

DAIRY CATTLE - DEPARTMENT B
Superintendent – Carol Boesche
Judged Saturday, August 7, 4:00 p.m.

A 4-H member must be the owner of the animals exhibited at the fair. Professional fitters **will not be allowed** to assist in the 4-H Show. 4-H'ers may be assisted with the fitting of the animal by a family member (mother, father, siblings, grandparents or legal guardian) or by another 4-H member of DeKalb County when fitting the animal for show.

Appropriate attire is expected in the show ring and sale ring. Safety should be the issue for the attire. Suggested attire: hard shoes, long pants and a collared shirt. (No shorts, open toed shoes, or hats.) Face covering are required for all youth, spectators, volunteers, and staff.

All youth showing a dairy project are required to be certified in Youth for the Quality Care of Animals during the current year.

Decisions made by the superintendents will be final.

COVID -19 SOCIAL DISTANCING AND SAFETY PRACTICES

The following COVID-19 social distancing and safety practices reflect requirements of the Illinois Department of Public Health and University of Illinois event guidelines. These mitigation protocols may also be modified to reflect any requirements of the local public health department based on local conditions at the time of the event.

- 1. Face coverings are required for all youth, spectators, volunteers, and staff when within the defined 4-H event space (inside or outside).**
2. Everyone in attendance will practice social distancing during the event, including maintaining six feet of separation (both indoors and outdoors) from those who are not in their households. To allow for social distancing, building and spectator capacity may be limited based on current public health department guidelines.
3. Handwashing and sanitizing stations will be provided throughout the venue.
4. Anyone who has experienced COVID-19 symptoms within the previous seven days is asked to stay home. COVID-19 symptoms include fever, cough, loss of taste or smell, or shortness of breath.

If any of these guidelines presents a challenge for you, please contact the DeKalb County Extension office at 815/758-8194. We can discuss what accommodations are possible so that we can look for ways that all youth can safely participate in this event. Illinois 4-H reserves the right to adjust or cancel events in the case of identified risk, such as changes in local COVID conditions or known instances of non-compliance with safety guidelines.

Illinois Health Requirements for Cattle:

All animals, except as noted, shall be accompanied by a Certificate of Veterinary Inspection (CVI) which shows that the animal meets all health requirements for the State of Illinois. CVI's shall be made available to Bureau of Animal Health Personnel on request.

CVI means a legible record made on an official form from the state of origin which has been issued, signed and dated by an accredited veterinarian and which shows the name and address

of the animal's owner or exhibitor and the results of all required tests or vaccinations. A CVI shall list only one animal identification per line; shall be presented on the form on which it was initially issued; and shall not be corrected, changed or altered in any manner.

All animals shall be officially identified. The animal(s) official identification shall be recorded on the CVI.

Illinois calves under 6 months of age, and Illinois steers are not required to have a Certificate of Veterinary Inspection (CVI). Breeding animals over 6 months of age are required to have a CVI.

CVI for Illinois-origin livestock shall be void ninety (90) days after issuance.

4-H'ers leaving the fairgrounds before the completion of the livestock auction will forfeit auction premiums above floor/market price. All youth and animals are expected and required to remain on the fairgrounds until the completion of the auction.
