

The University of Illinois Extension office in Freeport (Stephenson County) is looking for an individual to serve as the Extension Program Coordinator to support 4-H & Youth Development programs. Under general supervision by the County Extension Director and in collaboration with other unit staff, the Extension Program Coordinator will implement assigned 4-H & youth development programs designed to foster the acquisition of knowledge and the development of youth, individuals and communities. This position supports the county 4-H Clubs and related volunteers and activities, as well as develops and facilitates youth programming with local partners and collaborators.
