4-H ENROLLMENT INFORMATION

Reminder for ALL 4-H families, superintendents, and volunteers, you need to go register at the 4-H Online website for the current 4-H year. If you were enrolled last year go to the link below and select "I Forgot My Password", use the email address that you gave last year and it will prompt you to create a new password. Follow the step-by-step enrollment process and submit enrollment at the end. If you have more than one child, you will have to do one for each of them. If you have any questions, please feel free to call the Effingham County Extension Office or email Patti Logan at logan1@illinois.edu regarding the enrollment process. The link to 4-H online is <https://v2.4honline.com/#/user/sign-in>

MEMBERSHIP FEES

Effingham County 4-H Foundation paying program fees!

The Effingham County 4-H Foundation will pay all program fees for everyone enrolling/reenrolling in the Effingham County 4-H program by December 31, 2021. Be sure to thank the Effingham County 4-H Foundation Board members for all their hard work in keeping 4-H free for you!

4-H Shared Agreement

Illinois 4-H members may participate in 4-H under a shared membership arrangement with another county; however, approval must be granted by both counties prior to enrollment by completing the 4-H Shared Membership Agreement form. Members may not benefit economically from exhibiting the same project at multiple local or county 4-H exhibitions, fairs or shows, including premiums, auctions, trophies, ribbons and other awards. Members may apply for 4-H awards or recognition in only one county. 4-H program fee should be paid in the county of residence.

Fiscal Resources

4-H belongs to the United States. It's the U.S. Secretary of Agriculture who oversees 4-H and makes sure that anyone who uses the 4-H name is using it for the good of its members. 4-H clubs have permission to use the 4-H name and the Clover emblem, but we must follow all federal, state and local laws. Here are the most important rules for 4-H clubs. Most of the money which funds 4-H comes from local, state and federal tax revenue. Therefore, 4-H clubs are held to a high degree of accountability. Each year, clubs must indicate whether they will have financial activity in their club by completing an Indication of Financial Activity form and turning it in to the County Extension Office.

Volunteer Training is essential so that volunteers not only understand the expectations of their role but have the skills, competencies, and information necessary to be successful. We're here to do everything we can to help you. You can access these training courses 24/7! Visit: <https://4h.extension.illinois.edu/volunteers/training> for more information.

Meeting Resources

A big part of your 4-H adventure includes working as a team where everyone has a voice in the things you do. Try adding some fun recreation to your meeting time-- at the beginning, in the middle, or as a conclusion. Here are some resources to help you get up and move! For activities before your meeting begins visit: <https://www.extension.iastate.edu/4h/files/page/files/Pre-Meeting%20Activities.pdf> For fun games and activities visit: https://www.ndsu.edu/fileadmin/4h/ClubMaterials/FJ825_Games___Activities.pdf For energizers and other club activities visit: https://www.canr.msu.edu/resources/group_building_ideas_for_4_h_club_group_meetings For more meeting resources <http://4h.extension.illinois.edu/clubs/meetingresources>

Project Spark Sheets

Projects help 4-H members find and nurture their *spark*. When you try something for the first time, you may be inspired to keep learning as much as possible about it. You might even want a career related to that new interest. 4-H projects often spark young people to follow their passions, interests, and talents on a new path to career development, enjoyment, and belonging. Ready for your spark? Learn more about 4-H projects you can explore. We have more than 75 sparks just waiting for you to light!

Illinois 4-H Spark Sheets are available for all statewide 4-H projects. These sheets are designed as a tool for parents, mentors or club leaders who are helping a 4-H member explore a project of interest. Spark Sheets, and related project resources, are continuously updated and available on the Illinois 4-H website. Each sheet contains information to help plan project exploration, spark ideas, and ignite possibilities. Get more information including an overview of how to use spark sheets here:

LEADERS MEETING NOVEMBER 16 at 6 PM
JASPER COUNTY CHAMBER OF COMMERCE

Jasper County 4-H

Afterschool Adventures

What a fun day! The 4-H Afterschool Adventure in October was FISHING, and the kids were not disappointed!

Everyone caught at least 1 fish, and our top fisherman caught 7! (Logan Vogt, pictured)

A huge thank you to Scott Isringhausen from IDNR at Pere Marquette State Park for a stellar presentation about local aquatic life and wildlife. Scott also provided all of the poles and bait for a fun afternoon of fishing! Another huge thanks to the adult and youth (Jasper Co. 4-H Ambassadors) volunteers for helping with this program! And let's not forget the staff at Sam Parr State Park--we are lucky to have such an amazing location that is close enough to provide programs for youth in our county

While our November Afterschool Adventures date is still being decided, we are excited to announce the December event on Dec. 7 from 3:45-5:30 p.m. at the Early Childhood Center. The December program will be holiday-themed!

Ambassador meeting

The first 4-H Ambassador meeting of the 4-H year was held on Monday, Oct. 18 at 6p at the Chamber of Commerce. Team members discussed upcoming events including Afterschool Adventures, lock-ins, and the upcoming Awards program. Ambassadors also were able to participate in several teambuilding activities. They went on a business scavenger hunt which included riddles to local businesses around the square in Newton. Members also were tested on their team-worthiness, and they were not fooled for a second. When given sections of a puzzle, they quickly figured out that other teams had the pieces to complete their puzzles! Members also learned a lot about each individual team member, and they enjoyed a fun memorization game with more than a few laughs. Our next meeting will be in December with a date and time TBD.

The **4-H Shooting Sports** club has taken off with archery! We are waiting until spring to start the Shotgun portion of Shooting Sports again. If members are interested and have questions, please have them contact the Extension office or register at the link listed.

Toys for Kids

It's time to start making plans for the Jasper County HCE Toys for Kids program. Local clubs have been a very important part of this program. Either by making monetary donations or assisting with the shopping. We will be needing assistance again this year. Feel free to discuss with your club if you would like to assist.

All gifts and monetary donations need to be delivered to the Early Childhood Center (previously Sunrise Youth Center) office by Friday, Dec. 10. Distribution will be Tuesday, Dec. 14 from 8:30 a.m. – 6 p.m. The Jasper County HCE appreciates everyone's efforts to ensure all the youth in Jasper County have a meaningful Christmas.

Call the Extension office if your club or your family would like to help with this worthwhile program.

4-H Club Meetings

The 4-H year has started and is already flying by! For clubs who have started meeting, please send your club minutes or have your Reporter send in something for the next 4-H newsletter (pictures are great!). It's a great way to share ideas and let everyone know what's going on throughout the county! We love seeing pictures, too, so be sure to snap a few at club meetings or events!

If your club has an upcoming fundraiser, we would love to help spread the word! Send information to the Extension office so we can add it to the 4-H Newsletter and our Facebook page.

Jasper County Project Quick Sheets

Need a quick reminder about specific questions to 4-H projects? A new tool is the Project Quick Sheet, a new quick tip info sheet to help families with their questions about 4-H general, small animal, and livestock projects. Tip sheets will be available online, or if families need a paper copy, please contact the Extension office.

To find the online copy, go to <https://extension.illinois.edu/cefi/4-h-jasper-county> and look under the Fairs and Shows tab.

For a complete list of guidelines for all 4-H projects, check the 4-H Handbook, which is updated and distributed early spring each year

Planning ahead.....

2021-2022:

Illinois 4-H is joining forces with the Illinois Association of Soil & Water Conservation District Forestry Committee to organize a statewide tree appreciation program entitled: **4-H Green Communities Tree Program**. Several educational forestry topics will be emphasized along with a culminating event of planting trees throughout the state on community based properties in the spring of 2022.

Be thinking of where a tree could go in your community as a survey of interested counties will be done this fall! No cost to you!

Illinois 4-H

We'd love to connect with you on social media! If your club has a picture or story you'd like to feature on the State social media pages, send it our way! Tags do not work reliably in Facebook, but feel free to connect on Facebook Messenger with a post to share or email the picture and your club name, county, and a line or two on what's happening in the photo to carissa7@illinois.edu.

What makes a great picture that's easy to share?

- Good lighting (make sure we can see everyone!)
- Mask/safety protocols are being followed
- Everyone in the picture has a signed release form as part of their onboarding paperwork
- Your picture tells a story! Action shots are great, or pictures where you can easily tell what's going on even if you don't read the caption. So, a tight group shot of kids together isn't as inspiring as a picture of kids around a garden they just built or actively working on planting.

Follow along on the state pages for news, announcements, and stories!
