Words can not express the gratitude we have for all our past & present volunteers. Your passion to serve others is the reason the Effingham County 4-H program is a success in our county. It is said that volunteers do not necessarily have the time, they just have the heart. Thank you for having the heart to serve the youth in our community and thank you for making our world a better place!

Effingham County 4-H

URGENT! We still have several superintendents, leaders, and members who have not enrolled for the 2021-2022 4-H program year. (September 1, 2021-August 31, 2022)

If you have not been receiving emails with 4-H updates, this is why. Please log into 4honline <https://v2.4honline.com/#/user/sign-in> to enroll today! The Effingham County Fair Board will be contacting me on May 2 to get the list of active superintendents, leaders, and members. The Fair Board will use the list to issue fair passes so you can enter the fairgrounds for free. Youth who are twelve and under will not be issued a fair pass, since you get into the fairgrounds for free.

Remember! You can enroll in 4-H at any time, however in order for you to exhibit at any of the Effingham County 4-H Exhibition Days, you must be entered in your projects by May 1, 2022. Please take the time to review the 4-H Highlights—Members with Projects as of 3/24/2022 to ensure you are enrolled in 4-H and you are in all the projects you wish to explore.

If you notice missing projects, please email me your list by May 1, 2022. If you are wanting to enroll in Animal Science, be sure to enroll in the species you will be exhibiting. For example: Rabbit Animal Science, you will enroll under Rabbit. Once Fair entry is sent out, you then will select Animal Science under the General Projects Department.

Quality Assurance & Ethics (QA&E)

The Quality Assurance and Ethics training is required for all youth that enroll in horses, rabbits, poultry, dogs, and cats. Members must take the training whether they own a live animal or not. It is advised that they complete this one time as soon as they are enrolled in the project area. Failure to complete QA&E will result in the member's animal science project enrollment being cancelled and they will be ineligible to exhibit at county fairs. The website is open year round at <http://web.extension.illinois.edu/qaec/>

Youth for the Quality Care of Animals (YQCA)

The YQCA is a livestock quality assurance program for youth enrolled in the following species: dairy cattle, beef cattle, swine, sheep, and goats. All 4-H exhibitors of these animals will be required to certify in the YQCA program **yearly**. Youth must either attend a face-to-face class or certify on-line via the website: <http://yqcaprogram.org> ***NOTE NEW WEBSITE!!!***

The YQCA program is for youth ages 8-21. The online version is broken into age divisions as follows: juniors 8-11, intermediate 12-14, senior 15-18, and young adults 19-21. This certification is annual with test out options of 1-3 years. Youth exhibiting swine at the Illinois State Fair and 4-H fairs are no longer required to be PQA plus certified. The cost for the face-to-face training will be \$3 and \$12 for the online version.

Final Face-to-face training date (please note, there is a maximum of 20 participants per training):
