Service Opportunities

Organization /Event	Description
Operation Gratitude	From making cards or handmade items to collecting items to donate there are options for everyone! For more information visit their volunteer page here . <i>For individuals and groups.</i>
Pet Central Helps!	PCH! has wish lists under their wish list tab and has a giving quilt linked on their website occasionally for veterinary funds. Their website can be found here . This would be a great way for clubs to fundraise or use their funds.
Wishbone Canine Rescue	Under their DONATE tab, they have various ways to donate as well as a wish list tab. Their website can be found here . Clubs could do a dog toy drive or use club funds from a fundraiser to donate. Clubs could also reach out to see if extra household items like towels are in need.
Midwest Food Bank	There are multiple ways that clubs can participate in service projects with Midwest Food Bank. They have a variety of examples under their volunteer page including fundraising, food drives, and volunteering. In January they have a daily challenge that members and clubs can check out and participate in with January 17 th being volunteering at a local food bank or soup kitchen. <i>All of these suggestions can also be applied at a local food bank!</i>
Card Ministry Carle BroMenn Medical Center	The card ministry provides patients get well cards during their stay. They can be seasonal, holiday, or general get-well messages. This is a great activity to incorporate into a club meeting or even have individual members create them at home and then collect and send in as a group! Cards should include a drawing and simple message and can be left at the Carle BroMenn main entrance (Attention: Sue Seibring, Volunteer Manager) or mailed to the following address: Sue Seibring, Volunteer Manager - 1304 Franklin Ave. - Normal, IL 61761
Recycling Furniture for Families	This is a more unique service opportunity, but you can give back to families in the community by donating gently used furniture with a furniture drive. Members of all ages can help – flyer making, organizing, directing, loading furniture. Keep in mind, furniture must be gently used, and transportation of furniture will be required. More information can be found on their Donate page .
