INSPIRED TO LEAD CALLED TO SERVE

The Marlow Cardinals saw a need in their local community. Bluford area youth needed access to books on weekends and school breaks. Since there is no library in their town, they decided to take action and fill that gap.

The members held a fundraiser and made enough money to for their project. They met to work on the box, and did a presentation for the school board asking for permission to install the box on school grounds. The school agreed and helped install the box.

The group has a goal of installing more of the lending library boxes around the community.

Clinton County volunteers completed 100 backpacks for Veterans who are taking the Southern Illinois Honor Flight in October from Marion. This is the second time this service project has been completed. One of the members of the sewing SPIN club came up with the idea as a way for the members to take their love of sewing and translate it into a service project.

Clinton County Vietnam Veterans Chapter 269 & the Avis-ton Auxiliary donated the supplies. 4-H members, leaders, parents, and local volunteers did the sewing.

Tentative plans are in the works to do another round of backpacks in the Spring.
