

FOR: IMMEDIATE NEWS RELEASE

The 2022 Cumberland County 4-H Fair is now history and most definitely one for the history books! It was our first annual fair at the new facility established this year by the Cumberland County Extension Education Building Association. The 4-H Members that exhibited during the fair have a lot to be proud of! They worked hard and each one had a high-quality project to show at the fair. If you did not make it out to enjoy the 4-H shows, the following list is the Champion and Reserve for each specie designated by category. If you happen to see one of these fine 4-H'ers, congratulate them on their accomplishments. The Cumberland County Extension Office would like to thank everyone that helped during fair week. We are extremely proud of all 4-H Members and their families for all their arduous work! If you would like to join 4-H or have any questions about the program, please contact the Cumberland County Extension Office at 217-849-3931 or email Jaylynn Schober at jmaxey2@illinois.edu.
