

"FIND YOURSELF" IN 4-H

4-H offers so much for you to do. You find the path that makes sense for you! Join a club or after-school program, attend camp, sign up for Teen Federation, participate in a local or state 4-H event, have fun, explore your interests, build leadership skills and make connections to new friends, mentors, and future employers.

**4-H helps youth ages
8 - 18 discover their
interests and build
citizenship, leadership
and life skills!**

4-H CLUBS

COMMUNITY CLUBS

There are a variety of 4-H Community Clubs you can join. These clubs meet on a monthly/regular basis in cities and towns across the county throughout the year. At 4-H Club meetings members elect officers, share projects, give demonstrations, go on special outings, do community service projects, make crafts, share snacks, and have a great time meeting new friends. They also get to select projects they choose according to their own interests to showcase for conference judging and awards at their County Fair.

HENRY COUNTY 4-H CLUBS
