

4-H Club Brightens the Holiday Season

As the 4-H Pledge calls the club to give back to the community, we thought about what children of all ages might want, we used our hearts to select the perfect gifts and our hands to stuff stockings for children at Hope Haven. DeKalb County Choreboys/girls 4-H Club went shopping

on November 24 at Five Below to buy items to put in stockings for kids at Hope Haven. We chose small gifts like stuffed animals, games, pop-its, and more to fill stockings to brighten their holiday season. After shopping, we joined together outside to stuff the stockings with candy and the items we bought. Happy Holidays from DeKalb County Choreboys/girls!
