## HIGHLIGHTS OF EMPLOYEE BENEFITS

The combination of State and University benefits that make up your total compensation package offer flexibility in meeting your personal needs and goals.

#### **State Benefits Eligibility and Cost**

Faculty and staff, working at least 50% of a normal work period for nine months or more, and eligible to participate in the State Universities Retirement System (SURS), may participate in State group insurance benefits. Coverage may be extended to eligible dependents, such as spouse or civil union partner and children.

The State of Illinois covers much of the cost of health and dental coverage, and all of the cost of vision and basic life insurance for most employees.

- Full-time employees (work 100% of a normal work period) pay a salary-based premium for health coverage, a premium for dental, and dependent coverage, as well as the cost for any optional plans.
- Part-time employees (work 50-99% of a normal work period) also pay a portion of the State's cost for employee and dependent health and dental coverage in addition to full-time employee and dependent premiums.

#### **State Health Plans**

A choice of plans lets you select the coverage that best meets your needs and those of your family.

- Quality Care Health Plan (QCHP): A nationwide network allows treatment from any doctor or licensed practitioner.
   However, you will receive the highest benefit when using an in-network provider/facility.
- Managed Care Plans: Depending on your location, you may have a choice of Health Maintenance Organizations (HMO) or Open Access Plans (OAP).
- Consumer Driven Health Plan (CDHP): A high-deductible plan
  as defined by the IRS. You may choose any provider or
  hospital for medical services, however, you will experience
  lower out-of-pocket costs when receiving services from a
  CDHP in-network provider.
- Health Savings Account (HSA) Companion to CHDP enrollment only.

#### **State Dental Plan**

The Quality Care Dental Plan (QCDP) offers the flexibility to select any dentist or select in-network providers for enhanced benefits.

#### **State Vision Care Plan**

The Vision Care Plan includes partial coverage for eye exams, eyeglass lenses and frames, or contact lenses.

#### **State Flexible Spending Accounts**

Pay eligible health care and/or dependent care expenses with pretax dollars.

- Medical Care Assistance Plan (MCAP): Contribute up to \$2,750 pre-tax per year for medical, dental, vision, and other eligible expenses not paid by health, dental or vision insurance.
- Dependent Care Assistance Plan (DCAP): Contribute up to \$5,250 pre-tax per year per household for your dependent care expenses.

#### **State Term Life Insurance Plan**

Basic coverage is provided to all benefits-eligible employees in an amount equal to your annual salary (up to \$50,000 is tax exempt). Additional life insurance up to eight times annual salary, and coverage for your spouse/civil union partner and children may be purchased.

#### **Optional AD&D Insurance**

- State of Illinois Accidental Death & Dismemberment coverage of up to five times your annual salary may be purchased.
- University plan coverage for yourself, spouse/civil union partner, and children.

#### Faculty / Staff Assistance Services

Provides personal, professional, and confidential assistance to all faculty and staff, and their household members experiencing difficulties that impact their work or well-being. Employee assistance services can help clarify issues, identify resources, and offer follow-up assistance as needed.

#### **Paid Time Off**

The University provides a number of paid time off benefits. Your eligibility for and duration of leave will vary depending on your type of position, and/or years of service.

 Holidays - Ten designated holidays plus two additional floating holidays.

- Vacation Academic Professional employees may earn up to 24 days per year. Civil Service employees may earn up to 28 days per year.
- Sick Leave Time available to care for yourself, a member of your household or other eligible family members.
- Parental Leave Up to six weeks per academic year, immediately following the birth, adoption, or foster placement of a child. This is in addition to any sick or vacation leave used.
- Bereavement Leave Up to five days upon the death of a member of the employee's family, and an additional seven days upon the death of a child.

Other paid time off includes military duty, jury duty or to be a blood, blood platelet or organ donor. Contact Human Resources with questions.

#### **Tuition Benefits**

Staff in trainee, apprentice, learner, provisional, or status appointments of 50% time or more; academic employees with an appointment of 25% time or more; and retirees are eligible for tuition waiver benefits. The value of undergraduate level tuition waivers for employees is not taxable. However, the value of graduate-level educational benefits exceeding \$5,250 in a calendar year is subject to employment taxes and must be reported as taxable wages on Form W-2. This taxation does not apply to qualified Teaching Assistants or Research Assistants.

Current employees with at least seven years of service can apply for a 50% tuition waiver for dependent children. The waiver may be available for up to four years at an Illinois state institution of higher education, depending on the employee's length of service and appointment status.

#### State Universities Retirement System (SURS)

Participation is required for eligible employees. Your contribution, 8% of pensionable earnings, is automatically deducted on a pretax basis. An employer contribution varies depending on plan choice. Maximum pensionable earnings, retirement age, vesting, survivor benefit, and other provisions also vary by plan. See

https://www.surs.org and select "New to SURS?" to view the three plan choices:

- Traditional Benefit Plan (Defined Benefit)
- Portable Benefit Plan (Defined Benefit)
- Retirement Savings Plan (Defined Contribution)

Employees eligible for SURS are not covered by federal Social Security; therefore no Social Security taxes are withheld from earnings. However, federal Medicare tax, which amounts to 1.45% of Medicare-eligible salary, will be withheld.

#### **Optional Supplemental Retirement Plans:**

You may elect to direct part of your pay to investments intended to build a personal retirement fund. You can contribute up to IRS maximums in either or both plans.

- University Supplemental 403(b) Retirement Plan with pre-tax and Roth (after-tax) options.
- State Deferred Compensation 457 Plan with pre-tax and Roth (after-tax) options.

#### **Disability Income Plan**

Basic disability benefits for University employees participating in SURS are provided through SURS.

## **University Long Term Disability Plan**

A voluntary supplemental plan may be purchased by State benefits-eligible employees.

## **Adoption Benefit Program**

The State of Illinois Adoption Benefit program will reimburse eligible expenses up to \$1,500.

# **Summary of Benefits**

**Academic Professional Employees** 

## **Insurance and Health Care**

The University provides health, dental, and life insurance to academic staff members who are SURS eligible and on appointments equal to at least 50% time and at least nine continuous months. Part-time employees pay a proportionately higher premium. Several health insurance plans and dental plans are available; coverage may be extended to spouses and dependents at the employee's expense. The Benefits office is available to assist with options available for same-sex domestic partners. A number of optional programs are also available, such as additional term life insurance, accidental death and dismemberment insurance, long-term disability insurance, and tax-deferred retirement program.

https://www.hr.uillinois.edu/cms/One.aspx?portalId=4292&pageId=906841V

#### **Shared Benefits**

Academic employees donating to a sick leave pool are provided an opportunity to request additional sick leave days when experiencing a catastrophic illness or injury, or when a disability claim is pending before SURS and the employee has exhausted all accumulated sick leave. Employees must donate leave (in one day increments equivalent to the percentage of their appointment) in order to receive the benefits. In order to donate, employees must have accrued a minimum of eleven days of sick leave, vacation, or combined sick leave/vacation. Employees who donate vacation must use all accumulated sick and vacation prior to using any shared benefit leave.

## **Worker's Compensation**

An employee who suffers an injury as a result of his or her employment at the University may be entitled to benefits under the Illinois Workers' Compensation Act. This act requires the employee to notify the employer of the occurrence of the accidental injury and of the fact that the employee believes the injury occurred as a result of his or her employment. Failure to give this notice may result in a loss of workers' compensation benefits. The procedure for reporting on-the-job accidental injuries: (1) report the accidental injury, however slight, to the supervisor; (2) seek medical treatment; (3) complete the Injury Report form. Benefits are unaffected by visiting or part-time status as long as salary is provided by the University. The Office of Claims Management administers the workers' compensation benefits (333-1080).

#### **Vacation**

Civil service employees earn vacation leave based on the schedule to which employee's class is assigned in conjunction with the employee's years of service completed.

## **Sick Leave**

Civil service employees will accrue sick leave without limit at the rate of .0462 hours for each hour, exclusive of overtime, that employees are in pay status. Accumulated sick leave may be used for illness of, injury to, or need to obtain medical or dental consultation for the employee, the employee's spouse, civil union partner, domestic partner, children, parents, siblings, grandchildren, and grandparents.

## **Holidays**

New Year's Day, Martin Luther King Jr.'s Birthday, Memorial Day, Juneteenth, the Fourth of July, Labor Day, Thanksgiving and day after, Christmas Eve and Christmas, and such other days as may be determined by the president of the University.

https://www.hr.uillinois.edu/leave/holidays

## **Floating Holidays**

Each fiscal year (July 1 to June 30), 2 non-cumulative floating holidays are available to civil service employees who are appointed at least 50%. Floating holiday "days" are prorated to the percentage of the employee's appointment. Floating holidays are not prorated for partial year appointments.

#### **Bereavement Leave**

Paid leave of up to five workdays due to death of a member of the employee's immediate family, which includes: father, mother, sister, brother, spouse, domestic partner, civil union partner, child – including child of same-sex domestic partner or civil union partner (if unborn, gestational age must be 20 or more weeks), grandparent, grandchild – including grandchild of a same-sex domestic partner or civil union partner, individual in a biological, adopted, foster, legal ward, step, or in loco parentis relationship, in-law (grandmother-, grandfather-, mother-, father-, brother-, sister-, son-, daughter-in-law), including a relative of a same-sex domestic partner or civil union partner (grandmother, grandfather, mother, father, brother, sister, son, and daughter), member of employee's household. Paid leave of one day due to the death of a relative outside the immediate family including aunt, uncle, niece, nephew, or cousin of the employee.

Additional information on bereavement leave can be found here: https://www.hr.uillinois.edu/leave/funeral

## **Family Medical Leave**

Eligible employees are entitled to up to 12 weeks of family and medical leave at the percentage of their appointments. FMLA is not required to be paid leave; however, employees may use paid vacation and/or sick leave, in accordance with existing University policy, for any portion of this leave. Such leaves will be granted to eligible employees for the birth or adoption of a child; for the care of a child, spouse, or parent who has a serious health condition; or when an employee is unable to perform the function of his or her position due to a serious health condition. Family and medical leave may run concurrently with workers' compensation. For information regarding specific eligibility criteria and the University policy, employees should contact their department/unit or the Office of Academic Human Resources.

Eligibility: 12 months service to the University (not necessary to be continuous) and at least 1250 hours of service in the last 12 months.

https://www.hr.uillinois.edu/cms/One.aspx?portalId=4292&pageId=5639

## **Leave Without Pay**

With appropriate approvals, a member of the academic staff may be granted a leave of absence without pay for a period of one year or less. Such a leave may be renewed in special circumstances, ordinarily for not more than one year. Leave for family reasons is defined as leave without pay for such purposes as child-rearing and care of an invalid or seriously ill spouse, parent, child, or other close relative or member of the household. It is available to males or females, regardless of marital status, and is applicable to the adoption of children. Leave of Absence without Pay is not normally granted to academic staff on visiting appointments.

#### **Military Leave**

Compensation while on military leave for annual training, special or advanced training, and basic training shall be in accordance with the Illinois Military Leave of Absence Act. In the event an employee is called upon for active duty, the employee shall receive leave with pay for up to thirty consecutive days. Leave for service in the Armed Forces of the United States without pay shall be granted to an employee who enlists, volunteers for, or is inducted into such service. https://www.hr.uillinois.edu/cms/One.aspx?portalld=4292&pageId=5626

## **Parental Leave**

Employees with at least 6 continuous months of employment are eligible for paid leave of up to six calendar weeks per academic year immediately following the birth or adoption of the eligible academic staff member's child. Holidays that fall within the six calendar week period do not extend the parental leave. Parental leave cannot be used intermittently. Employees who hold only hourly appointments (Academic or Grad hourly) are not eligible for this benefit. Leave is counted as part of the 12-week FMLA leave for FMLA-eligible employees (see Family and Medical Leave). Parental leave is available to both mothers and fathers. Additionally, if both parents are University employees and otherwise eligible, both may receive and use parental leave, but the usage must be concurrent.

## **Jury Duty**

Release time is granted for the duration of jury duty. The employee may also retain funds paid in compensation for jury duty.

https://www.hr.uillinois.edu/cms/One.aspx?portalId=4292&pageId=5625

## **SURS Eligibility**

New employees must become participants in the State Universities Retirement System (SURS) immediately upon employment if they are employed at least 1% time and continuously for at least four months, except those employees who are SURS annuitants or who hold an F-1 or J-1 visa and have not yet been classified as a "resident alien" for tax purposes. At the time an F-1 or J-1 visa holder becomes classified as a "resident alien," they will become a participant in SURS if their appointment is 1% or greater and for four or more continuous months from the date they are declared a "resident alien."

Contributions of 8% to SURS are deducted from the employee's earnings. Employees who terminate their employment may elect to receive a refund.

Employees who are not eligible to participate in SURS will have Social Security taxes deducted from their applicable earnings (except employees in a F-1 or J-1 visa status and who are non-resident aliens for tax purposes, student employees enrolled in classes half time or greater, and SURS annuitants). There is an option available for these employees to participate in the State of Illinois Deferred Compensation at a 7.5% contribution rate in lieu of Social Security taxes.

## **Employee Tuition Waiver**

All academic staff members who hold an appointment of 25% or greater for at least 3/4 of a term are eligible for a tuition and fee waiver for University courses. Spouses and dependent children of academic staff members having an appointment of at least 25% are treated as residents for purposes of tuition assessment. Tuition is not waived for spouses but may be for dependent children (see Child of Employee Tuition Waiver).

Retired academic staff are also eligible to receive a tuition and fee waiver. https://www.hr.uillinois.edu/cms/One.aspx?portalId=4292&pageId=856814

## **Child of Employee Tuition Waiver**

A 50% tuition waiver is available for up to 4 years for children of current employees based on child and parent eligibility.

#### Eligibility:

Child: must be enrolled in and making satisfactory progress toward an undergraduate degree at an Illinois state institution of higher education, be younger than age 25 at the beginning of the academic year, and fall under one of the following relationship categories: natural child, adopted child, stepchild, ward. A child attending University of Illinois whose court-appointed guardian is an eligible employee of the University of Illinois and whose natural parents are deceased or have been declared unfit by court action is eligible for this benefit.

Parent: must have a 50 percent or greater employment over a minimum of 7 academic years at any one or more of the Illinois senior public universities in a capacity that is eligible for participation in SURS. The 7 years do not have to be consecutive. The parent must be a current employee in active status employed at 50 percent time or more in a SURS-eligible position as of the first day of the academic term.

Ineligible employment categories include SURS annuitants (retirees), State Survey employees covered under the personnel policies of the Illinois Department of Natural Resources, employees of University-related organizations (i.e. Foundation, Alumni Association), academic hourly, Civil Service temporary and Extra Help, graduate assistants, and students. The initial application for this benefit must be received by the employee's campus human resources office no later than the last day of instruction (on the student's campus) for the term in which the benefit will apply. There is no retroactivity beyond the current academic term (semester or summer session).

## **Student Loan Forgiveness**

Extension and University of Illinois employees may be eligible for federal student loan forgiveness programs, such as the <u>Public Service Loan Forgiveness</u> (PSLF) <u>Program</u>.

The PSLF Program forgives the remaining balance on your <u>Direct Loans</u> after you have made 120 <u>qualifying</u> <u>monthly payments</u> under a qualifying repayment plan while working full-time for a qualifying employer.

On October 6, 2021 the U.S. Department of Education (ED) announced a temporary period during which borrowers may receive credit for payments that previously did not qualify for PSLF or TEPSLF. Learn more about this limited PSLF waiver here.

# Incomplete List of Benefits, Services, and Other Resources For Employees in U of I Extension College of Agricultural, Consumer and Environmental Sciences (ACES)

Below is a listing of resources that you can use during your tenure as a University of Illinois employee. If you have any questions about any of these issues or others, please do not hesitate to call the College of ACES Human Resources at 217/333-2664. Welcome to the University of Illinois at Urbana-Champaign and to University of Illinois Extension in the College of Agricultural, Consumer and Environmental Sciences (ACES)! The following is a summary and does not presume to supersede civil service personnel or any other University policies.

#### **Benefits:**

## **Flexible Spending Plans:**

The Medical Care and Dependent Care Assistance Plans are available to eligible employees to pay for eligible medical and dependent care expenses tax-free on a fiscal year basis. Employees can save tax dollars by signing up for these programs <u>each year</u>, and contributions to pay determined expenses are done via payroll deduction. Contact Benefits Center for new open enrollment forms each May 1-31. In **NESSIE** under *Benefits/Summary*:

https://www.hr.uillinois.edu/benefits/fsa

#### Tax Deferred Retirement Plans (403B & 457):

In addition to your retirement deductions (e.g., SURS), you may elect to direct part of your pay – <u>pretax dollars</u> – to additional investments intended to build a retirement fund. Your participation in these plans does not reduce any of your UI benefits based on full salary such as retirement, life insurance, disability, or survivor benefits. Contact the Benefits Center (217/333-3111) or **NESSIE** under *Benefits/Univ. Plans and TDRP:* <a href="https://www.hr.uillinois.edu/benefits/retirement">https://www.hr.uillinois.edu/benefits/retirement</a>

#### **HUMAN RESOURCE SERVICES:**

Employees can initiate certain payroll, benefits, personnel changes, and see policies and appointment information (earnings statements and Notifications of Appointment), as well as initiate electronic employment verifications, etc. https://www.hr.uillinois.edu/

#### **Human Resources:**

# College of ACES Human Resources, Office of Administration and Finance:

Provides advice and information to academic and civil service staff employees and their supervisors in the areas of employee relations, employment services (including appointments and payroll), records management, and policy interpretation. Feel free to contact the staff with questions at 217/333-2664. http://adminfinance.aces.illinois.edu/staff

#### **Other Important Resources:**

#### Faculty/Staff Assistance Program (FSAP):

The FSAP is designed to provide personal, professional, and confidential assistance to all academic and civil service staff, their dependents, members of the employee's household, and retirees who are experiencing problems that interfere with their ability to work or their well-being. Help is available as short-term counseling and referral for alcohol and/or drug abuse, emotional, psychological, marriage, family, relationship, personal, and/or stress related problems. All contact with the FSAP is treated with the strictest confidence. You may call the FSAP directly at 217/244-5312.

http://humanresources.illinois.edu/about/faculty-staff-assistance-services.html

#### Faculty/Staff Emergency Fund (FSEF):

Created by faculty and staff for the sole purpose of financially assisting other faculty and staff in times of financial crisis, the fund is made up entirely of donations by employees. Application for assistance is made by contacting the Faculty/Staff Assistance Program (see above), which administers the grants if approved. A special committee carefully and confidentially reviews each request for approval. Employees working at least 50% for at least 6

months may apply for crisis assistance through the FSAP (217/244-5312). (NOTE: Donations to this fund may also be made through payroll deduction to the UI Foundation. Contact the FSAP for more information.)

## STATE UNIVERSITIES RETIREMENT SYSTEM (SURS)

The State Universities Retirement System (SURS) offers three retirement plan choices:

- Traditional Benefit Plan (Defined Benefit)
- Portable Benefit Plan (Defined Benefit)
- Retirement Savings Plan (Defined Contribution)

It is very important to carefully review the SURS plan options and make an active decision about plan choice. Important considerations for plan selection include: Minimum Vesting, Normal Retirement Age, Earliest Retirement Age, Age Reduction, Final Rate of Earnings (FRE), FRE Limits, and more. A chart is available at

http://surs.org/sites/default/files/pdfsx/Two Tier.pdf to assist in evaluating these provisions. Additionally, you will want to consider differences in portability, death benefits, survivor benefits, and retiree health benefits in making your plan choice.

You will receive complete information about these choices directly from SURS. SURS will mail a detailed Choice Packet to your home address after receiving certification of your employment from the University. For additional information about your choices, contact SURS at 800-ASK-SURS (800-275-7877) or visit the SURS website, <a href="https://www.surs.org">https://www.surs.org</a>, and click on "New to SURS" for resources to help you understand the three plan options. You may also view the "Plan Choice Video Series" at <a href="https://surs.org/plan-choice-video-series">https://surs.org/plan-choice-video-series</a>.

As a SURS participant, your contribution to the retirement plan is 8% of gross earnings. University police officers in the Traditional and Portable Benefit Plans contribute 9.5% unless a timely election to waive the right to make additional contributions is made. This contribution is automatically deducted from your paycheck, and is not subject to federal or state income taxes. Federal taxes will be withheld when you begin to withdraw funds following your retirement. Retirement distributions are not taxed by the State of Illinois if taken in accordance with plan provisions, at full retirement age, and while a legal resident of the State of Illinois.

Participation in SURS is required if you work continuously for at least one academic term or four months, whichever is less, and your employment is not temporary, intermittent, or irregular. You are not eligible to participate in SURS if: you are a student regularly attending classes at a college or university that participates in SURS and you are employed on a part-time, temporary basis; you were employed under the Comprehensive Employment Training Act on or after July 1, 1979; you hold a J-1 or F-1 visa and have not established residency status; or you are currently receiving a retirement annuity from SURS.

As a new employee, you have six (6) months from your initial date of SURS-eligible employment to make a lifetime, irrevocable selection of one of the three SURS plans. If you do not make this decision within six (6) months of your date of hire, you will be automatically enrolled in the Traditional Benefit Plan. This "default" enrollment is also IRREVOCABLE for life.

If you are eligible for SURS, you are not covered by federal Social Security and no Social Security taxes are withheld from your earnings. However, if you were hired on or after April 1, 1986, your earnings are subject to withholding of federal Medicare tax, which amounts to 1.45% of Medicare-eligible salary.

## TRADITIONAL AND PORTABLE (DEFINED BENEFIT) PLANS

Both Defined Benefit Plans provide you with a guaranteed payout when you retire, based on a formula set by the Plan. You bear no investment risk or responsibility. Many of the characteristics of the two Defined Benefit Plans are similar; however there are two important differences:

- Portability. The Portable Benefit Plan allows for a larger refund than the Traditional Benefit Plan if you leave SURS before retirement.
- Survivor Benefits. With the Portable Benefit Plan, there is a cost at retirement if you want to provide survivor benefits to your survivor upon your death. With the Traditional Benefit Plan, there is no additional cost, your survivor benefits are automatic.

Allocation of 8%	Traditional	Portable
6.50%	Retirement	Retirement
0.50%	Automatic Annual Increase	Automatic Annual Increase
1.00%	Survivor Benefits	Portability

The State of Illinois also contributes an amount that is actuarially determined each year, and can vary from year to year. It is approximately 9.1% of earnings at the time of your retirement and is used to fund your retirement benefits, as well as to fund your disability benefit. (See page 22 for a description of the SURS Disability benefits.)

## RETIREMENT SAVINGS (DEFINED CONTRIBUTION) PLAN (RSP)

In the Retirement Savings Plan (RSP), your retirement benefit is based on the amount of money that has been contributed to the Plan and the earnings on that money, over time. Unlike the Defined Benefit Plans, there is no guaranteed payout at retirement. You decide how to invest your contributions and earnings, using one or more of the investment funds the plan offers. If your investments do well, your account will grow. If your investments do poorly, your account will diminish. In other words, you bear all the investment risk.

Your investment plan recordkeeper is Voya Financial.

Your entire 8% contribution is allocated to your retirement account balance. The State also contributes an amount equal to 7.6% of your earnings to your account. Of that contribution, approximately 7.35% is added to your retirement account balance, and the remaining 0.3% is used to fund your disability benefit. (See page 26 for a description of the SURS Disability benefits.)

As a new employee you have up to six (6) months to make your SURS plan choice. If you decide to elect the RSP, the State contributions do not begin until the first full payroll after your selection is made, so it is in your best interest to make this choice as soon as possible.

# **Determining Your SURS Retirement Plan**

For the purposes of evaluating which retirement plan is best for you, please keep in mind the Tier II maximum pensionable earnings cap for Fiscal Year 2020 is \$114,951.83.

## **Self-Managed Plan (SMP)**

#### • A good plan to consider if/when:

- You anticipate your annual earnings surpassing \$84,000 (approximately 75% of the maximum pensionable earnings under Traditional or Portable Plans)
- You aren't sure if you plan to stay at the University more than 10 years, or until you retire
- You would like the flexibility to take your investments with you if/when you leave the University
- You prefer to manage your own investment strategies and are comfortable accepting the risks and rewards of your choices
- You would like to have the option of purchasing a monthly annuity or receiving a lump sum benefit so you can manage your own retirement income

## **Portable Plan**

#### A good plan to consider if/when:

- •You anticipate your annual earnings to be less than \$84,000 (approximately 75% of the maximum pensionable earnings)
- You don't anticipate making more than the maximum pensionable earnings
- You plan to stay at the University more than 10 years, but you might not choose to retire with the University
- You want the ability to take your accrued retirement benefits with you when you separate from the University
- You aren't interested in selecting your own investments, but would prefer to allow a SURS-selected professional to manageyour investments
- Upon retirement, you would like to have a lifetime monthly annuity benefit based on a pre-determined formula

## **Traditional Plan**

#### A good plan to considerif/when:

- •You anticipate your annual earnings to be less than \$84,000 (approximately 75% of the maximum pensionable earnings)
- You don't anticipate making more than the maximum pensionable earnings
- You plan on staying at the University more than 10 years, or you plan on staying until you retire
- Survivor benefits for your family are important to you and you like the additional 1% survivor death benefit that this plan provides
- You aren't interested in selecting your own investments, but would prefer to allow a SURS-selected professional to manageyour investments
- Upon retirement, you prefer to have a lifetime monthly annuity benefit based on a pre-determined formula

This document is intended to serve as a useful tool as you evaluate which SURS retirement plan is best for you. This information is provided with the understanding that it is a source of information and does not constitute legal, tax, or other professional advice. If legal advice or other professional advice is required, the services of a professional advisor should be sought.

## Supplemental Retirement Plans

In addition to your retirement account with SURS, you may elect to direct part of your pay to investments intended to build an individual retirement fund. You may choose to participate in either, or both, the University Supplemental 403(b) Retirement Plan and the State Deferred Compensation 457 Plan.

Participation in either of these plans is optional and does not reduce any U of I System benefits that are based on full salary, such as retirement, life insurance, disability, or survivor benefits. Participation in either option is by payroll deduction only. The amount of income that can be contributed is subject to IRS limitations.

At retirement or termination of employment, you may defer a portion of your vacation payout into either the 403(b) or 457 plan. You must notify UPB at least 60 days prior to separating from the University in order to arrange deferral of vacation payout.

## University Supplemental 403(B) Retirement Plan

The 403(b) Plan is a defined contribution plan intended to have tax-favored status under section 403(b) of the IRS Code. A 403(b) plan is similar to a 401(k) plan, but it is specifically designed for employees of public schools and certain tax-exempt organizations. The 403(b) Plan offers fixed and variable annuities, mutual funds, stocks, bonds, and money market funds. The Plan offers a number of funds with low share class fees. You have the option of contributing pre-tax (traditional) and/or Roth (after-tax) funds to the 403(b) Plan.

- Your traditional contributions are deducted from your pay on a pre-tax basis, which decreases your taxable income.
  Distributions will be taxable as ordinary income.
- Your Roth contributions are deducted from your pay on an after-tax basis. These funds and associated earnings can then be withdrawn tax-free at retirement provided the withdrawal meets certain requirements.
- In 2021, if you are under age 50, the maximum 403(b) contribution is \$19,500. This limit is determined annually by the IRS. If you are age 50 or over, you may contribute up to an additional \$6,500. (This maximum is a combined limit of both traditional and Roth contributions.)
- In August 2021, a streamlined fund menu with lower fees was implemented to help support your financial wellbeing and help you prepare for your retirement goals.

**Important:** If during any calendar/tax year you contribute to a retirement plan through another employer, it is your responsibility to monitor your contributions to all plans to ensure you do not contribute over the IRS maximum allowed each year.

Your investment company choices are TIAA and Fidelity Investments.

For detailed instructions on enrolling, see https://hr.uillinois.edu/benefits/retirement/403b/sra.

## STATE DEFERRED COMPENSATION 457 PLAN

The Deferred Compensation Plan is a defined contribution plan intended to have tax-favored status under section 457(b) of the IRS Code. The plan is administered by CMS with T. Rowe Price as recordkeeper and plan service provider. Your contributions, together with any earnings, accumulate tax-deferred until you terminate service, die, or incur unforeseeable financial hardship. Retirement distributions are not taxed by the State of Illinois if taken in accordance with plan provisions, at full retirement age, and while a legal resident of the State of Illinois.

The State of Illinois Board of Investments determines the range of investment choices for the plan. There are a number of investment options, including the target retirement trust funds, which provide a single diversified portfolio that is professionally managed to a specific retirement date.

- The minimum contribution is \$10 per pay period.
- Your traditional contributions are deducted from your pay on a pre-tax basis, which decreases your taxable income.
   Distributions will be taxable as ordinary income for federal tax purposes.
- Your Roth contributions are deducted from your pay on an after-tax basis. These funds and associated earnings can then be withdrawn tax-free at retirement provided the withdrawal meets certain requirements.

In 2020, if you are under age 50, the maximum contribution is \$19,500. This limit is determined annually by the IRS. If you are age 50 or over, you may contribute up to an additional \$6,500 (This maximum is a combined limit of both traditional and Roth contributions).

For more information about the 457 Plan, see <a href="https://www.hr.uillinois.edu/benefits/retirement/457/">https://www.hr.uillinois.edu/benefits/retirement/457/</a>.

To enroll in the Plan, visit rps.troweprice.com.

#### **SURS Deferred Compensation Plan (DCP)**

This is a new 457(b) Savings Plan now available through SURS Employers. Saving and investing in the DCP helps you create income to supplement your other SURS retirement plan's benefits. You save at a rate right for you, up to the IRS annual limits, making pre-tax or Roth contributions or both. You choose among the best-in-class DCP investment lineup, which includes an option that generates guaranteed lifetime income when you retire.

A 457(b) plan is an employer-sponsored, tax-favored retirement savings account. Unlike other retirement plans, a 457(b) plan allows you to withdraw funds without a penalty before the age of 59½, as long as you either leave employment or have a qualifying hardship. You can also withdraw funds while still employed after you reach age 59½. More information can be found here: <a href="https://surs.org/retirement-plans/dcp/">https://surs.org/retirement-plans/dcp/</a>

## DISABILITY PLANS

#### SURS DISABILITY BENEFITS

Disability benefits are provided through your participation in the State Universities Retirement System (SURS). The disability benefits are the same regardless of which of the three SURS retirement plan choices you select.

- Disability benefits may be claimed for an illness after you have accumulated two (2) years of service credit in SURS.
   This two (2) year requirement is waived if disability is due to an accident.
- Waiting Period: Benefits begin after 60 continuous calendar days of disability, or after salary or sick leave benefits end, whichever is later.
- Benefit Amount: An eligible employee with an approved disability claim would receive the greater of 50% of base salary on the date the disability begins or 50% of average earnings for the 24 months immediately prior to the date disability begins.
- Benefit Duration: Benefits are payable until the total benefits received equal 50% of your SURS earnings.

## University Supplemental Long Term Disability (LTD) Insurance Plan

This optional LTD plan available through Prudential supplements the SURS benefits if you become disabled due to sickness or injury. To be eligible for enrollment in this plan, you must be a SURS participant with a continuing appointment of at least 50% or a temporary appointment of 50% or more for at least nine months and be eligible to receive state health benefits. You pay the full cost of this plan. Monthly premiums are based on your age and your annual salary.

A new benefits eligible employee, will receive guaranteed coverage if election is made within the first 60 days of employment. After 60 days, you may apply for coverage at any time by answering questions about your health. Prudential has the right to approve or deny any request for coverage. If a request is approved, coverage will begin on the date determined by the carrier. A pre-existing condition limitation is applicable during the first two (2) years of coverage.

Benefits under the plan are coordinated with any SURS disability payments so that a total benefit of up to 66.67% of base pre-disability earnings, up to a maximum of \$12,000 per month, is paid.

- Plan pays 66.67% benefits in the first two years of employment when there is no SURS benefits payable for a disability due to illness.
- Plan pays 16.67% benefits once the 50% SURS disability benefit begins.
- Plan pays 66.67% benefits if disability continues after the SURS benefit is exhausted.
- Catastrophic Disability: plan pays 86.67% benefit (additional 20% of monthly earnings up to the \$12,000 maximum) if you lose the ability to perform two activities of daily living or have severe cognitive impairment that requires substantial supervision.
- Critical Illness Benefit: plan pays 76.67% (additional 10% of monthly earnings up to a maximum of \$1,000) if disability is caused by a covered critical illness.
- Survivor Benefit: plan pays a lump sum benefit, equal to six months of gross disability payments, to your beneficiary upon death.

# **University Code of Conduct**

This Code of Conduct establishes guidelines for professional conduct by those acting on behalf of the University including executive officers, faculty, staff, and other individuals employed by the University using University resources or facilities, and volunteers and representatives acting as agents of the University.

This is not an attempt to define specifically what one should and should not do, but to communicate the University's expectations of proper conduct and what professional conduct the University values. It is an expectation that the Code of Conduct serves as the basis, on which, employees should make decisions related to the best interests of themselves, their coworkers and the University. University policies, procedures, and state law serve to reinforce the concepts presented in the Code of Conduct.

# The Code

Those acting on behalf of the University have a general duty to conduct themselves in a manner that will maintain and strengthen the public's trust and confidence in the integrity of the University and take no actions incompatible with their obligations to the University.

With regard to professional conduct, those acting on behalf of the University should practice:

- Integrity by maintaining an ongoing dedication to honesty and responsibility;
- Trustworthiness by acting in a reliable and dependable manner;
- Evenhandedness by treating others with impartiality;
- Respect by treating others with civility and decency;
- Stewardship by exercising custodial responsibility for University property and resources;
- Compliance by following State and Federal laws and regulations and University policies related to their duties and responsibilities;
- Confidentiality by protecting the integrity and security of university information such as student records, employee files, patient records, and contract negotiationdocuments.

Those acting on behalf of the University shall seek appropriate guidance when faced with ethical dilemmas. For additional information related to ethical dilemmas, please contact the University Ethics and Compliance Office on the Toll-free Ethics Help Line at: 866-758-2146 or via e-mail at: ethicsofficer@uillinois.edu.
