Granny Rose K-9 Enrichment Center Release Form

I acknowledge there are a variety of risks, dangers, hazards, including, but not limited to, physical injury, disability, or even death. Risks include, but are not limited to damage to personal property, weather related accidents, natural disasters, infectious diseases, the possibility of slips and falls, scrapes and cuts, bruises, sprains, lacerations, concussions, fractures, and other life threatening or debilitating hazards. I realize that myself, my family, and anyone else who joins/accompanies me at this facility, are working with live animals, who can react suddenly and unexpectedly. I realize that staff at Granny Rose or event staff will do everything within reasonable measure to help control these situations, but injuries to persons and/or dogs are a risk of participation. Furthermore, I understand that it is a necessity for myself and anyone associated with me and my dog to listen and follow all instructions given by staff in order to minimize risk or injury to myself, other participants and staff, and all animals. I realize some dogs can become aggressive around other dogs and or people, and that allowing my dog to participate in any activity at the Granny Rose K9 Enrichment Center includes any risk, danger or hazard that could occur to myself, those accompanying me or my dog, including, but not limited to, bites, cuts, injuries, fractures, disability and even death.

I verify that I have disclosed all medical and health information pertinent to this event to Granny Rose or event staff should be aware of for myself, my associates, and my dog.

If myself, an associate, or my dog is injured or ill, or causes any harm to another person or animal, or property, while on Granny Rose property, I accept responsibility for any losses or medical bills, including, but not limited to, deductibles and co-pays and will not be reimbursed by Granny Rose or any of its affiliates. I understand that Granny Rose staff will make the best call they feel at the time of any incident and will not be responsible for any associated costs.

I give Granny Rose permission to use any photograph, video, and names on social media, websites, marketing, signage or any other type of promotion they take on Granny Rose property and can use for marketing/advertising purpose.

Dogs must remain on leash and under full control of their handler while on Granny Rose property, including outside, unless directed by their trainer or event staff. No Exceptions. Flexi-leads will not be allowed at any time.

Dogs in season: If you have a female that is unaltered and comes into season, it is up to the discretion of your trainer or event staff if she is allowed to participate. If staff permits females in season, they must have on panties at all time while inside the building. If this causes a disturbance with other dogs in class, you may be asked to leave until she is out of season. Please note that we will gladly allow you to make up the classes missed due to this, but we will not offer a refund.

Dog Fighting: If your dog is involved in a dog fight, or is causing problems in any way, there will be a written incident report. We have a three-strike maximum policy, meaning if your dog is involved in three fights at the Center, they will be asked to leave permanently for the safety of all involved. This is a maximum: if the first incident is severe enough, we may excuse you immediately from any and all future Center events. This will be handled on a case-by-case basis as decided on by Granny Rose K-9 Enrichment Center Staff, and is fully at their discretion.
