

Shelby County General Projects Show Results

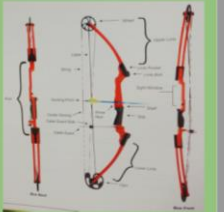

Robotics

Champion – Matthew Horsman

Shooting Sports

State Fair Delegate: Resmiranda Small

*Parts of the
Universal
Compound Bow*

Grip: part you hold with your non dominant hand
Arrow Rest: part where your arrow sits before you shoot it
Nocking point: part of the string where you put the nock of the arrow
Sight Window: where you look to aim
The rest of the parts give the bow the strength and force to shoot.
