

CRAWFORD COUNTY 4-H RECORD GUIDE

Record-keeping is an important part of 4-H! It is a way to keep notes about what you have learned and accomplished during the past year and helps you to set goals for the upcoming year. It also is a way to let others know what you have accomplished and assist you in the award-selection process as well as have a complete record of your activity for future use on award applications, scholarship and college applications.

4-H'ers should submit the following forms.

1. Crawford County 4-H Member Portfolio

This record helps each 4-H'er have a permanent record of their 4-H experiences. It is available as a fillable PDF on the Crawford County 4-H website. 4-H'ers are also welcome to keep the same portfolio throughout their 4-H career and update sections handwritten. Don't worry if you are completing the form in case the right way. Rather, make sure all your 4-H and non-4-H activities are recorded somewhere in the portfolio for future reference.

2. My Illinois 4-H Experiences Recognition Application

Based on your number of experiences in *participation, community service, leadership and project learning*, achieve one of these five levels:

1. **Bronze Clover** – 1 experience in each dimension
2. **Silver Clover** – 2 experiences in each dimension, at least 2 at the county level or beyond
3. **Gold Clover** – 4 experiences in each dimension, at least 2 beyond the county level
4. **Diamond Clover** – 6 or more experiences in one dimension, at least 4 beyond the county level
5. **Emerald Clover** – 8 or more experiences in one dimension, at least 4 beyond the county level, plus at least 2 at the state or national level (will not be available for recognition in the Participation dimension).

The application is available as a fillable PDF on the Crawford County 4-H website and may be printed out and handwritten. The Experiences Recognition Awards will be presented at a county recognition event.

3. County 4-H Award Application

All members are encouraged to fill out a *Crawford County 4-H Award Application*. This award recognizes 4-H'ers who excel in his/her 4-H year based on their involvement with projects, programs, other community/school activities/events, and participation in 4-H events/activities.

- The form is available as a fillable PDF on the Crawford County 4-H webpage and should be submitted as a typed document (4-H story does not need to be typed.) Save the document so you can add to your application each year.
- The application consists of a 3-page form and an attached page with a response to one (1) 4-H Story Option (one per award area application). Members may submit in more than one award area. For example, if a member is applying in Project Mastery AND Leadership, he/she needs to provide one 3-page form and attach 2 essays, one focusing on Project Mastery and one focusing on Leadership.

- List items on your award application with the most recent and most impactful first in each category. Use only the current 4-H year's work in the application. Applications in each of the five award areas are judged in two age categories, 8-12 and 13-18. Prizes are TBD.
- County awards will be presented at Achievement Night.
- Completed samples of the award application are available on the Crawford County 4-H webpage.
