

So you want to be a Master Gardener...

but just can't participate in daytime classes

GET INVOLVED!

Upon training completion, enjoy volunteering with other MGs in local projects.

Contact the Coles County Extension office to begin the application process.

217-345-7034 or jalee73@illinois.edu

Training starts June 15, 2020

Registration open from April 6- May 18, 2020

CHANGE THE WORLD THROUGH GARDENING!

Start your journey of learning and helping.

13 modules – Introduction, Botany; Soils and Fertilizers; Diagnostics and Plant Diseases; Entomology; Integrated Pest Management; Annuals/Perennials; Trees, Shrubs and Woody Vines; Lawns; Small Fruits and Tree Fruits; Vegetables; Composting/Organic Gardening; and Living with Wildlife.

Each module consists of several captioned videos with audio. A strong internet connection is highly recommended. Self-paced training and online quizzes. Plan on 14 weeks to complete, assuming 4 hours per week. \$300 registration includes the MG manual. Local fees may apply.

University of Illinois – U.S. Department of Agriculture – Local Extension Councils Cooperating University of Illinois Extension provides equal opportunities in programs and employment. If you need a reasonable accommodation to participate in any program, please contact the county Extension Office.
