Host an international youth this summer

International students come to IL each summer and stay with a host family for about 4 weeks. Host a Japanese or South Korean youth this summer through States' 4-H International! Expand your family's cultural understanding, learn about new foods and customs, and possibly learn a new language, all while sharing your own. Your children will build lifelong friendships and will gain new perspectives on their own country, too! Families are needed for July 23 through August 18 (tentative dates). Applications are accepted until all placements are made. There is no cost for this program.

Students are matched with a host sibling by age gender and interests. So families hosting, must have a child the between 12-18.

Host family selection is dependent on completion of an application and screening process, as well as student availability and personality compatibility.

LEADERSHIP

Tell Your 4-H Story – Join the *Speaking for Illinois 4-H* Team

We're looking for 4-H members interested in spreading the great news about 4-H. 4-H members 14 years of age or older can join the *Speaking for Illinois 4-H* team. There will be a virtual training offered on **Saturday, January 16 from 9-11 a.m.**

This virtual training, provided by the Illinois State 4-H Youth Leadership Team, gives you the chance to explore your own 4-H history and why you are involved, put that story into words, and learn the best ways to approach donors, civic groups, elected officials, and others to talk about 4-H. Learn why 4-H believes in Positive Youth Development and how we emphasize the essential elements of Belonging, Independence, Generosity and Mastery. All of this – and more – is a part of *Speaking for Illinois 4-H*! Once you're trained, you'll receive an invitation to be a part of our Legislative Connection events. Members of this team will meet a minimum of four times throughout the year virtually as a team to remain on the team.

Registration is open NOW @: <https://4h.extension.illinois.edu/events/speaking-illinois-4-h-training>. Registration will close January 13.

STEM

The time has come for us to release the Robotics Challenge documents!

This year's competition will revolve around the work of the 4-H in Space Mission Command Team, which is preparing curriculum and programming options for Illinois youth working with the International Space Station National Laboratories (ISS) and The Lab for Advanced Space Systems at Illinois, Dept. of Aerospace Engineering, (LASSI). These collaborations will enable Illinois 4-H youth to send experiments to the ISS, and build/launch micro satellites into orbit.

The SpaceBot Mission Command Challenge will take place at the **McLean County Fairgrounds in Bloomington, IL on Saturday, April 16, 2022**. Team registration will open **January 17, 2022** and will close **March 16, 2022**. There will be a \$20 Entry fee per team assessed at the time of registration.

ANIMAL SCIENCES

We are excited to share this closed-captioned webinar from our partners at Michigan State University Extension: [Zoonotic Disease Resource Webinar, Protecting People and Animals.](#)

Additionally, Michigan State University Extension has partnered with the Michigan Department of Health and Human Services to create multiple other resources designed to help prevent the spread of zoonotic diseases. These resources are highlighted on the [informational webinar hosted by MSU Extension](#) and also include educational resources available to promote healthy interaction between animals and people, strategies to bring awareness to the issue of the spread of zoonotic diseases and planning materials to keep animals and the public safe and healthy.

Additional resources can also be found highlighted on MSU Extension's [Fair and Animal Health webpage](#), and the [zoonotic disease webpage](#).

The webinar opportunity and development of these resources has been supported by a Cooperative Agreement from The Centers for Disease Control and Prevention (CDC) and Council of State & Territorial Epidemiologists (CSTE).

Save the date!

The 4-H State Horse Judging will be February 19th at Black Hawk East in Galva, IL (Registration at 11 AM, judging starts at noon)

And save the date for the State Horse Bowl, Hippology & Horse Speaking Contests that will be April 23 & 24 on UIUC campus!

The National Youth Summit Series are immersive, three-day experiences where you dive into the issues, expand your career horizons and grow as a leader while working with and learning from other teens and experts with shared passions.

2022 Agri Science Summit

We are seeking applications for our IL Delegation that will be attending the **2022 Youth Agri-Science Summit in DC, March 10-13th**. You can learn more about the summit and see a detailed agenda here: <https://4-h.org/parents/national-youth-summits/>

The Illinois 4-H Foundation will support the travel and registration of **six Illinois 4-H youth**.

Application Link for IL Delegation: Due Feb. 1st, 2022 <https://form.jotform.com/213485241850151>

We will be asking youth delegate participants to participate in all aspects of the summit as well as put what they learn into action in their home county. Details are provided in the application and I will be helping to coordinate as well once we have a delegation established. We are also requiring a \$100 registration fee from delegates which will be refunded upon completion of post-summit action steps.

2022 Healthy Living Summit

February 10-13, 2022 at the **Hyatt Regency Bethesda, MD**

Register by the January 10, 2022 priority deadline to save \$50!

Final Deadline to Register: January 24, 2022

You can learn more about the summit and see a detailed agenda here: <https://4-h.org/parents/national-youth-summits/>

At the National Youth Summit on Healthy Living, high school students develop the knowledge and skills to address issues surrounding nutrition, physical fitness, wellness, and emotional well-being. Working alongside professionals in family consumer science and healthy living, students will create action plans they can implement in their communities to teach other youth about what they have learned
