

Unit 18 – Christian, Jersey, Macoupin and Montgomery Counties
Thursday, March 21, 2024
Macoupin County Extension Office - #60 Carlinville Plaza, Carlinville

Council Meeting Agenda

Call to Order – 7:00 PM

Minutes From Past Meeting – December 2023

Fiscal Reports – FY24 Trust and Revolving Report Updates

Priority Area Highlight – Chronic Disease Prevention & Management

More than half of Illinois adults have a known chronic health condition, in part due to risky health behaviors, according to the Illinois Department of Public Health. People of all ages need trusted and reliable research-based information to make health decisions that improve their quality of life. Creative solutions are needed to assure that these supports are available when and where people need them.
