

2019 HCE SCHOLARSHIP

Home & Family/Food, Nutrition & Health Scholarship for 4-H

Presented by McLean County Association
for Home and Community Education

McLean County Association for Home and Community Education is pleased to announce the recipient for the 2019 scholarship that is awarded to any McLean County 4-H member chosen who meet requirements which include having exhibited a 4-H project in one or more of the Home & Family or Food, Nutrition & Health areas at the 2018 4-H fair and 3 other years in their 4-H career.

Sarah Kraft is a 10 year member of the Towanda 4-H club. Important skills were learned and developed in 4-H club meetings/activities and taking many projects to the fair in Home & Family and/or Food, Nutrition & Health project areas. Sarah has served in many leadership roles in her club and is presently a junior leader in her club and a role model for the Towanda Busy Bees 4-H Club members. Because of 4-H, public speaking comes easier for Sarah and she has developed many areas of community service. Sarah has seen the importance of giving back to the community and will continue to volunteer to the Salvation Army, weeding along Route 66, CIDSO buddy walk, July 4th parade official, Towanda District Library and other areas of her community, county and beyond.

Sarah plans to major in business at Illinois State University this fall. She also would like to apply her skills learned in 4-H to promote her passion for baking cakes and other sweets. Sarah is the daughter of Mark and Jackie Kraft of Towanda.
