

DeKalb County Choreboys/girls at Jonamac Apple Orchard

On October 15, DeKalb County Choreboys/girls held their first event of the year. New and old members got to know each other at Jonamac Apple Orchard. We had pizza, s'mores, and

enjoyed our evening around a bonfire. To end the evening people braved the haunted corn maze. Everyone had a good time.

As the 4-H pledge states that we are to help our community, everyone who came brought food items to donate to Hope Haven.
