May Report

The Carefree 4-H club held their May meeting on May 13th at the Ogle County Farm Bureau in Oregon. We discussed that we will be taking a trip to Merlin's Greenhouse to learn about plants and take one home on June 4th, organized by our Program Jr leader, Kodi Hubbard. We also planned to have our June monthly meeting at the Snodgrass Jersey Dairy Farm in Oregon to celebrate June Dairy Month. We also planned to have our July meeting at the Rochelle Conservation Club in Chana. We will have S'mores and fishing, then we will have our meeting.

Hub Hickory Nuts 4-H Club

"Looking Forward to an Amazing New Year"

The Hub Hickory Nuts 4-H Club kicked off the new 4-H year with an amazing Show and Tell of their favorite projects from the 2023 Ogle County Fair. Confirming that 4-H is for everyone, members displayed a variety of projects from Visual Arts to Electricity to Poultry. We are so proud of our members for their hard work and all they have learned over the last year! The club also participated in the 4-H Window Display. Our display was showcased at the Rochelle Public Library and the theme was "That 4-H Feeling." In keeping with our busy schedule for the month of September, members also joined in the Creston Booster Days parade! October was a quieter month and members did a little math and strategic planning with a Paper Chain STEM Activity. If you are wondering if 4-H is right for you, the answer is YES! We have something for everyone! Come check us out! The Hub Hickory Nuts meet on the first Monday of each month (unless it's a holiday) at 6:30 p.m. at New Beginnings Baptist Church in Creston. If you would like more information, please call Bethany Kennedy at 815-200-3904.
