

Computer Science Technology Scholarship Award Application

Sponsored by: The R J Gallagher Family Technology Scholarship Fund

This award is based on: Excellence in computer skills, character and community service. This application must be submitted or postmarked to the McHenry County Extension office for submission by JUNE 30th. Once a 4-H member has received this award, they may not re-apply. Excludes Robotics and Video projects. The winner will receive a \$300 cash award; presentation of the award will be determined later.

Applicants must be in McHenry County and meet the following criteria in order to submit this application:

- Be currently active 4-H member between the ages of 15 and 18 (inclusive) by September 1 of the 4-H year in which they are applying.
- Be currently enrolled in a Computer Science project.
- Have been enrolled in the Computer Science project **at least three years** (current year included).
- Received at least one Superior ribbon in the Computer Science project area at the State Fair.
- Attach 2 one-page letters of reference. One from a 4-H Club Leader and one from an adult who is not related to you in the community.

This application must be typed, except for signatures.
