Welcome

Dear Friends,

Welcome to the Shelby County 4-H and Junior Fair – a tradition that, thanks to you, continues to bring together family and friends each year. The fair has been a part of the community for over 60 years. Over the decades the fair has been held, countless community volunteers and local businesses have worked together to bring you closer to our county’s youth. The youth are involved with agriculture, natural sciences and family and consumer sciences. It is important to take the time to appreciate the hard work and dedication of our youth. Their exhibits here represent many hours of preparation and represent the best of Shelby County.

It requires many dedicated individuals and a lot of hard work to produce a successful fair. I am so proud of our youth for their dedication and to the many adult volunteers who make this fair possible each year. Please take a moment to say “Thank You”. So, to the many individuals and businesses who have made financial donations to keep the fair alive, Thank You.

Safety is our #1 priority therefore while we are taking extra precautions to ensure your safety you should make sure to take the extra care to be safe as well!

I look forward to a wonderful 2022 county fair!!

Sincerely,
Don Telgmann
Shelby County Junior Fair Board President

5. All out-of-state turkeys must originate from flocks that are officially classified as U.S. Mycoplasma Gallisepticum Clean in accordance with the provisions of the National Poultry Improvement Plan or be negative to a test for Mycoplasma gallisepticum within 30 days prior to entry.
6. A permit is also required for out-of-state poultry. A permit may be obtained by calling (217) 782-4944.

Please note: These poultry exhibition requirements do not apply to 4-H and FFA 1-day poultry shows where the entries are taken to the show and returned home the same day. However, a permit is required for out-of-state poultry.

The Illinois Department of Agriculture administers State Statutes relating to fairs and agricultural exhibitions, including the Shelby County 4-H and Junior Fair.

Technically, the 4-H Fair and Junior Fair are separate events that are held concurrently and in the same location at the Shelby County 4-H and Junior Fairgrounds. Youth enrolled in University of Illinois Extension's 4-H youth development program in Shelby County are eligible to exhibit their projects in the 4-H Fair, and to receive educational feedback from judges as part of this "culminating event" for their project efforts. Participation in Junior Fair classes is not restricted to 4-H members; all Shelby County youth between 8 and 18 years of age, including FFA members who are not enrolled in 4-H, are eligible to compete in Junior Fair classes.

For purposes of awarding premiums, the Illinois Department of Agriculture requires fair organizers to make clear distinctions between 4-H Fair classes and comparable Junior Fair classes. It is important for us to comply with the law, as fairs are subject to spot-checks by Department of Agriculture regulatory staff and penalties for not clearly distinguishing between Junior Fair and 4-H Fair classes may include loss of **all** exhibitor premiums. Here are a few of the ways in which we demonstrate our fairs' compliance:

- The Fair book, which is funded and produced jointly by 4-H and Junior Fair organizers, lists separate classes for 4-H and Junior Fair exhibits and separate entries are required.
- All 4-H Fair entries are processed by University of Illinois Extension staff, while Junior Fair entries must be processed by volunteers affiliated with the Junior Fair. As a convenience to exhibitors who enter projects in both 4-H and Junior Fair classes, the local Extension office will accept paper copies of Junior Fair entries and hold them in a separate box until a Junior Fair volunteer can collect and process them.
- On show day, judging/awards for Junior Fair livestock classes will take place immediately after the comparable 4-H Fair classes, with sufficient time allowed for any additional Junior Fair exhibitors and animals to enter the show ring and be judged. (Youth who exhibit in both classes will not be required to leave the show ring in-between classes.)

We appreciate your cooperation in ensuring that our fairs operate within State law.

SHELBY COUNTY YOUTH LIVESTOCK AUCTION

THE SHELBY COUNTY JR. FAIR BOARD IS IN CHARGE OF THE AUCTION.

The 2022 Shelby County Youth Livestock Auction will be a non-terminal sale. All auction items will sell by the head/pen. What does this mean to 4-H families? The 4-H member will retain ownership of their animal following the auction and will receive a premium from the buyer. The 4-H member is responsible for taking their animal home. The successful buyer will not take ownership of the animal. Arrangements for purchasing the animal are strictly between the buyer and the seller after the auction has concluded.

1. Please be advised that while the Jr. Fair Board promotes the auction thru advertising, personal contact and mailing over 200 letters to prospective buyers, we need help. Exhibitors should try to secure prospective bidders for their animals in the auction. Parents and participants please contact your banker, insurance agent, etc. and ask them to attend the auction. The auction showcases all the hard work and effort by 4-H'ers. Businesses can not possibly purchase from all their customers but it is important for them to be invited and welcomed to the auction.
2. To be eligible for the youth livestock auction, livestock must be exhibited in a 4-H market livestock class (breeding, showmanship classes do not qualify). In the Poultry, Rabbit, and Dairy divisions, only the Grand Champion and Reserve Grand Champion Pen of 3 Market Birds, Pen of 3 Market Rabbits, and Overall Dairy may participate.
3. A 4-H'er can auction only one exhibit, unless he/she exhibits more than one grand champion or reserve grand champion.
4. The Shelby County Jr. Fair Board reserves the right to deny an exhibitor's participation in the auction as they see fit. The Auction is in no way associated or managed by the U of I Extension.
5. Only 4-H members are eligible to participate. The 4-H'er and their animal must go through the sale ring. Parents and superintendents shall assist 4-H'ers in getting the animal to the sale ring.
6. The Auction will start at 6:30 p.m. on Wednesday night of the Fair.
7. 4-H members will have their photo taken before going through the sale ring. Photographs of seller, buyer and animal may be taken after the auction at the request of the buyer. 4-H members are responsible for writing a thank you note and delivering a copy of the picture to the buyer within one month.
8. 2% will be taken out of all checks to cover the cost of photo and auction costs. NO REFUNDS!!
9. 4-H members must attend at least three of their own 4-H club meetings (college students must attend 2 meetings), give a talk or demonstration related to a 4-H project and attend one county activity besides the fair to be eligible to auction an animal at the 4-H Auction. 4-H'ers must also have completed the Youth for the Quality Care of Animals (YQCA).
10. Auction checks may be held for up to 6 weeks following the auction.

4-H'ers must sign up in the Fair Office listing which animal they are auctioning.

Poultry, Rabbit exhibitors—Grand Champion and Reserve Grand Champion must sign up within a half hour after their shows.

Dairy exhibitors—Dairy Basket (suggested minimum value \$50)—Grand Champion and Reserve Grand Champion must sign up by 5 p.m. Tuesday.

Sheep exhibitors must sign up by 5 p.m. Monday.

Dairy Beef and Dairy Bucket Calf exhibitors must sign up by 5 p.m. Monday.

Goat exhibitors must sign up by 5 p.m. Monday.

Swine exhibitors must sign up by 5 p.m. Monday.

Beef and Bucket Calf exhibitors must sign up by 5 p.m. Monday.

NOTE: The Fair Board is not responsible for the load out of any livestock. Arrangements for all animals are the responsibility of the 4-H family. NO EXCEPTIONS!
