4-H General Show Day, July 6

The 4-H General Show will be held on **Saturday, July 6**, at Cuba Junior-Senior High School.

All projects will be judged in the afternoon. The projects must arrive by 12:45 p.m. (You can bring them beginning at 10:30 a.m.) **Judging will begin at 1 p.m.**

Projects will be released as soon as the judging in that area is completed. No projects can be released until the Best of Show and State Fair Delegates are selected for that project area. For a list of the projects judged at 4-H General Show, please refer to the May/June 4-H Newsletter, or the 4-H Show Book, or call the Extension Office at 547-3711.

If you cannot be with your project at General Show Day, you may have someone else bring it. In that case, it is a good idea to write a paragraph and attach it to your project. Tell how you made your project, and what you learned from completing it. Call the Extension Office at 547-3711 if you have any questions about your project show days.

4-H Show Books

All 4-H families should have a copy of the new 4-H Show Book. The cover **says 2019 on it**. If you do not have one of these new 4-H Show Books yet, please call your 4-H leader or the Extension Office, 547-3711. Discard old 4-H Show Books so there is no confusion in knowing what to exhibit for your projects. The new 4-H Show Book can also be found on our website,

<http://web.extension.illinois.edu/fmpt/fulton4h/>

Scroll down until you see it listed.

Ten Gallon Challenge

4-H Key Leaders were sent information on this four-county, unitwide service learning project. Please consider getting your 4-H club involved. Call Janis at 547-3711 with any questions.

4-H Award Applications Are Due August 26

Award applications are due August 26 in the Extension Office by 4:30 p.m., and late applications will not be judged at all. They are always due on the last Monday of August.

Check with your leader or the Extension Office if you have questions about these forms. Award Application forms may be picked up at the Extension Office at any time. A packet of sample forms will be sent to key leaders in early July. They are also on our website, <http://web.extension.illinois.edu/fmpt/fulton4h/> . Rules and guidelines for completing Award Applications are found in the back section of the 4-H Show Book, which is also on our website.

4-H Livestock Exhibitor Harness

We have a limited supply of these available free of charge to Fulton County 4-H members who exhibit livestock and do not already have one, purchased with donations received in memory of Mary Sue Bennett Black. Stop by the Extension Office to receive one. You may want to call 547-3711 or email jblout@illinois.edu before you drive here, to check on supply level. Office hours are Monday through Friday, 8-12 and 1-4:30.

Attention Leaders — **Secretary and Treasurer Book Printouts Due Soon**

Every 4-H club must submit their Secretary's Book Printout and Treasurer's Book Printout (if they have a treasury) by September 30 every year. If you want them to be eligible for an award, then have them here by August 26.

Submitting these book printouts is a state requirement, and your club will not be re-enrolled for the next year until the book printouts are both submitted.

To County Fair Beef Exhibitors — **Beef Stall Set-Up at County Fair**

Again this year at the County Fair, Beef exhibitors will be allowed to come to the fairgrounds and prepare/bed their stalls on Sunday evening, July 21, between 5:00 and 9:00 p.m. Do not bring animals at that time, only bedding materials, etc. **There will be NO bedding/preparing of stalls on Monday, July 22, until 2 p.m. Do not arrive before that time.**

This rule applies to **EVERYONE**.

Livestock Health Requirements At Fairs and Shows

The following website can give you complete, current information on the health requirements to exhibit livestock this summer —

<https://www2.illinois.gov/sites/agr/Animals/AnimalHealth/Documents/2019%20County%20Fair%20Exhibition%20Health%20Requiriements.pdf>

These rules are also listed in the Fulton County Fair Book and in the State Fair books online. If you would like a printed copy of these livestock health requirements, and you cannot access them on the internet, call the Extension Office at 547-3711, and we will gladly mail you a copy.

Correction from last newsletter — Rabbits and Poultry do not need health papers at this year's County Fair, but be sure you only bring healthy animals to any show or fair.

State Fair Non-Livestock Info

To have your non-livestock project exhibited at State Fair, it must be selected as a State Fair Delegate at one of our 4-H Shows in 2019. 4-H members are allowed to exhibit **only one** non-livestock project at State Fair, if selected to do so.

Projects will be conference-judged. That means that if your non-livestock project is selected for State Fair, and you choose for it to go, you must go with it. You will bring it home that same day. If you cannot go, the opportunity is passed to an alternate. Projects are required to be on display all day.

Our exhibit day for non-livestock projects at State Fair is Sunday, August 11. **Complete information will be sent to all members selected.**

Online Surveys

This summer University of Illinois Extension will be collecting information through online surveys to answer the question:

Do 4-H members report a high quality developmental context and developmental outcomes from participating in 4-H?

You will received a letter from the Extension Office with more detailed information about this study.

- We do not think that there will be any danger to your child in completing the survey.
- Every young person will be given the option not to answer the questions.
- The surveys are distributed electronically and all results are stored anonymously online.
- The data will only be used in summary.

If you would like your child to decline participation in this study, please contact Amy Leman at bunselme@illinois.edu or 217.333.0910 by July 15, 2019.

Remember what matters this summer...

It's never about winning; it's about being part of something more than yourself.

It's never about being perfect; it's about being your personal best.

It's never quitting, never giving in or giving up,
never selling out or selling yourself short.

It's learning to lose gracefully and win graciously in the ring of life.

It's learning that sometimes the break goes your way and sometimes it doesn't, and there's nothing you can do about it except gain experience for the next time.

It's about respecting your competitor and respecting the rules, and knowing the minute you stop either one, you've lost.

Use good animal stewardship practices this summer

During fair season, 4-H members have an opportunity to showcase our practice of ethical and humane treatment of animals and demonstrate our commitment to safe food production practices. While showing livestock, we are under the watchful eye of the public. Many people attending a local fair may have no idea how livestock is raised. Practicing these guidelines may prevent public misconceptions about livestock production.

1. Provide fresh, clean water to animals at all times. Feed animals on schedule.
2. Keep your pens clean and dry with good bedding at all times.
3. Take extra care on days of extreme weather or activity.
4. Sort and load animals safely and with concern for them.
5. Train animals to led or be handled at a young age, long before the fair.
6. Arrange for veterinary care in case of an animal emergency.
7. Handle animals in a very humane way.
8. Adhere to all antibiotic, drug, and feed additive withdrawal times.
9. Avoid stressing the animal.
10. Keep animals clean; a clean animal is viewed as a healthy animal.
11. Use show sticks, whips, and canes for showing only, and never forcefully hit an animal.
12. Review your 4-H project manual and follow the care recommendations.
13. Have a plan of action should a problem arise, and know which fair official or 4-H leader to contact to help solve it or answer questions.
14. Some words, such as “slaughter” or “killed,” may cause a negative reaction from people unfamiliar with food production. IF ASKED what happens to your market animal after the fair, consider using words such as “harvested” or “sold to packing company.”
15. If questioned or challenged by a stranger or group:
 - Remain calm, be polite, and answer any question the best you can. If you do not know an answer, tell them you will find an adult to explain more.
 - Do not argue or confront an individual or group who may have a different view about livestock production. Individuals may try to initiate a confrontation and use video of the incident on social media. If confronted, walk away, find an adult in authority, or call 911 if you feel threatened.
 - It is natural to think that giving people information will change their minds, but in some extreme cases, people may not want to learn; they want to confront to gain media attention. It is best to walk away without engaging in these situations.
