chunk honey (see beekeeping catalogs). Be careful to distinguish "chunk honey" (comb in jar) from "cut comb" (combs only in plastic box). *Honey exhibited (including chunk, cut comb, and sections) must be collected since the previous year fair.*

- **Beekeeping 1:** Exhibit an educational display for one (1) of the following:
- Flowers Used to Make Honey. Display pressed flowers from ten (10) different Illinois plants that bees use for making honey.
 - Uses of Honey and Beeswax.
 - Setting Up a Bee Hive.
 - Safe Handling of Bees.
 - Equipment needed by a Beekeeper.

- **Beekeeping 2:** Exhibit one (1) of the following:
- Extracted Honey: Three (3) 1# jars, shown in glass, screw-top jars holding 1 # of honey each.
 - Chunk honey (comb in jar): Three (3) 1# jars (wide-mouth glass jars).
 - Cut-comb honey: Three (3) 1# boxes (boxes are usually 4 1/2" x 4 1/2").
 - Section honey: three (3) sections of comb honey (in basswood boxes or Ross rounds).
 - Working with Honey Bees. Present a topic from your manual to teach fairgoers about working with honey bees. Use your knowledge and creativity to display this information on a poster or in a notebook.

----- **Beekeeping 3:** Exhibit three (3) of the five (5) kinds of honey listed below (#1-5), or prepare an educational display about honey bees or beekeeping.

1. Extracted Honey: Three (3) 1# jars (glass)
2. Chunk Honey (comb in a jar): Three (3) 1# jars (wide-mouth glass)
3. Cut-comb Honey: Three (3) 1# boxes (boxes are usually 4 1/2" x 4 1/2" in size).
4. Comb Honey- 3 sections (honey built by bees in frames of wood commonly called "sections" (boxes are usually 4 1/2" x 4 1/2" in size)
5. Section honey: three (3) sections of comb honey (in basswood boxes or Ross rounds) **or**
6. Prepare an educational display about honey bees or beekeeping.

Bread, muffins, or scones should be displayed on a disposable plate placed in a zip-sealing plastic bag. ***In addition to your food exhibit***, complete Experiment with Meal Planning Activity on page 91 in the 4-H Cooking 201 project manual. Bring either page 91 with your completed answers or a document with the answers to remain on display with your project along with a picture of the meal you prepared. You do not need to complete the Challenge Yourself section on page 91.

----- **4-H Cooking 301: Using the recipes included in the project manual:**

- Prepare an exhibit of 3 dinner rolls **OR**
- loaf of yeast bread **OR**
- 1 tea ring **OR**
- 3 sweet rolls **OR**
- one layer of a Rich White Cake or Rich Chocolate Cake, top side up (***without frosting***)

Note- If icing is used on the tea ring or sweet rolls, the recipe for the icing must also come from the book. The yeast bread/roll dough may be prepared in a bread making machine; however prepared mixes are not permitted. If you make changes to the recipe, bring a copy of the recipe with your changes. Display exhibit on a disposable plate or pie tin and place in a zip-sealing plastic bag. **In addition to your food exhibit**, complete one of the six experiments: Experiment with Flour p. 33-34, Experiment with Kneading p. 35-36, Experiment with Yeast p. 37-38 or 39, Experiment with Butter p. 62-63 or Experiment with Cheese p. 104-105. Bring a document with a printed picture of your experiment and the answers to the experiment questions to remain on display with your project.

----- **4-H Cooking 401: Using the recipes included in the project manual:**

- Prepare an exhibit of 1/4 of a 15" x 10" loaf of focaccia bread (do not include dipping oil) **OR**
- one baked pie shell – traditional, oil, or whole wheat (no graham cracker) **OR**
- ¼ Golden Sponge Cake, top side up, **without frosting OR**
- ½ loaf French Bread

Note - . If you make changes to the recipe, bring a copy of the recipe with your changes. Display exhibit on a disposable plate and place in a zip-sealing plastic bag. **In addition to your food exhibit**, pick one of the recipes from Cooking 401 that is not a choice for exhibit. Make the recipe and take a picture of the results. Bring a document with a printed picture of the food you made from the recipe and the answers to the following two questions: 1.) If you made this recipe again, what would you do differently? 2.) What did you learn that can help you in other ways besides preparing food?

----- **Food Science 1:** prepare a display, digital presentation, or poster on one of the food science experiments from the manual that you completed. Share 1) the food science question you investigated; 2) process used to conduct the experiment; 3) results and observations; 4) what you learned; and 5) how you have applied this information. You must furnish any equipment you need for the exhibit. Internet service is not provided. All exhibits must include something visual, such as a printed copy of a digital presentation. Electronic equipment will only be used during your judging time and will not remain on display during the exhibit period.

----- **Food Science 2:** prepare a display, digital presentation, or poster on one of the food science experiments from the manual that you completed. Share 1) the food science question you investigated; 2) process used to conduct the experiment; 3) results and observations; 4) what you learned; and 5) how you have applied this information. You must furnish any equipment you need for the exhibit. Internet service is not provided. All exhibits must include something visual, such as a printed copy of a digital presentation. Electronic equipment will only be used during your judging time and will not remain on display during the exhibit period.

----- **Food Science 3:** prepare a display, digital presentation, or poster on one of the food science experiments from the manual that you completed. Share 1) the food science question you investigated; 2) process used to conduct the experiment; 3) results and observations; 4) what you learned; and 5) how you have applied this information. You must furnish any equipment you need for the exhibit. Internet service is not provided. All exhibits must include something visual, such as a printed copy of a digital presentation. Electronic equipment will only be used during your judging time and will not remain on display during the exhibit period.

----- **Food Science 4:** prepare a display, digital presentation, or poster on one of the food science experiments from the manual that you completed. Share 1) the food science question you investigated; 2) process used to conduct the experiment; 3) results and observations; 4) what you learned; and 5) how you have applied this information. You must furnish any equipment you need for the exhibit. Internet service is not provided. All exhibits must include something visual, such as a printed copy of a digital presentation. Electronic equipment will only be used during your judging time and will not remain on display during the exhibit period.

----- **Sports Nutrition:** prepare a display, digital presentation, or poster on one of the activity chapters in the manual that you completed. The activity chapters are

listed by page number in the table of contents. Your exhibit should include, at minimum, information on one physical fitness component and one food/recipe component from the activity chapter. The exhibit should include the project manual with the pages of the activity completed. You may also include live demonstration of physical activities. Do not bring food made using the recipes, but consider adding pictures of the completed recipes to your exhibit. You must furnish any equipment you need for the exhibit. Internet service is not provided. All exhibits must include something visual, such as a printed copy of a digital presentation. Electronic equipment will only be used during your judging time and will not remain on display during the exhibit period.

Examples for Activity 1

Example A: Make a video of yourself practicing flexibility, strength and endurance physical fitness activities and making pasta salad with different vegetable, pasta and dressing ideas. Bring a screen shot and brief description of your video to leave on display.

Example B: Make a poster of pictures of flexibility, strength and endurance physical fitness activities and information on the results of making the spinach and mandarin orange salad. Include answers to the questions in the book.

----- **Food Preservation:** Prepare an exhibit using ONE of the following food preservation methods: canning; freezing; drying; pickles/relishes; jams, jellies and preserves **OR** a combination of these (see Preservation Combination option below), excluding Freezing. **No freezer jam exhibits will be allowed for Freezing; Jams, Jellies, and Preserves; or for the Preservation Combination options.**

Canning – The exhibit should include two different canned foods in appropriate jars for the products. Food may be fruit, vegetable, or tomato product (i.e. salsa, juice, etc.).

Freezing – Prepare a nutrition display that illustrates a freezing principle. There is NOT a food exhibit option for this preservation method.

Drying – Exhibit two (2) different dried foods packed in plastic food storage bags. Choose from fruit, vegetable, fruit leather or meat jerky.

Pickles and Relishes – Exhibit two pint jars of different recipes of pickles and/or relishes.

Jams, Jellies, and Preserves – Exhibit half-pint jars of two different jams, jellies, and/or preserves.

Preservation Combination – Exhibit two different preserved food products, excluding Freezing, in appropriate jars/packaging (drying). For example, exhibit 1 jar of tomatoes (Canning) and 1 half-pint of jelly (Jams, Jellies, and Preserves).

All preserved products should be prepared and processed according to the current USDA/Extension information. USDA information on preserving food, including recipes, can be found at: www.homefoodpreservation.com or web.extension.illinois.edu/foodpreservation/ Recipes must be processed in a water-bath or pressure canner. Note that exhibits will not be judged on taste.

All food exhibits must be labeled with: 1) The name of the food; 2) The method of food preservation; 3) The date preserved

For canned projects: boiling water bath or pressure canner

For drying projects: specify equipment used (food dehydrator, oven, etc.)

Examples:

*Strawberry jam, boiling water bath. July 13, 2014.

*Green beans, pressure canner. July 13, 2014.

*Beef jerky, food dehydrator and oven. July 13, 2014.

All food exhibits must be accompanied with the recipe(s) – typed or written, with the source of the recipe(s) listed.. **Required Recipes and Sources for Food Preservation Exhibits** – all

food preservation recipes be from an approved source. Those sources are:

- *PUT IT UP! Food Preservation for Youth* manuals
- U.S. Department of Agriculture (USDA)
- National Center for Home Food Preservation
- Ball/Kerr Canning (recipes after 1985)
- Mrs. Wages

DO NOT BRING RECIPES FROM: Magazine or newspaper clippings, Pinterest (unless it is from a source listed above), Grandma’s or a recipe from a family member or friend without a source, Cookbooks (excluding the Ball, Kerr and Put It Up! book).

Canning Equipment Requirements: All canned products must be canned in clear, standard jars in good condition (no chips or cracks). Jars must be sealed using two-piece canning lids (flat lid and band). Must use a new, unused flat lid. Bands must not be rusty or severely worn.

----- **Foods Innovation Class (Open to youth enrolled in any Foods project).**
 Demonstrate the skills and knowledge you have gained through the project. The exhibit may include, but isn’t limited to, original recipes, results of experiments not in the foods project books, variations on recipes or experimenting with unique cooking or baking methods. Your work can be displayed by a food product, demonstrations, digital presentations, performances, or posters which you have made. Choose whatever method best shows what you’ve learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period. If you bring a food product, the food will NOT be tasted.

This could include, but is not limited to, displays on: different types of knots or rigs and their use; a collection of fishing lures, labeled with their use; or information on preparing and cooking fish (not recipes). **For safety reasons, lures must be placed in a plastic case.**
- **Sportsfishing 3:** Exhibit a product or display made to complete an activity in the *Cast into the Future* project manual. This could include, but is not limited to, displays on: making artificial flies and lures; researching effects of water temperature; sportsfishing careers; or identifying insects that fish eat. **For safety reasons, lures must be placed in a plastic case.**
- **Wildlife 1:** Exhibit any activity developed from the project manual. (Ex. Identify different wildlife habitats.) Within the exhibit, explain the importance of knowing the information shared.
- **Wildlife 2:** Exhibit any activity developed from the project manual. (Ex. Create a display of the life history of an animal.) Within the exhibit, explain the importance of and concept behind the exhibit.
- **Wildlife 3:** Exhibit any activity developed from the project manual. Be able to explain the importance of and concept behind the exhibit.
- **Natural Resources/Sportsfishing/Wildlife Ready4Life Challenge:** See page 49 for the full list of requirements Ready4Life Challenge Projects.
- **Maker Class:** See page 49 for the full list of requirements for Maker Projects.
- **Exploring Your Environment 1 (Ecosystem Services) *NOT ELIGIBLE FOR STATE FAIR*:** Prepare a display or poster that illustrates an activity from the project manual. The display should demonstrate an understanding of natural and/or manmade environments, how humans affect the environment, or how the environment affects our lives. Include your project manual that documents activity recordkeeping, your answers to activity questions, and details the exhibitors thoughts and ideas.

----- **Exploring Your Environment 2 (Earth's Capacity) *NOT ELIGIBLE FOR STATE FAIR*:** Prepare a display or poster that illustrates an activity from the project manual. The display should demonstrate an understanding of one of the following: stewardship of natural resources, investigating greenhouse effects on living organisms, methods of reducing or managing waste in your home or community, or calculating your ecological footprint. Include your project manual that documents activity recordkeeping, your answers to activity questions, and details the exhibitor's thoughts and ideas.

PHOTOGRAPHY

Judging - Saturday, July 18

Judging will start at 9:00 a.m. in the 4-H Center/Arts Hall

4-H'er must be present for judging.

Exhibitor limited to one entry.

ALL photos in exhibits must have been taken by exhibitor. Exhibitor in all classes should be prepared to discuss what type of camera and settings were used for the exhibit photographs with the judge. Photos may be taken with a camera, an electronic tablet (i.e. iPad), or a cell phone. Photos exhibited in frames should be prepared for hanging. Photo/model releases from individuals pictured in the exhibitors photographs are required unless the photograph is of a group in a public place where identification would not be an issue. The release can be obtained at: <https://4h.extension.illinois.edu/members/projects/photography>. In addition to the project/class for which the 4-H'er is enrolled, the exhibitor may also enter one entry in the photo editing class.

ALL photos (including Photo Editing exhibits) must be accompanied by details of the camera settings that include:

- a. Camera/device used
- b. Aperture (F-stop)
- c. Exposure time (shutter speed)
- d. ISO (film/sensor sensitivity)
- e. Lighting used (flash, artificial, sunlight, other)
- f. Photo editing software/application used (required for ALL edits and retouches except for cropping)
- g. Filters used (lens filters and or digital/software filters)
Members are allowed to shoot on a camera's automatic setting, but should be able to find the metadata information on the photo to discuss the information above.

The exhibition size requirements for all photographs will be:

Minimum image size: 5X7

Maximum image size: 8X10

Maximum exhibit size (including frame): 18X20

All exhibitors must include unframed (taped to the back of the framed exhibit or attached to the project booklet) **un-edited** versions of either the same subject or the examples of the same technique that the framed image represents. This will assist the judge in understanding the choices made by the photographer to build the exhibited composition.

NOTE: Images taken with devices that apply an automatic filter will not be eligible for award.

----- **Photography 1:** Exhibit one framed photo which demonstrates your understanding of a technique you learned from your Photography 1 project manual. No photo editing is allowed in this class except cropping and red eye removal. **Be prepared to show the page in the manual of the technique you are demonstrating.**

- **Photography 2:** Exhibit one of the three options listed below:
 - Exhibit one framed 8x10 close-up photograph using the skills learned on page 61-63 of the project manual titled "Bits and Pieces." No photo editing is allowed in this class except cropping and red eye removal; **OR**
 - Exhibit one framed 8"x10" photo which demonstrates your understanding of a technique you learned from your Photography 2 project manual. No photo editing is allowed in this class except cropping and red eye removal. **Be prepared to show the page in the manual of the technique you are demonstrating.**

- **Photography 3:** Exhibit one of the three options listed below:
 - Exhibit one framed 8" x 10" still-life photo that demonstrates good composition, including color, form, texture, lighting and depth of field. No photo editing is allowed in this class except cropping and red eye removal; **OR**
 - Exhibit one framed 8"x10" photo which demonstrates your understanding of a technique you learned from your Photography 3 project manual. No photo editing is allowed in this class except cropping and red eye removal. **Be prepared to show the page in the manual of the technique you are demonstrating.**

- **Photo Editing – (Open to members in Photography 1, 2 or 3)** Exhibit one framed 8" x 10" photo that has been altered using digital photo-editing techniques (beyond cropping and red-eye reduction). Include a print of the original photo(s), taped to the back of the photo frame. **Photos in which an automatic filter was applied at the time the photograph was taken will not be eligible for award.**

- **Photography Innovation Class: (Open to youth enrolled in Photography 1, 2, and 3.)** Demonstrate the skills and knowledge you have gained through the Photography project. **Your exhibit should not fit in the other exhibit options for this project.** The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period. All exhibits must include one framed photo illustrative of the work you are presenting.

- **Ready4Life Challenge:** See page 49 for the full list of requirements Ready4Life Challenge Projects.

- **Maker Class:** See page 49 for the full list of requirements for Maker Projects.

PLANT & SOIL SCIENCE

Judging – Saturday, July 18

Judging will start at 9:00 a.m. in the 4-H Center/Arts Hall

4-H'er must be present for judging.

Exhibitor limited to one entry.

NOT ELIGIBLE FOR STATE FAIR

There is no maximum size limit for exhibits. Please choose a display size which is most appropriate for the exhibit you are bringing. Larger does not always mean better; use good judgment in creating your exhibit. **All paperwork should be displayed in a sheet protector.**

- **Plants & Soils 1:** Prepare a display or poster that illustrates an activity from the project manual. The display should demonstrate an understanding of environmental and internal factors that affect plant growth. Include your project journal that documents activity recordkeeping requirements, answers activity questions, and details personal thoughts and ideas.

- **Plants & Soils 2:** Prepare a display or poster that illustrates an activity from the project manual. The display should demonstrate an understanding of the compo-

sition of plants, the functions of individual plant parts, plant life cycles, and the many ways plants reproduce. Include your project journal that documents activity record-keeping, answers activity questions, and details personal thoughts and ideas.

----- **Plants & Soils 3:** Prepare a display or poster that illustrates an activity from the project manual. The display should demonstrate an understanding of environmental and internal factors that affect plant growth. Include your project journal that documents activity recordkeeping requirements, answers activity questions, and details personal thoughts and ideas.

----- **Ready4Life Challenge:** See page 49 for the full list of requirements Ready4Life Challenge Projects.

----- **Maker Class:** See page 49 for the full list of requirements for Maker Projects.

ROBOTICS

Judging – Saturday, July 18

Judging will start at 9:00 a.m. in the 4-H Center/Arts Hall

4-H'er must be present for judging.

Exhibitor limited to one entry per class.

NOTE: If applicable for their class and display, exhibitors must bring their own computers for demonstration purposes; computers will not be provided. Internet access will not be available.

- Exhibits in Robotics 1: Beginning & Intermediate, or Robotics 2 are designed to be used with LEGO Mindstorms (NXT or EV3).
- Any other programmable robot kit such as Arduino or Raspberry Pi, should be exhibited under Free Range Robotics Class, Innovation Class, or Ready4Life Challenge Class.

----- **Robotics 1: Beginning: *NOT ELIGIBLE FOR STATE FAIR*** Exhibitors should complete Activities 1-6. Exhibitors will design, build and program a robot that can autonomously follow a predetermined path that changes direction at least 4 times during a single run. They will bring their Robotics Notebook to share what they learned about the engineering design process and programming.

----- **Robotics 1: Intermediate:** Exhibitors should complete Activities 7-12. Exhibitors will design, build and program a robot that uses at least one sensor to autonomously follow a path, respond to, and or avoid obstacles. Exhibitors in this class must use at least one sensor in their robot design. They will bring their Robotics Notebook to share what they learned about the engineering design process and programming.

----- **Robotics 2:** Exhibitors should complete Activities 1-7. Exhibitors will design, build and program a robot that uses sensors and programming to complete one of the provided challenges. They will bring their robot and Robotics Notebook to share changes they made to the robot and/or program along the way, and to describe their experience with completing the challenge.

----- **Robotics Innovation Open Source Class: (Open to youth enrolled in Robotics 3, but may also include youth in Robotics 1 or 2 if the exhibits meets the guidelines).** Exhibit an original robot, either homemade or a kit that does not fall under Robotics 1 or 2 that can complete a task using MULTIPLE sensors. If a robot kit is used, then some parts of the robot must be built using other components such as wood, plastic or metal. The robot can include any types of motors, pneumatics or sensors. The Innovation class can also be used for LEGO Mindstorms or Vex kits where the exhibit does not fall under Robotics 1 or 2 exhibit option. Autonomous control of the robot may also be achieved using an "open source" platform such as Arduino or Raspberry Pi and can be programmed using a coding language that is publicly available. Exhibitors in Robotics Innovation/Open Source class must bring a detailed engineering notebook that describes how the exhibitor designed, built and programmed the exhibit.

Junk Drawer Robotics: All exhibits should be original designs made with everyday objects and materials. Exhibits with purchased kits will not be accepted. Exhibitors are also required to bring their Junk Drawer Robotics Youth Robotics Notebook with the sections completed for the project they are exhibiting, including the sections leading up to the activity they are exhibiting. For example, if a youth is bringing Activity E from Junk Drawer Level 1, they should have robotics notebook sections A-E completed.

- **Junk Drawer Robotics 1: *NOT ELIGIBLE FOR STATE FAIR*** Exhibit any item from the "To Make" activity from the Junk Drawer Robotics Level 1 Book. Be sure all robotics notebook sections within the module being exhibited are filled in.
- **Junk Drawer Robotics 2:** Exhibit any item from the "To Make" activity from the Junk Drawer Robotics Level 2 Book. Be sure all robotics notebook sections within the module being exhibited are filled in.
- **Junk Drawer Robotics 3:** Exhibit any item from the "To Make" activity from the Junk Drawer Robotics Level 3 Book. Be sure all robotics notebook sections within the module being exhibited are filled in.
- **Ready4Life Challenge** See page 49 for the full list of requirements Ready4Life Challenge Projects.
- **Maker Class:** See page 49 for the full list of requirements for Maker Projects.

SHOOTING SPORTS

Judging – Saturday, July 18

Judging will start at 9:00 a.m. in the 4-H Center/Arts Hall
4-H'er must be present for judging.
Exhibitor limited to one entry.

Members must be enrolled in 4-H Shooting Sports Club to exhibit. All exhibits should be posters or stand-alone items suitable for display to the general public. Stand-alone items have the intent to enhance the discipline such as a quiver, gun case, gun sling, locking cabinet, gun or target stand, sporting clays, equipment wagon, etc. Exhibits deemed to be inappropriate by the superintendent will not be displayed.

Note: Shooting Sports Displays are prohibited from displaying the following:

- No live ammunition
- No knives or arrow tips (including field points, hunting broadheads, etc.)
- No functional or non-functional bows, firearms, or firearm parts that could be reassembled are allowed.
- No humanoid shaped targets or reference to paintball, laser tag, air-soft, or pointing of any type of firearm or bow toward another person is allowed.
- No display involving primarily tactical design firearms (i.e. AR platform or military type firearms)
- No reference or use of the word "weapon" should be used in a display
- Make sure there are no safety violations in your display. (Example: no earplugs or safety glasses in a picture of a person shooting a firearm.)

- **Shooting Sports Archery/Rifle/Shotgun:** Exhibit a poster depicting safe fire-arm/archery handling, range safety, the parts of the (bow, rifle and/or shotgun), tracking the target, target sighting, or another topic you have learned through the 4-H Shooting Sports program.
- **Ready4Life Challenge:** See page 49 for the full list of requirements Ready4Life Challenge Projects.
- **Maker Class:** See page 49 for the full list of requirements for Maker Projects.

SMALL ENGINES

Judging – Saturday, July 18

Judging will start at 9:00 a.m. in the 4-H Center/Arts Hall

4-H'er must be present for judging.

Exhibitor limited to one entry.

Small Engine displays must be no larger than 4' x 4' display board. Exhibits must be portable. No complete engines, lawn tractors, tillers, chainsaws, etc. are permitted for display. No electrical power is available for displays/exhibits. All paperwork should be displayed in a sheet protector.

----- **Small Engines 1, 2, 3:** Exhibit a display, selecting one of the following items:

- **Ignition System**: Identify the parts of the Ignition System and explain how magnetic energy is produced through the ignition system to ignite the spark plug; **OR**
- **Compression System**: Explain how heat energy is produced by an engine and converted into mechanical energy; **OR**
- **Heat Transfer**: Explain how heat is transferred through the cooling and lubrication system of an air cooled or water cooled engine; **OR**
- **Filter Maintenance**: Explain the proper maintenance and cleaning of the air, fuel and oil filters of an engine; **OR**
- **What does a serial number reveal?**: Explain the various information that can be learned from the serial number or identification number stamped on the shroud of a Briggs & Stratton engine; **OR**
- **Tools to do the job**: Identify and explain the function(s) of different specialty tools needed for small engine work, **OR**
- **Experimentation**: Explain through illustration an experiment you conducted from the project manual showing the results of your work

----- **Ready4Life Challenge:** See page 49 for the full list of requirements Ready4Life Challenge Projects.

----- **Maker Class:** See page 49 for the full list of requirements for Maker Projects.

SMALL PETS: see Animal Science page 51

TECHNOLOGIES

Judging – Saturday, July 18

Judging will start at 9:00 a.m. in the 4-H Center/Arts Hall

4-H'er must be present for judging.

Exhibitor limited to one entry.

3-D Printing & Design: Choose **one** of the following classes based on your interest and skill level.

Exhibitors are expected to use the engineering design process to complete their designs. This process is important to the outcomes and exhibitors must keep a log outlining the step-by-step notes, sketches, and documentation from throughout the design process. The logbook should define the problem that is being solved/use of the object and describe in detail each step of the Engineering Design Process taken during the creation of the invention.

- **3-D Design Beginner: *NOT ELIGIBLE FOR STATE FAIR*** No 3-D Printer or 3-D printed object is required for this exhibit. Exhibit a simple 3-D rendered design using Computer Aided Design (CAD) Software such as Tinker CAD or Inventor. The design must be an object that performs a specific task, and may not be based on already existing 3-D models. It must be able to be 3-D printed. Any CAD software can be used, but files must be in .STL format. Bring your design on a Jump Drive to be viewed for judging. Exhibits in this class may not have multiple parts, doors, hinges, or any sort of mechanics.

- **3-D Design Advanced: *NOT ELIGIBLE FOR STATE FAIR*** Exhibitors are expected to go above and beyond those expectations set in 3-D design beginner. No 3-D Printer or 3-D printed object is required for this exhibit. Exhibit a complex 3-D rendered design using Computer Aided Design (CAD) Software such as Tinker CAD or Inventor. The design must be an object that performs a specific task, and may not be based on already existing 3-D models. It must be able to be 3-D printed. Any CAD software can be used, but files must be in .STL format. Bring your design on a Jump Drive to be viewed for judging. Exhibits in this class **MUST** not have multiple parts, doors, hinges or some sort of mechanistic feature to accomplish a specific task.

- **3-D Printing Beginner: *NOT ELIGIBLE FOR STATE FAIR*** Exhibit a simple 3-D printed object designed using Computer Aided Design (CAD) Software such as Tinker CAD or Inventor. The 3-D printed object must perform a specific task, and may not be based on already existing 3-D models. It must be 3-D printed using **ONLY A COMMERCIALY AVAILABLE HOME/DESKTOP 3-D PRINTER**. In addition, original design files must accompany each exhibit. These files must be in .STL format. Bring your design on a jump drive to be viewed for judging. Exhibits in this class may not have multiple parts, doors, hinges or any sort of mechanics.

- **3-D Printing Advanced: *NOT ELIGIBLE FOR STATE FAIR*** Exhibitors are expected to go above and beyond those expectations set in 3-D Printing beginner. Exhibit a Complex 3-D printed object designed using Computer Aided Design (CAD) software such as Tinker CAD or Inventor. The 3-D print must be an object that performs a specific task, and may not be based on already existing 3-D models. Exhibits in this class **MUST** have multiple parts, doors, hinges or some sort of mechanical feature. It must be 3-D printed using **ONLY A COMMERCIALY AVAILABLE HOME/DESKTOP 3-D PRINTER**. In addition, original design files must accompany each exhibit. These files must be in .STL format. Bring your design on a Jump Drive to be viewed for judging.

- **Ready4Life Challenge: *NOT ELIGIBLE FOR STATE FAIR*** See page 49 for the full list of requirements Ready4Life Challenge Projects.

- **Maker Class:** See page 49 for the full list of requirements for Maker Projects.

Unmanned Aerial Vehicles/Systems (Drones): Choose **one** of the following classes based on your interest and skill level.

- **UAV Display: *NOT ELIGIBLE FOR STATE FAIR*** Prepare a display related to the Drones/UAV project on the topic of your choosing. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period. Non-UAV/ Drone projects should not be entered in this class.
- **UAV Unmanned Aerial Systems: *NOT ELIGIBLE FOR STATE FAIR*** Exhibit one Unmanned Aerial Vehicle and associated system assembled or made by the member. UAV or Drone exhibits in this class must be either originally designed or built from a kit of reconfigurable parts and components. These displays are limited to multicopters (tri, quad, hex, and octocopters), as well as FPV airplanes and flying wings with wingspans up to 36". The UAV MUST have a Flight Controller and utilize a camera/video transmission system. The exhibit will be a static display. The Drone should be in good flying condition with batteries fully charged, and all UAS components (including Video System) ready to demonstrate. DO NOT display your UAV with the propellers on, but rather on the table to the side of your UAV. The Drone will not be flown unless the weather permits, and flights have been approved by the local FAA/Air Traffic Control Tower. Attach the printed directions of the UAV if any were used.
- **Ready4Life Challenge: *NOT ELIGIBLE FOR STATE FAIR*** See page 49 for the full list of requirements Ready4Life Challenge Projects.
- **Maker Class:** See page 49 for the full list of requirements for Maker Projects.

THEATRE ARTS

Judging – Saturday, July 18

Judging will start at 9:00 a.m. in the 4-H Center/Arts Hall

4-H'er must be present for judging.

Exhibitor limited to one entry.

There is no maximum size limit for exhibits. Please choose a display size which is most appropriate for the exhibit you are bringing. Larger does not always mean better; use good judgment in creating your exhibit.

- **Theatre Arts 1:** Exhibit one of the following items:
 - Portfolio of acting activities completed during the current year (A video of performances is not considered a portfolio and will not be accepted for exhibit.); **OR**
 - Display illustrating a drawing/photograph of a clown character created by the exhibitor; **OR**
 - Display illustrating a picture story developed by the exhibitor.
- **Theatre Arts 3:** Exhibit one of the following items:
 - Portfolio of activities for set design; make-up; or sound, props, or costuming completed during the current year; **OR**
 - Display that includes sound, props and costume charts appropriate for a selected scene from a story or play (limited to no more than 8 items); **OR**
 - Display a scenic design model to depict a scene from a script; **OR**
 - Display illustrating a character with make-up drawn or colored in. Include a photograph of a person wearing the make-up and information on the character's personality or part in the play.

- **Theatre Arts Innovation Class: (Open to youth enrolled in Theatre Arts.)**
Demonstrate the skills and knowledge you have gained through Theatre Arts project. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.
- **Ready4Life Challenge:** See page 49 for the full list of requirements Ready4Life Challenge Projects.
- **Maker Class:** See page 49 for the full list of requirements for Maker Projects.

TRACTOR

Judging – Saturday, July 18

Judging will start at 9:00 a.m. in the 4-H Center/Arts Hall

4-H'er must be present for judging.

Exhibitor limited to one entry.

There is no maximum size limit for exhibits. Please choose a display size which is most appropriate for the exhibit you are bringing. Larger does not always mean better; use good judgment in creating your exhibit. **All paperwork should be displayed in a sheet protector.**

- **Tractor A: Starting Up** – Exhibit a display or poster that illustrates one of the following topics: tractor safety; care and maintenance; the tractor as a valuable farm machine; or an activity listed in the project manual.
- **Tractor B: Tractor Operation** – Exhibit a display or poster that illustrates one of the following topics: cause and prevention of rollovers, diagram how an air cleaner works, diagram & identify an engine cooling system, regulations for battery & oil disposal, or another activity listed in the 4-H project manual.
- **Tractor C: Moving Out** – Exhibit a display or poster that illustrates one of the following topics: wagon and bin hazards, diagram and identify open and closed hydraulic systems, mower types and safety features conveyor types and safety features, or another activity listed in the 4-H project manual.
- **Tractor D: Learning More** – Exhibit a display or poster that illustrates one of the following topics: method of winterizing a tractor, chemical uses and required safety equipment, parts and process of internal combustion engine, procedure for cleaning and flushing tractor radiator, or another activity.
- **Tractor Innovation Class: (Open to youth enrolled in Tractor A, B, C or D.)**
Demonstrate the skills and knowledge you have gained through the Tractor project. This could be related to, but not limited to, advancements in technology, enhancements to crop production, or a topic of interest to the member related to tractors or farm machinery. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

VIDEO/FILMMAKING

Judging – Saturday, July 18

Judging will start at 9:00 a.m. in the 4-H Center/Arts Hall

**4-H'er must be present for judging.
Exhibitor limited to one entry.**

Enrollment in the Video project is required to exhibit in the classes in this section. Entries in 360° video may be enrolled in video/film or computer science projects. Exhibitors have several options available for their exhibits in these classes. Select the best option for you.

All Exhibitors must bring their video to be judged on a USB flash drive and saved in .MP4 format. Exhibitors are encouraged to post their video on YouTube.com in advance of State Fair. Exhibitors may choose whether to make the video “public, unlisted” (someone must have the link to view it), or “private” (only people you choose may view it). This will allow fairgoers to view the exhibits on display. There will be monitors at the exhibit table for viewing videos so exhibitors will NOT need to bring a laptop or device for viewing.

Requirements that apply to ALL video classes:

Video submissions should be no longer than five (5) minutes in length (unless noted differently in class description.). Videos are to be original and a result of the member’s current year’s work. Criteria for judging shall include: (1) Evidence of story line; (2) Use of camera angles; (3) Use of zooming techniques; and (4) Smoothness of scene changes. Image and sound quality will be considered in relation to equipment available to and used by exhibitor. All videos should comply with copyright regulations and display an image that is appropriate for 4-H audiences. No time or date should be imprinted on the video footage. All videos should include an opening title screen, as well as closing credits which include date of production, name of video exhibitor and research sources if appropriate.

All Video/Filmmaking exhibitors must include a printed copy of materials which will remain on display.

----- **Commercial or Promotional Video:** Prepare a short video (30 seconds to 1 minute in length) that promotes an event, advertises a specific project/product, or is a public service announcement. The video should demonstrate skills in making and editing video.

----- **Animated Video:** Video in this class should represent creative animation of original artwork created by the exhibitor and may include stop motion techniques. Media might include images created with graphics software or hand-drawn images.

----- **Documentary:** Video in this class should represent a research-based investigation into a topic of choice. Video credits should list research sources and may include paper or electronically published materials, as well as, and/or interviews with experts or constituents related to the topic of investigation.

----- **Short Story or Short Narrative:** Prepare a short video that tells a story. The video should demonstrate skills in making and editing video.

----- **Video/Filmmaking Innovation Class: (Open to youth enrolled in Video/Filmmaking.)** Demonstrate the skills and knowledge you have gained through the Video project. **Your exhibit should not fit in the other exhibit options for this project.** The exhibit may include, but isn’t limited to, original works,

objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

----- **Ready4Life Challenge:** See page 49 for the full list of requirements Ready4Life Challenge Projects.

----- **Maker Class:** See page 49 for the full list of requirements for Maker Projects.

VISUAL ARTS

Judging – Saturday, July 18 (except food decorating)

Judging will start at 9:00 a.m. in the 4-H Center/Arts Hall

4-H'er must be present for judging.

Exhibitor may enter up to 6 exhibits/original. Maximum 2 per category.

Coles County Extension will not assume liability for loss or damage which may occur to artwork exhibited. All possible precautions will be taken to protect the exhibits.

Articles exhibited are to be **made by the exhibitor** who must be enrolled in the Visual Art project category in which they are exhibiting. Articles must have been made **during the current 4-H year**. Exhibitors are encouraged to date the project when it is made.

All project categories listed under the Visual Arts heading, please note: All visual arts exhibits are evaluated using a visual arts rubric which takes into account correct use of design elements; craftsmanship; and creativity.

Articles exhibited must be an original design created by the exhibitor (except in heritage arts which may follow a pattern AND Fiber-Non Original Ages 8-10 ONLY). Copyrighted or trademarked designs are not acceptable; this includes Team or School logos. Kits and preformed molds are not considered original and are not acceptable in any Visual Arts Class. Combining parts of different patterns (pictures, photographs, images from the internet or a magazine) with the member's own ideas can result in an original design, but simply changing the color, pattern and/or size of a pattern does NOT make the design original. This also applies for ideas found on a site such as Pinterest. If you see something on Pinterest that you like, use the concept and create something different using the concept; however, it MUST NOT look exactly like something the judge can search for and find on Pinterest. The exhibit must combine parts of different patterns and/or ideas with the concepts of the member, changing the color or changing the size of the item or pattern used does NOT make it original. If you create a replica of what you see somewhere else, it is not your original design. If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit. Be prepared to explain how and where you got the idea for this project.

Members wishing to exhibit quilts made from a pattern may enter it in Heritage Arts. Quilts exhibited in the Visual Arts – Heritage Arts area will be evaluated using a visual arts rubric which takes into account correct use of design elements; craftsmanship; and creativity. All work on the quilt MUST be completed by the 4-H member. You cannot exhibit a quilt that was quilted by someone else.

All items must be properly prepared for exhibit. Items which are intended to be hung must be prepared for hanging. The hanging device must be sturdy enough to support the weight of the object. Framed items not intended to be hung should be noted as such on the exhibit tag and a photo of the artwork being displayed should be included.

Visual Arts Food Decorating judging will be during the Home & Family Show, July 7 at Cross County Mall.

----- **Visual Arts Food Decorating Beginning - Exhibit one of the following:**

- Exhibit four decorated cookies, using a minimum of four different techniques. Exhibit may use cookies OR cookie forms **OR**
- Exhibit four decorated cupcakes, using a minimum of four different techniques. Exhibit may use cupcakes OR cupcake forms **OR**
- Exhibit a single layer decorated cake, using a minimum of four different techniques. Exhibit may use cake OR cake form.

----- **Visual Arts Food Decorating Intermediate—Exhibit one of the following:**

- Exhibit four decorated cookies, using a minimum of five Level 2 techniques. Exhibit may use cookies OR cookie forms **OR**
- Exhibit four decorated cupcakes, using a minimum of five Level 2 techniques. Exhibit may use cupcakes OR cupcake forms **OR**

----- **Visual Arts Food Decorating Advanced:** Exhibit a decorated, stacked and/ or tiered cake, using a minimum of four Level 3 techniques. Exhibit may use cake or cake form.

----- **Visual Arts Food Decorating Master:** Write a one-page written description of your project, including your goals, plans, accomplishments, and evaluation of results. Include up to four pictures of your accomplishments **AND** exhibit an original design decorated cake using more than five techniques. Exhibit may use cake or cake form.

----- **Visual Arts Chalk/Carbon/Pigment:** Enter the division (A or B) based on the type of material on which the art was created.

Division A: Canvas, Paper, Glass: Any original art work done with pencils, chalk, pens, ink, paint, charcoal, dyes, etc. on canvas, paper, or glass. This would include all painting, sketching, drawing, cartooning, printing, etc. Painted and/or glazed pre-formed ceramics and painted porcelain dolls are not eligible for State Fair exhibit. Drawings and paintings should be matted or framed under glass. (Exceptions: Oil and acrylic paintings do not require glass and are not required to be matted.) Water color, chalk, pen & ink, computer-generated art, etc. do require some protective covering. Gallery frames are acceptable. Canvas paintings that continue "over the edges" are acceptable without frames; however the piece must still be prepared for hanging. Matted pieces without frames are acceptable, however the piece must be prepared for hanging OR it must include a photo of the artwork being displayed in a non-hanging manner. There is no specific requirement for the type of mat used.

Division B: Wood, Metal, Textiles: Any original art work done with pencils, chalk, pens, ink, paint, charcoal, dyes, etc., on wood, metal, or textiles. Painted and/or glazed pre-formed ceramics and painted porcelain dolls are not eligible for State Fair exhibit. Any exhibits created as a piece of wall art must be prepared for hanging.

----- **Visual Arts Clay:** Any original item made of clay; may be fired or unfired, hand formed or thrown on a wheel. Self-hardening clays are fine. Fire/oven-cured and cornstarch clay could be accepted. Items can include, but are not limited to, clay statues, bowls, jewelry, etc. Pre-formed ceramics are not eligible for State Fair exhibit.

----- **Visual Arts Computer-Generated Art:** Any original art created in any software package. Exhibit may not include scanned work, clip art, downloaded images from the internet, any imported image, or photographs. All pixels must be original. Photo mosaics are NOT allowed. Exhibitors in this class (like all other classes in this sub-

section) must be enrolled in Visual Arts; Computer project enrollment is not required. **NOTE:** Wood and metal exhibits created through the use of laser cutting programs/devices should be entered in this class. Plastic exhibits with an artistic focus created using a 3-D printer should be entered in this class. If the art created is designed to hang, then the entry should have some protective covering, such as a glass frame, and prepared for hanging. If the art is something that has been created with a laser cutting program/device and is NOT designed to hang, it does not require protective covering nor does it need to be prepared to hang.

----- **Visual Arts Fiber:** Any original item made of fiber. Examples are quilts, fabric collage, soft sculpture, stitchery, weaving, embroidery, cross-stitch, wearable art, hooking, braiding, duct tape artistry, and baskets. **Original** cross-stitched, knitted, crocheted or quilted items belong in this Fiber class. **Non-original** cross-stitched, knitted, crocheted or quilted items should be entered in Heritage Arts. Machine knitted items are not appropriate for this class.

----- **Visual Arts Fiber Non-Original AGES 8-10 ONLY:**
Any non-original item made of fiber. Examples are fabric collage, soft sculpture, stitchery, weaving, embroidery, cross-stitch, crocheting, knitting, weaving, hooking, and felting. Exhibitors may use a pattern and/or an idea generated from another source.

----- **Visual Arts Glass/Plastic:** Any original item made of glass or plastic. Possible items to exhibit include stained glass, etched glass (original design), mosaics made of glass, glass beading, plastic jewelry (friendly plastic). Interlocking building block creations (i.e. LEGOS) are not suitable for entry. Stepping stones or wall hangings that include cement decorated with glass or plastic items are not suitable for this class.

----- **Visual Arts Heritage Arts:** Exhibit an item of traditional art learned from another person or **from a pattern** (NO KITS) may be entered in this class. Non-original cross-stitched, knitted and crocheted items by pattern fit in this class. ALL ORIGINAL cross-stitched, knitted and crocheted items should be exhibited in Fiber Arts; (machine knitted items ARE NOT acceptable for this class.) Other possibilities include: needlepoint, counted cross-stitch, crewel, embroidery, cut work, hardanger (embroidery openwork), macramé, baskets, candles, pysanki (decorated eggs), leather, quilts, baskets (made using a traditional pattern), traditional handmade dolls with handmade costumes, or candles. No machine quilting allowed in Heritage Arts. Exhibitors must also bring 1) the pattern or a copy of the pattern they used to create their traditional art; and 2) a description of the traditional origins of their art choice.

----- **Visual Arts Leather:** Exhibit one of the following options using leather.

- **Leather Stamping:** Exhibit should utilize one or more stamping techniques – exhibit examples include items such as belt; coasters; bookmark; key chain; wrist bracelet.
- **Leather Carving or Tooling:** Exhibit should use simple swivel knife tooling techniques or may incorporate several swivel knife-tooling designs or patterns – exhibit examples include items such as belt; pictorial carving; key case.
- **Leather Lacing:** Exhibit to include stamping and/or carving techniques incorporated with lacing techniques – exhibit examples include items such as wallets; purses; etc.
- **Leather Stitching:** Exhibit may include stamping; carving and/or lacing techniques and should be a leather item or article of apparel, which incorporates hand-sewing techniques.

----- **Visual Arts Metal:** Any original item made of metal such as sculpture, tin punch, engraved metal, and jewelry. Items intended for industrial use (as tools and/or shop items) are not considered part of this Visual Arts project and are not eligible for entry. Metal items that have been partially or totally created through the use of laser cutting programs/devices should be entered in Computer-Generated Art.

- **Visual Arts Nature:** Any original item made of natural material such as wreaths, cornhusk dolls, etc. Items should be made of natural materials (which may be purchased) but securing elements such as glue and wire may be used in the inner construction as long as they do not detract from the overall "natural" appearance. Articles such as dried pressed flowers may be displayed under glass since it is necessary for protection/preservation of the natural materials. Candles are not suitable as entries. All baskets should be entered in Heritage Arts.
- **Visual Arts Paper:** Any original item made of paper. Examples could include origami; greeting cards; paper-cut designs, paper mache, hand-made paper, paper collage, paper models of architecture, quilling, etc. Paper twist articles, made from directions in craft books and stores ARE NOT original and are not appropriate for this class. Scrapbooks should be exhibited in Visual Arts Scrapbooking.
- **Visual Arts Scrapbooking, Beginning:** Exhibit one album or notebook, either 8 ½" x 11" or 12"x12", with a front and back cover. The album/notebook must have a minimum of 4 pages (front and back, 8 sides), exhibited in page protectors. "Embellishments" are defined as the decorations or special details and features that add to a page and make it more visually appealing. Embellishments may include, but are not limited to, ribbon, clips, special lettering, etc. Beginners must use a minimum of four embellishments and tell a story with pictures.
- **Visual Arts Scrapbooking, Intermediate:** Exhibit one album or notebook, either 8 ½" x 11" or 12"x12", with a front and back cover. The album/notebook must have a minimum of 4 pages (front and back, 8 sides), exhibited in page protectors. "Embellishments" are defined as the decorations or special details and features that add to a page and make it more visually appealing. Embellishments may include, but are not limited to, ribbon, clips, special lettering, etc. Intermediate level exhibitors must use a minimum of eight embellishments and tell a story with pictures and journaling.
- **Visual Arts Scrapbooking, Advanced:** Exhibit one album or notebook, either 8 ½" x 11" or 12"x12", with a front and back cover. The album/notebook must have a minimum of 4 pages (front and back, 8 sides), exhibited in page protectors. "Embellishments" are defined as the decorations or special details and features that add to a page and make it more visually appealing. Embellishments may include, but are not limited to, ribbon, clips, special lettering, etc. Advance level exhibitors must use a minimum of 12 embellishments and tell a compelling story with pictures, journaling, and other media.
- **Visual Arts Three-Dimensional Design/Mixed Media:** Art pieces in this class must be comprised of **at least three different media**. No one medium can make up more than 40% of a piece. The piece should **be either free-standing or should be prepared to be hung**. It must be observable on at least three different sides. Originality and design are important concepts. Craft and preformed or assembled projects are not acceptable.
- **Visual Arts Wood:** Any original item made of wood (wood carving, sculpture, collage, wood burning, etc.). Utilitarian wood items made from patterns or kits (e.g. outdoor or indoor furniture, shelves) should be entered in woodworking, not in visual arts. Popsicle stick crafts are not acceptable for State Fair entry. Wood items that have been partially or totally created through the use of laser cutting programs/devices should be entered in Computer-Generated Art. . All Visual Arts Wood exhibits **MUST** have an artistic element that the exhibitor can explain. Furniture built by the exhibitor aligns with the Woodworking project area – unless the element to be judged is wood carving or wood burning that is one element of the exhibit. Exhibits will be judged using a Visual Arts Rubric and not a woodworking construction rubric.
