Class Descriptions (in alphabetical order)

80's Aerobics! (limit 20, No Fee)

Get your sweatbands and leotards ready, come work out your energy with 80's moves and tunes! Presenters are Reagan Vander Bleek from Green Meadows and Ellie Davis from DeKalb Choreboys & Choregirls.

Animal Science (limit 10, No Fee)

No matter if you are new to livestock projects or experienced, attend this class to learn more about animals. Through hands-on activities, learn about suturing techniques, different types of injections, along with breed and equipment identification. Presenters are Dan Jennings, State 4-H Livestock Educator and the Illinois Livestock Ambassador Team.

Color Craze (limit 8, fee is \$5)

We will be working with creating colors, making a sun-catcher, and making coffee filter butterflies! You will take home these projects after we make them! Presenter is Sydney Walter from Green Meadows.

Crafting 101 (limit 12, fee is \$2)

It's time to get creative! This is an open session where you can make what you want. We will have various crafting supplies ready to go all you need is your imagination. We will have fabric, beads, old jean pockets, fun foam, tissue & scrapbooking paper and so much more.

COLLEGE OF AGRICULTURAL, CONSUMER & ENVIRONMENTAL SCIENCES

University of Illinois | U.S. Department of Agriculture | Local Extension Councils Cooperating

University of Illinois Extension provides equal opportunities in programs and employment.

If you need a reasonable accommodation to attend, call the DeKalb County Extension Office, (815) 758-8194

Egg Drop (limit 10, fee is \$1)

Will it splatter or crack? The challenge is to engineer a structure that will protect an egg from a fall off a ladder. Test your engineering skills and if done right your egg will be safe. Presenter is Scott Groezinger.

Fun with Eggs (limit 8, fee is \$2)

From cooking to crafts, we'll be doing neat new things with the incredible egg. Presenter is Julie Vander Bleek.

Funny Faces (limit 10, fee is \$1)

Make your favorite emojis, fruits, or people with these silly face stress balls. Using balloons, Sharpies, yarn and googly eyes create these funny faces that make you laugh and relieve your stress! Presenter is Jelina Martinez from Green Meadows.

Hand Lettering & Card Making (limit 12, fee is \$1)

Learn how to do basic brush lettering fonts and how to make a homemade thank you card. Presenter is Allie Peterson from the Shabbona Pioneers.

Movie Madness (unlimited, free)

Sit back and relax in the theater while watching "Addams Family 2". ***This workshop will take place over sessions #4 & #5. It will be finished at 2:20.***

Recreation Time (unlimited, No Fee)

Does your club have a time for recreation? Every club should make time to have fun at their meetings! During this class, learn easy to do "get to know you" games along with games and activities that do not cost a lot of money and can be done with supplies you find at home. Presenter is Johnna Jennings, 4-H Youth Development Educator.

Saltwater Taffy (limit 5, fee is \$2)

We'll be making yummy homemade salt water taffy. Presenter is Julie Vander Bleek.

Silly Sock Snakes! (limited 10, No Fee)

Bring a few socks of your own to make into a silly friend! This is a perfect way to use those mismatched socks ... the crazier and more colorful the better. Presenters are Dani Ward & Ella Seebach from the Tri County Crew.

This is How We Roll (limit 12; fee is \$3)

Discover the art of paper quilling by making your own unique keychain and set of earrings. Roll paper to create coils that will transform into fun shapes like clovers, flowers, and spirals. You'll take home a small kit of paper quilling supplies so you can continue creating paper quilling crafts at home. Presenters are Emily Groezing & Lisa Anderson.

Torn Paper Mosaics (limit 12, No Fee)

Create wonderful works of art using nothing but torn pieces of paper, some glue, and your imagination. Presenter is Reagan Vander Bleek from Green Meadows.

Whacky Wheels (limit 10, No Fee)

Snap together *Circuit Cubes*, building bricks, wheels and gears to make a self-powered vehicle. Let your imagination run wild while you create a vehicle to make it through an obstacle course the fastest! Presenter are Lillian Hetland and Lena Akers from the Science Ambassadors.
