Dear 4-H Members, Leaders, and Parents:

The 2024 4-H Shows offer new challenges within the project areas. We appreciate your diligence in preparing your projects for the show. It's a time to celebrate your accomplishments!

The 4-H Show Book contains all class exhibit information and requirements. **Because some changes have been made this year, please read carefully.** It is essential that you follow the criteria for judging to be evaluated appropriately. Please plan to exhibit **all your projects** at the 4-H Shows. Many opportunities lie in observing other members' projects and you may also receive trophies, ribbons, and premium money.

St. Clair County 4-H members' projects are judged on a one-to-one communication between the member and judge as well as the project. Below is a sample of the types of questions you may expect to be asked:

- What is your name, age, and number of years in this project?
- Why did you enroll in this project?
- What did you like most or least?
- What was the easiest and hardest?
- What gave you the most problems? If something failed, be honest.
- Who helped you with your project?
- How did you make this? or How did you care for this?
- What kinds of equipment did you use?
- How would you change what you've done?
- Do you plan to take this project again? If yes, what will you do?

Parents are encouraged to be actively involved in the 4-H members' projects. During shows, however, only superintendents and those working at the show are allowed in judging areas. All others are asked to remain outside of the judging area and help us maintain adequate social distancing.

As you prepare projects for the St. Clair County 4-H shows, keep foremost in your thoughts, "To Make the Best Better". If you need reasonable accommodation to participate in any 4-H program, please call the Extension office at 217-244-4385.

Sincerely,

Meghan Cope

Consequences

University of Illinois Extension reserves the right to restrict participation in future activities for those individuals who have been removed from an activity for behavior, as outlined in Category 1 or 2. In all cases, the participant will be responsible for retribution of any damages incurred by his/her actions.

Category 1

When notified of any of the actions under Category 1, the adult in charge will ascertain the relevant facts, and, with concurrence from University of Illinois Extension staff, will notify the affected participant of the action and any supporting evidence. The participant will be allowed an opportunity to answer the allegations and, if necessary, law enforcement officials will be notified. While facts are being verified, the participant will be removed from the 4-H activity/event and be under direct supervision of more than one adult chaperone, when possible. The parent/guardian will also be notified of the actions of the participant. If the allegations are found to be true, the participant will be removed at the parent/guardian's expense.

8. All 4-H'ers are to bring their exhibit for conference judging, where the judge will speak one on one with the 4-H member and ask them questions regarding what they learned in their project and how they completed it. All exhibits will be rated accordingly: Blue, meaning product met standards; Red, needs some improvement; or White, needs much improvement.
9. Judges may award a State Fair Award to the superior exhibits in each class, but they are not required to do so. State Fair delegates who receive a superior rating may receive a premium.
10. Leaders and Parents may not attend conference judging with a 4-H youth, but should help them to be objective about the judge's evaluations and suggestions for improvement. Judging is a learning experience for all. One of the best ways for members to learn other ways of doing things or how to improve is to visit with the judge about the project.

14. Premiums will be paid using the X factor. X will be determined by dividing the funds received by the number of 4-H exhibits.
15. All exhibitors participating have the responsibility of being familiar with the rules that apply in each project area. The decisions of the Superintendents and Judges regarding ANY matters at the show are final.

Each county may submit 3 entries total from 50324, 50325, 50326, 50327, 50328. Enrollment in the Video project is required to exhibit in the classes in this section.

All Exhibitors must bring their video to be judged on a USB flash drive and saved in .MP4 format. Exhibitors are encouraged to post their video on YouTube.com in advance of State Fair. Exhibitors may choose whether to make the video "public, unlisted" (someone must have the link to view it), or "private" (only people you choose may view it). This will allow fairgoers to view the exhibits on display. There will be monitors at the exhibit table for viewing videos so exhibitors will NOT need to bring a laptop or device for viewing.

Requirements that apply to ALL video classes:

Video submissions should be no longer than five (5) minutes in length (unless noted differently in class description). Videos are to be original and a result of the member's current year's work. Criteria for judging shall include: (1) Evidence of story line; (2) Use of camera angles; (3) Use of zooming techniques; and (4) Smoothness of scene changes. Exhibitors must be enrolled in the Visual Arts project category in which they are exhibiting. Exhibitors are encouraged to date the project when it is made. Exhibitors must be able to carry or cart their exhibits across the fairgrounds from the parking lots. All visual arts exhibits are evaluated using a visual arts rubric which takes into account correct use of design elements; craftsmanship; and creativity.

Articles exhibited must be an original design created by the exhibitor (except in Heritage Arts, which may follow a pattern, AND Fiber-Non-Original Ages 8-10 ONLY). Copyrighted or trademarked designs are not acceptable; this includes team, school logos and/or characters from movies such as Mickey Mouse, Iron Man, etc. Kits and preformed molds are not considered original and are not acceptable in any Visual Arts Class. Combining parts of different patterns (pictures, photographs, images from the internet or a magazine) with the member's own ideas can result in an original design, but simply changing the color, pattern and/or size of a pattern does NOT make the design original. This also applies for ideas found on a site such as Pinterest. If you see something on Pinterest that you like, you can use that idea as your inspiration, however, create something which is fundamentally different. It **MUST NOT BE AN EXACT REPLICA OF** something the judge can search for and find on Pinterest. The exhibit may combine parts of different patterns and/or ideas with the concepts of the member, however changing the color or changing the size of the item or pattern used does NOT make it original. If you create an exact

replica of what you see somewhere else, it is not your original design. If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit. Be prepared to explain how and where you got the idea for this project.

Copyrighted or trademarked designs are not acceptable; this includes team logos, school logos, and/or characters from movies such as Mickey Mouse, Iron Man, etc. Kits and packaged plastic block sets are not considered original and not acceptable in any Visual Arts Class.

Use of the 4-H Clover: Chartered 4-H clubs and enrolled 4-H members are authorized to use the 4-H Name and Emblem. This includes permission for an enrolled 4-H member to use the 4-H name and emblem in exhibits created for personal use and as part of 4-H sponsored events. This includes 4-H decorated cookies, a 4-H clover printed for use in a scrapbook or included as part of any other 4-H exhibit. Use of the green clover shaped image is not protected. The 4-H “emblem” is distinguished by the four H’s that signify Head, Heart, Hands and Health. **No creative rendering, changes in color or shape of the official 4-H emblem is allowed.**

NOTE – Any use of the 4-H name and emblem on items intended as **gifts or for sale locally** requires prior permission from your local Extension office. Your Extension office will be able to provide you with the form which must be signed by the Extension County Director. Any uses of the 4-H name and emblem for sale or promotion **online, and/or in statewide events** should be signed by the Illinois 4-H Program Leader (Illinois4H@illinois.edu).

Livestock Project Portion

Animal 4-H Show Rules

1. Premises Identification numbers will be required for all Junior Department Barrow entries to the Illinois State Fair. This is being required by the packing house(s) that process the barrows from the State Fair. Even though the State Fair is no longer a terminal show, in 2010 a majority of exhibitors still shipped their animals from the State Fair to the packing house for processing and premises ID was required. Premises Registration is voluntary to exhibit all other livestock (beef, dairy, horses, swine, sheep, goats, poultry, and rabbits) at the Illinois State Fair/county fair.
2. On August 2, 2024 all livestock, must be in place by 8:00 a.m. All exhibits must remain on display until Sunday, August 4, 2024 at Noon. 4-H Shows are an opportunity for the public to learn about 4-H Projects. Therefore, all projects are expected to remain until release day. Livestock committee is responsible for all livestock shows and release times.
3. Steer weigh-in is for STEERS ONLY. Swine weigh-in is for BARROWS ONLY.
4. In the Beef, Dairy, Swine, and Sheep Divisions, the different livestock breeds will be shown in separate groups within each class, or as designated by the superintendent.
5. In Beef, Swine, and Sheep, no animal may be shown in both breeding and market classes.
6. No bulls, boars, ram sheep, or buck goats are allowed to show in the 4- H Show. The exceptions are specified above each livestock division.
7. It is the responsibility of all exhibitors to check in with their superintendents when they arrive at the 4-H Show. Registration must be in the exhibitor's name or name listed on the registration paper; if not: the animal will be shown in a commercial class.
8. **In the animal department, exhibitors may show two animals in each class of:**
 - **Beef, dairy, goats, sheep & swine.**
 - ***NOTE*** The exhibitors will receive *ribbons* on **both** animals per class, but **PREMIUM MONEY MAY BE PAID ON ONLY ONE HIGHEST RATED ENTRY PER CLASS.**
 - **And one animal in each class of: rabbits and poultry.**
9. All animals *must* be shown by the owner. If, for some valid reason such as injury, illness, death in family or a 4-H'er is scheduled to show two livestock projects at the same time, another St. Clair County 4-H member may be allowed to show one of the animals. The members should notify the Extension Office, 618-344-4230, as far in advance of the show as possible to explain the situation. The decision to allow another St. Clair County 4-H'er to show in your place will be at the discretion of the Extension Office and the Livestock Committee. It should not be assumed that a substitution will be allowed. Advanced notification is mandatory. A substitute is not

- eligible to win showmanship. Parents or other adults may not show for the member.
10. Exchanging of animals will be permitted in showmanship classes, at the discretion of the judge.

Participants will continue to be eligible for Senior Showmanship in large animal classes after winning Super Showmanship.

Reserve Senior Showmanship winners may be eligible to participate in Super Showmanship at the discretion of the Livestock Boosters of St. Clair County.

Participants must show and have knowledge of the following species: goats, sheep, swine, beef, and dairy.

Participants will be responsible for selecting their own animals from each species. Animals chosen cannot be ones that they have exhibited in livestock shows during the livestock shows or from their family's farm. Participants should coordinate with animal owners before Sunday morning.

The winner of the Super Showmanship will receive an award from Bill and Jana Range in memory of their son Ryan Range. Their name will be displayed on a wall plaque naming all the Super Showmanship winners through the years. Along with a \$125.00 check from the Livestock Boosters of Saint Clair County.

The Super Showmanship winner will also have the opportunity to represent St. Clair County in the Master Showmanship Show at the Illinois State Fair.
