

Plant a Tree on:
Saturday, April 2
(rain date April 9)
9-noon
Merritt Prairie
(located at 14401
Keslinger Rd. DeKalb)

Illinois once held 14 million acres of trees but that number has dropped to 5 million due to modern development practices. Illinois 4-H is helping to turn the tide by planting 25 oak trees in DeKalb County and 30 other counties in Illinois.

Along with planting trees we will also do fun hands-on activities about trees and go for a spring time hike.

This is a joint project between the IASWCD Forestry Committee and Illinois 4-H with funds granted from the Illinois Forestry Development Council and Illinois 4-H Foundation.
