It's 'udderly' amazing

February 29 | East Peoria

You don't need a cow. You don't need to like milk (though you should REALLY like milk). You don't need to be taking a dairy project. All you need to compete in the State 4-H Dairy Quiz Bowl Contest is a desire to do it. (You would probably do better if you study, too.)

The state contest is Saturday, Feb. 29 at the Embassy Suites, East Peoria Riverfront Hotel & Conference Center, 100 Conference Center Drive, East Peoria. Registration is prior to the quiz bowl test which begins at 11:30 a.m. The contest rounds begin at 1 p.m., and the contest will be completed by 5:00 p.m. Participants will need to pay for their group lunch at hotel OR they can go (with adult supervision) across parking lot to Steak 'n Shake. County Extension staff must register participants before Feb. 14.

Questions will cover all aspects of dairy production and marketing. Study reference sources include the Illinois 4-H dairy manuals plus *Hoard's Dairyman Reference Books*, *IL Extension Livestock E-Quiz website*, *Holstein Foundation website*, and *Virginia 4-H Dairy Quiz Bowl study materials online*.

Teams of four may compete, or individuals can be added to other groups to form a team. The State 4-H Dairy Quiz Bowl team will be selected from the eligible 4-H members participating at this state contest. Youth 15 to 18 are eligible for the national team.

Take the next step in your leadership journey

February 22 & 23 | Effingham, IL

You'll laugh. You'll make new friends. You'll even learn cool ideas to take back to your own 4-H Club at this year's Illinois 4-H Junior Leadership Conference. The conference is open to 4-H members in 7th and 8th grade. Registration closes when we reach 100 participants, so don't wait to the Jan. 24 deadline. Do it now! REGISTER: go.illinois.edu/4Hjlc. Put your problem solving skills to work and help solve international problems in the form of fun engineering challenges! Come work with 4-H to explore the world of technology that surrounds us and those in other countries.

- Weathering the Storm of Agriculture: Are you experiencing the calm before the storm? Do you know how weather and agriculture affect one another? Come and see the impact of both agriculture and weather across the globe.
- Follow Our Lead: Follow our lead as we take a trip to India to learn and practice dancing fusion style. On our journey, we will experience the culture and rich history this dance has to offer.
- Pass the Plate: This workshop is your gateway to nutrition around the world. We will be exploring international diets, learning about the components of proper nutrition and completing a food science experiment.
