---

Submit an application in any or all of these categories

### *Community Service*

Focus on your 4-H club's work in service to/for others. Work should target what members have done as a group, not what individual members may have done on their own. Youth leadership in planning and implementing the work should be evident.

### *Leadership*

Focus on the development of the club members' leadership skills as a group. Overall group leadership may focus on one of the following Teen Leadership roles – teaching, mentoring, planning, promoting, or advocating OR members may be enrolled in a group Leadership project and all members learn a variety of skills throughout the year.

### *Project Learning*

Focus on the club's program plan to help members learn about a specific project area. Only ONE project area may be highlighted in the award application. For award purposes, "project" is defined as those areas of enrollment as listed in the Illinois 4-H Clover or as a county-offered project.
