

## Do you need your pressure canner dial gauge tested?

Testing of pressure canner dial gauges is recommended once a year for safety in the canning and preserving process.

For more information or to get your pressure canner dial gauge tested in Grundy, Kankakee or Will Counties, contact:

**Drusilla M. Banks, MS**

Extension Educator, Nutrition and Wellness  
University of Illinois Extension

**Email:** [dbanks@illinois.edu](mailto:dbanks@illinois.edu)

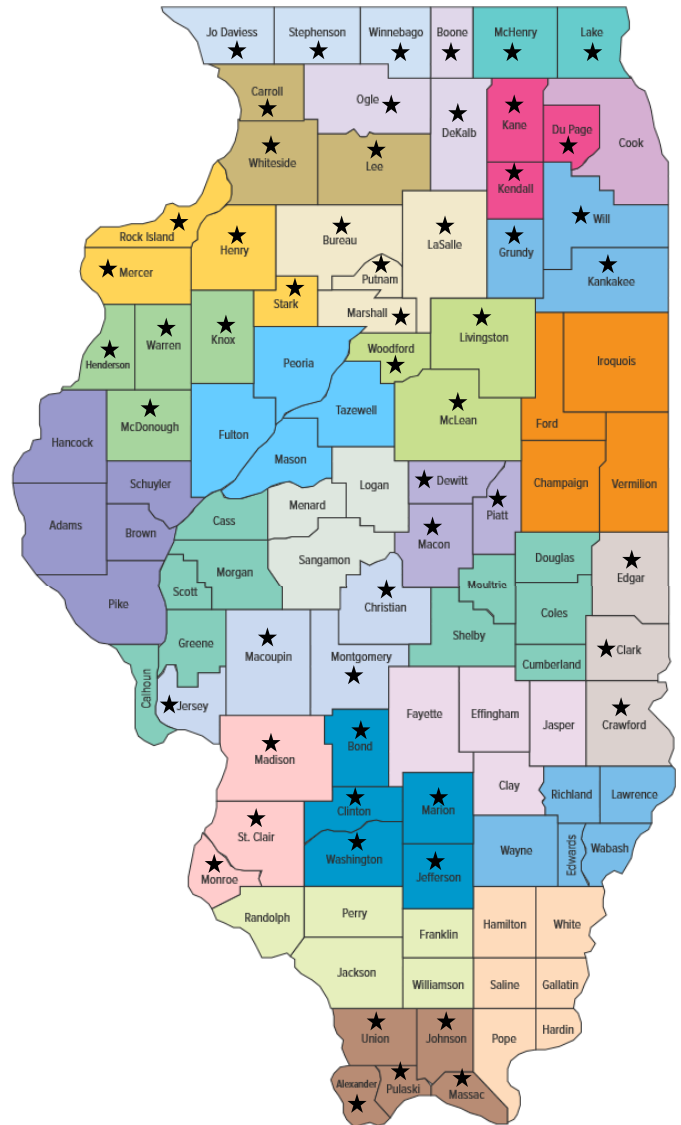

**Phone:** (815) 933-8337

**Visit us at:** <http://web.extension.illinois.edu/gkw/>

There is no fee for this service.

★ A star indicates a county where testing is available.

In counties without a star, testing may still be available by working with your local Extension office.
