A 4-H member must be the owner of the animals exhibited at the fair. Professional fitters **will not be allowed** to assist in the 4-H Show. 4-H'ers may be assisted with the fitting of the animal by an immediate family member (mother, father, siblings or legal guardian) or by another 4-H member of DeKalb County when fitting the animal for show.

First year members are required to participate in the Quality Assurance & Ethics training via the web in order to be eligible to participate in the 4-H Fair. The website address is as follows: <http://web.extension.illinois.edu/gaec/>. First year animal exhibitors failing to register through this website will be ineligible to compete in the 4-H Show.

All youth showing a goat project are required to be certified in Youth for the Quality Care of Animals during the current year.

Decisions made by the superintendents will be final.

Illinois Health Requirements for Goats:

All animals, except as noted, shall be accompanied by a Certificate of Veterinary Inspection (CVI) which shows that the animal meets all health requirements for the State of Illinois. CVI's shall be made available to Bureau of Animal Health Personnel on request.

CVI means a legible record made on an official form from the state of origin which has been issued, signed and dated by an accredited veterinarian and which shows the name and address of the animal's owner or exhibitor and the results of all required tests or vaccinations. A CVI shall list only one animal identification per line; shall be presented on the form on which it was initially issued; and shall not be corrected, changed or altered in any manner.

All animals shall be officially identified. The animal(s) official identification shall be recorded on the CVI.

Individual identification of each animal shall be by an ear tattoo or official metal or plastic tag. A microchip ID is acceptable if the owner provides the reader.

Tattoos may be used when a registration certificate, listing the tattoo number, accompanies the animal.

When using ear tags, the tag must indicate the premises ID and state of origin. The tag number must be assigned by a state or APHIS representative and recorded in the Scrapie Record Database.

Ears should be used for tattooing when possible. If there is no space in the ear, the flank or tail fold may be used.
