University of Illinois Extension provides equal
opportunities in programs and employment.

If you need a reasonable accommodation to
participate, please contact your local extension office.

Early requests are strongly encouraged to allow
sufficient time for meeting your access needs.

Dear 4-H Families and Friends,

I would like to congratulate each of you on a successful fair. As 4-H'ers, you truly know what it means to "Make the Best Better". The skills you demonstrate in your projects grow from year to year and I am continually impressed by your talents. If you were selected to participate in State Fair, we will be mailing more detailed information to you. So, be sure to watch the mail! Please continue sharing your pictures with us using the hashtag "#McD4HFair".

As we prepare for the next 4-H year, I would encourage each of you to think of a friend who might enjoy being in 4-H as much as you do. You can invite them to join you at a club meeting or you can share their contact information with Beth so she can contact them. As we grow together, so will the fun and experience 4-H brings.

Yours in 4-H,

Shelby Carlson

4-H Market

The 4-H Market has been moved to Saturday, September 4th at the 4-H Center from 9 a.m. to 1 p.m. McDonough County 4-H members can create their own small business and showcase the items that they would like to sell. 4-H members bring their own cash box, signs, and etc., to sell their products. Each member has to submit a "4-H Market Success Plan" form to the office for approval prior to August 27. Please contact the office if you have Questions and to get a form. Each person will be in charge of their own table, cash, and overall responsible for their booth. This is for 4-H member's work, not a parent hobby or work.

Check Out the Masters at the State Fair

Exhibitors must be at least 14 and no older than 18 (as of 9/1/20). You need to supply your own animals for the contest, but may make arrangements to borrow animals from exhibitors at the fair. The contest is sponsored by Illinois Farm Bureau and RFD Radio.

Year-End Reports Due August 31

Year-end reports include the Secretary's Book, Treasurer's Book, 4-H Club/Group Awards and Member Awards.

- **4-H Club Annual Financial Statement:** All 4-H clubs with a checking or savings account must complete both pages of the **4-H Club Annual Financial Statement** form at the end of each 4-H year (Sept. 1 – Aug. 31). Submit this statement along with other required forms and officer books to the Extension office by **August 31**. The financial statement includes a report of income and expenses for the 4-H club checking account (page 1) and/or savings account (page 2). The club treasurer and club leader must sign on page 2 of this form to verify that the information is correct. Also on page 2, the Fiscal Review Committee (a group of 2 or 3 youth and adults who do not have signatory rights on the club's bank account(s) must review the financial records of the 4-H club for the past year and sign to indicate that they have found everything in good order. This is a required step from IRS. Your club can not be re-enrolled for the new 4-H year until this is received in the Extension office.
- **Secretary's Book:** Are club meeting minutes up-to-date, and have they been signed/approved by the club President (or whoever was presiding over the meeting when the club approved them)? The Secretary's Record Book is the permanent record of your club's activities and decisions this year, so it is more important than you may think. Your minutes are the official record of your club's financial decisions too—documentation of approval of spending money is required to back up your club's account activities. This needs to be completed **BEFORE** they are due and **BEFORE** club officers leave for college or get busy with school activities.
- **4-H Club/Group Awards:** The report requires youth and adult input from volunteers and members on what the club has completed over the past year in a specific 4-H curriculum area (like Engineering & Technology, Agriculture, or Food, Nutrition & Health). Clubs can submit an application in any or each of the seven 4-H project focus areas.
- **4-H Member Awards:** If you were an active member of your 4-H club, you qualify for one or more 4-H awards. A list of awards you may be eligible for is available on our website. Visit our website at <https://web.extension.illinois.edu/hkmw/mcdonough4h/> more information.

2021-2022 4-H Year

Have you been thinking about asking family and friends to join your 4-H club? Have you been thinking about switching 4-H clubs to better fit your schedule?

NOW is the perfect time to change! If you are already a member and would like to switch clubs, give Beth Chatterton a call and she can work with you to make it a smooth transaction, 309/837-3939.

To help you invite family and friends to join your 4-H club we offer you some answers to the most frequent questions we get at the office.

What is 4-H?

4-H is a voluntary, informal education program for young people ages 8-18, as of September 1st of the current 4-H year. 4-H Cloverbuds is a program for younger children who are 5-7 years old.

Isn't 4-H just for farm kids?

No! 4-H is for all young people, regardless of where they live, what their backgrounds are, or what interests them. Today in Illinois most 4-H members are from urban areas and they participate in projects to learn many different life skills.

Who conducts 4-H?

The Illinois 4-H program is conducted by University of Illinois Extension at the University of Illinois at Urbana-Champaign. County and state programs are directed by Extension staff who train and support volunteers who work with 4-H members. An Extension Council comprised of local residents serves in an advisory capacity to the Extension staff to coordinate, organize, and plan programming in the unit.

What does it cost to join?

4-H has a \$20 membership registration fee. There may be minimal costs for education program, some 4-H activities or events.
